AWARD

By Government of West Bengal, Department of Labour, order No. 4917-IR/IR/11L-79/63, dated the 4th December 1963, an industrial dispute between

Messrs. Samuel Fitze and Co. (P) Ltd., 26 Chowringhee, Calcutta-13, and their workmen including the present complainant Shri Rupam Mahato, was referred to the First Industrial Tribunal, West Bengal, for adjudication.

During the pendency of that reference case before the said Tribunal, Shri Rupam Mahato filed the present complaint against the company complaining, inter alia, that during the pendency of the reference case the company had illegally and without any justification dismissed him from service, and praying for his reinstatement with full back wages.

It appears from the complaint under section 33A of the Industrial Disputes Act, 1947, that during the pendency of the reference case, the petitioner has been dismissed from service for his absence from duty from 2nd March 1964 to 8th June 1964. The petitioner-complainant has challenged this dismissal as unjustified and illegal and also opposed to the principle of natural justice and stated in his complaint that the company had not given him any charge-sheet or opportunity for his self-defence. The petitioner also compained that the company has not obtained approval of his dismissal from the tribunal before which the dispute was pending for adjudication.

The company appeared and filed its written statement on 9th December 1964. On 29th December 1965, however, a joint petition stating that the matter in dispute has been settled amicably out of Court was filed by the parties before the First Tribunal. As the said Tribunal was then without any Presiding Officer, no final order was passed on the petition. By Government order No. 2536-IR/IR/11L-79/63, dated the 25th June 1966, the case was transferred to this Tribunal on 2nd July 1966. Thereafter the joint petition of compromise filed by the parties was put up before me on 29th July 1966 for orders. The petition was signed by the applicant himself as also by Shri Biswanath Ash, Advocate for the company. Shri Bali Ram Tewari, Secretary of the Union, was also a signatory to the petition.

I have perused the terms as embodied in the petition and they appear to me fair and reasonable. I am satisfied that the dispute has been settled on those terms. A "no dispute" award in accordance with the joint petition is accordingly passed. The joint petition do form part of this Award.

This is my award.

This memorial has been known up till now as the Rabindra Smarani. It has now been decided to rename it as the "Rabindra Sadan."

2. All expenditure for the maintenance and upkeep of the building, including the stage, the

auditorium and the premises of this Rabindra Sadan will be borne by the State Government and all work in this connection will be administered by the Education Department of the State Government with the help of an Administrative Officer and other requisite personnel appointed by the Government for the purpose.

3. The use and management of the Rabindra Sadan will be entrusted to a Committee of Management.

The Administrative Officer, referred to in the foregoing paragraph, will be the Secretary to the Committee of Management of the Rabindra Sadan.

The term of office of the Committee will be three years from the date of its first meeting; but the Government may reconstitute the Committee sooner if that be necessary and may also, if necessary, extend the term of its office.

4. The Committee will have the following powers and functions, namely:

(ii) to promote research and experimentation of new techniques in the fields of dance, drama and music;

(iii) to encourage the exchange of ideas with cultural organisations in other parts of India and abroad in matters relating to the development of the arts of dance, drama and music;

Bengal Rice and Oil Mills, P.O. Sainthia, district Birbhum and their workmen represented by Birbhum Rice and Oil Mills Labour Union, P.O. Murarai, district Birbhum, regarding the issue mentioned in the said order being a matter specified in the second schedule to the Industrial Disputes Act, 1947 (Act 14 of 1947), was referred for adjudication to the Fifth Industrial Tribunal.

And whereas the said Fifth Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Bengal Rice and Oil Mills, P.O. Sainthia, district Birbhum and their workmen represented by Birbhum Rice and Oil Mills Labour Union, P.O. Murarai, district Birbhum. (Case No. VIII-212 of 1966).

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present :

Shri A. K. DE, District Judge,
Presiding Officer,
Fifth Industrial Tribunal, West Bengal.

This award relates to the reference made by the Government of West Bengal, in Labour Department, order No. 2373-IR/IR/11L-369/64, dated 13th June 1966. This is about an industrial dispute between Messrs. Bengal Rice and Oil Mills and their workmen represented by Birbhum Rice and Oil Mills Labour Union. This was first referred to First Industrial Tribunal and then transferred to this Tribunal.

The issue is :

Whether dismissal of Shri Helupada Roy is justified? What relief, if any, is he entitled to?

Both the employer and the employee on being served with notices, appeared before the First Tribunal and filed written statements. When the reference came to this Tribunal, they were given notices. On the date fixed for hearing, neither of the parties appeared or explained absence showing sufficient cause. The Tribunal is satisfied from this failure on the part of the parties to appear that the industrial dispute between them under reference is no longer in existence.

The Tribunal, accordingly, makes a 'no dispute' award in respect of the issue under reference on the footing that the industrial dispute under reference is no longer in existence.

Dictated and corrected by me.

Fifth Industrial Tribunal.

Madho Prosad Mahabir Prosad, 5 and 6 Duffar Street, Liluah, Howrah on the one hand and their workmen represented by Madho Prosad Mahabir Prosad Mazdoor Congress, 35 Joybibi Road, Howrah-7 on the other regarding the issue mentioned in the said order being a matter specified in the third schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Fifth Industrial Tribunal;

And whereas the said Fifth Industrial Tribunal has submitted to the State Government its Award on the said industrial dispute;

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Madho Prosad Mahabir Prosad, 5 and 6 Duffar Street, Liluah, Howrah (Head Office : 9 Parsi Church Street, Calcutta-1) and their contractors (1) Messrs. Shree Shibsankar Singh, 19 Station Road, Liluah, Howrah and (2) Messrs. Gopal Sharma, C/o. Messrs. Madho Prosad Mahabir Prosad, 5 and 6 Duffar Street, Liluah, Howrah on the one hand and their workmen represented by Madho Prosad Mahabir Prosad Mazdoor Congress, 35 Joybibi Road, Howrah-7 on the other. (Case No. 163 of 1966).

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present :

Shri A. K. DE, District Judge,
Presiding Officer,
Fifth Industrial Tribunal,
West Bengal.

The Government of West Bengal, in its Labour Department, order No. 2025-I.R./IR/11L-134/66, dated 24th May 1966, referred under section 10 of the Industrial Disputes Act and industrial dispute relating to the issue mentioned below between Messrs. Madho Prosad Mahabir Prosad, hereinafter referred to as the Company, and their contractors Messrs. Shree Shibsankar Singh and Messrs. Gopal Sarma on the one hand, and their workmen represented by Madho Prosad Mahabir Prosad Mazdoor Congress (Regd. No. 6500) on the other.

The issue is—

> "Whether the closure was real and bona fide and in the circumstances justified ? Whether the closure was on account of unavoidable circumstances beyond the control of the management ? What relief, if any, the workmen are entitled to ?

It is to be noted at the outset that there is a typographical mistake in the order of reference in describing the Union as "Madho Prasad Mahabir Prosad Mazdoor Congress" though its correct name is "Madho Prasad Mahabir Prasad Mazdoor Union". The Tribunal gave notices to the parties in the order of reference. The notice addressed to Madho Prosad Mahabir Prasad Mazdoor Congress was duly received by Madho Prasad Mahabir Prasad Mazdoor Union, and it entered appearance. The Union stated in its petition about the mistake in describing the Union and stated that its registered number was 6500. The Company entered appearance. Neither of the two contractors appeared though duly served with notices. Neither the Company nor the Union, nor any of the two contractors filed any statement. The Tribunal fixed 16th July 1966 for filing statements by the parties. The parties, instead of filing statements, filed a joint petition signed on behalf of the Company by Shri J. P. Saraswati, on behalf of the contractors by Shib Sankar Singh and Sreegopal Sharma, and on behalf of the Union, i.e., Madho Prosad Mahabir Prasad Mazdoor Union by Shri Kali Chakraborty, its Vice-President and Shri Ram Chandra Singh, its Secretary It is stated in the joint petition that the parties have settled their disputes in terms of the memorandum of settlement, Annexure A to the joint petition. The Tribunal considers the joint petition and its Annexure and is satisfied that the terms on which the settlement has been arrived at between the parties are fair and proper and legal. The Tribunal, therefore, decides to record it and to make its award in terms thereof.

Accordingly, the Tribunal dicides that the industrial dispute in this reference has been settled by the parties themselves on terms stated by them in their memorandum of settlement. Annexure A to their joint petition of

compromise, and awards accordingly directing that the said joint petition of the parties and its Annexure be made part of and annexed to this award.

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto

ANNEXURE

In the matter of an industrial dispute between Messrs. Gemini Pictures Circuit (P) Ltd., 20A Lindsay Street, Humayan Court (first floor), Calcutta-16 and their workmen represented by the Bengal Motion Picture Employees' Union, 126A, Dharamtalla Street, Calcutta-13. (Case No. VIII-2 of 1966.)

BEFORE THE THIRD INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present :

Shri S. K. DATTA GUPTA, Judge,
Third Industrial Tribunal.

For the Union : Shri S. R. Ghose, Advocate.

For the Company : Shri R. Rama Moorthy, Accountant, instructed by Shri V. Krishna Moorthy, representative at Calcutta.

AWARD

By Government order No. 5-I.R./IR/11L-296/65, dated the 3rd January 1966, the Government of West Bengal, in the Labour Department, referred under

section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. Gemini Pictures Circuit (P) Ltd., 20A Lindsay Street, Humayan Court (first floor), Calcutta-16 and their workmen represented by the Bengal Motion Picture Employees' Union, 126A Dharamtalla Street, Calcutta-13, regarding the matters specified in the schedue to the Third Industrial Tribunal constituted under section 7A of the Industrial Disputes Act, 1947, by notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication.

Issue

Is the retrenchment of the following workmen justified ? To what relief, if any, are they entitled ?—

(1) Shri Hrishikesh Ray; (2) Shri K. C. Ray; (3) Shri S. Ch. Naha Ray; (4) Shri M. K Gupta; (5) Shri Parimal Basu: (6) Shri Amal Kumar Sarkar; (7) Shri Sunil Kumar Sarkar; (8) Shri Sachindra Nath Ray; (9) Shri D. K. Chakraborty; (10) Shri P. C. Datta; (11) Shri R. K. Chakraborty; (12) Shri K. J. George.

Messrs. Gemini Pictures Circuit (P) Ltd., is one of of the prosperous and the best profit earning Film Distribution concern in the country. It is not disputed that the 12 concerned workers were paid representatives of Messrs. Gemini Pictures Circuit (P) Ltd., (hereinafter referred to in this award as the company) and that the company has on 4th September 1965 given to each of these workers a letter terminating their srvices with effect from the day following the date of the receipt of the notices by them. The union contends that the termination of service of all these workers was not only mala fide but also illegal in as much as the company has not followed the principles of "last come first go", when retrenching these workers from service by its letter, dated 4th Septebmer 1965, and has not also given notice undr section 9A of the Industrial Disputes Act, 1947.

In its written statement filed, the company denied all the allegatins made against it by the union in its written statement ands ubmitted that it had to retrench the workers as they had very little work for these paid representatives. Company also stated that all the 12 workers have been paid one month's wage in lieu of notice and retrenchment compensation in accordance with clauses (a) and (b) of section 25F of the Industrial Disputes Act, 1947.

It has already been indicated above that in its written statement filed, the union has challenged the validity and legality of the retrenchment of the wokers mainly on two grounds :—

(1) the principle of last come first go was not followed; and

(2) notice under section 9A of the Industrial Disputes Act, 1947,

has not been given by the company in connection with the retrenchment of the 12 workers.

During trial union also took up the further point that the company has not complied with the provisions of cluase (c) of section 25F and that at the time of retrenchment the workers have not been paid retrenchment compensation and one month's pay in lieu of notice.

As regards the first point the union has practically led no evidence during trial. It examined only two of the wokers viz., P.W.1 Shri Kartick Chandra Roy and P.W.2 Shri Mrinal Kanti Gupta, but none of them made any statement indicating the violation of the principles of 'last come first go'. Their evidence before this Tribunal also does not inidcate fresh recruitment of any paid representative subsequent to the retrenchment It can accordingly be said that the union has no evidence to prove violation of the principle of "last come first go". To the contrary, it is abundantly clear from the appointment letters marked Ext. C (collectively), that of all the paid representatives appointed by the company, the concerned workers were the juniormost. It must, therefore, be held that the union's contention that the retrenchment was bad in as much as the principle of "last come first go" was not followed, has no substance.

The union's further contention that the retrenchment was bad in law in as mcuh as no notice under section 9A of the Act was given is also without substance. Notice under the section is only required for effecting any change in the condition of service applicable to any workman in respect of any matter specified in the 4th schedule of the Act, and retenchment which does not increase the workload of the remaining workers in the company certainly does not come under the same. In the case of Royal Calcutta Golf Club v. Third Industrial Tribunal and others, reported in 1960(I) L.L.J. 464, it has been held : "It has been authoritatively laid down that all employers have a right to reorganise their business, and if such a reorganisation becomes necesary for reasons of economy or convenience, then the simple fact that it led to discharge of some of the employees will not matter, and no inference can be drawn thatsuch discharge was made malafide. A person has a right to reorganise his business in any fashion he likes, for the purpose of economy or convenience, and nobody is entitled to tell him how he should conduct his business. The only limitation is that he should do it bona fide and not for the purpose of victimising his employees and in order to get rid of their services. Provided, however, that he acts within these limits, it is not for the Court or for the Tribunal to tell him how he should conduct his business.

In the instant case there is overwhelming evidence on the company's side conclusively establishing that it had to retrench the 12 workers as it had very little work for them. In his evidence before this Tribunal D. W. Shri V. Krishna Moorthy, Branch Manager of the Gemini Pictures Circuit (P) Ltd., at the material time said that no picture was released by the company after the release of Zindigi in February 1964, and this was corroborated by the evidence of witnesses examined on behalf of the union. In between the release of Gemini and the retrenchment of the workers concerned, there was a gap of about 1½ years. But as no picture was released during these period, company's contention that it had to retrench the paid representatives for want of work must be upheld. In this connection reference may also be

made to the evidence of D.W.1 indicating that on the average Gemini Pictures Circuit (P) Ltd., produced one picture per year, and this statement was not disproved by any evidence on behalf of the union. As paid representative's main duty was to go out in connection with the screening of films as adduced on behalf of the union, and no picture was produced by the company during the perid from February 1964 to the retenchment of the worker, certainly the paid representatives were sitting idle at Headquarters during this period. For economic reasons the company, therefore, had enough justification to retrench their services. Union's contention that the retrenchment was mala fide cannot, therefore, be accepted. Rather D.W.1's further evidence that on 31st March 1964 for want of new production company's Branch Office in Calcutta has been closed, proves that bona fide of the retrenchment, and as this retrenchment has not increased the workload of the other paid representatives of the company, no notice under section 9A was required to be given in connection with the retrenchment. All the contentions of the unions against the retenchment must in these circumstances be answered in the negative and it must be held that the retrenchment was legal and justified.

It was next contended on behalf of the union that even if the retrenchment was justified for want of work, it is still bad in law and liable to be struck down as the workers have not been paid at the time of the retenchment, one month's pay and the retrenchment compensation as mentioned in clauses (a) and (b) of section 25F of the Industrial Disputes Act. This point was not taken in the written statement filed by the union, and has also been proved to be frivolous and flimsy not only by the evidenc of D.W.1 and the company's exhibits marked Exts. A to A/11, receipts and the statement of account of amounts payable to the workers marked Exts. E to E/11 but also by the evidence of P.Ws. 1 and 2 themselves. Both these P.Ws. have admitted before this Tribunal that along with the retrenchment letter they have also received from the company pay voucher. These pay vouchers, viz., cash vouchers, were marked Exts. A to A/11 and they were for the amounts respectively mentioned in the statement of amounts respectively marked Exts. E to E/11. There is no evidence on the side of the union indicating that the amounts as shown in the statement were incorrect and read with the cash vouchers Exts. A to A/11 and endorsement of receipt or the cash vouchers they conclusively establish that at the time of the retenchment the company has tendered all the workers one month's pay plus the retrenchment compensation as mentioned in section 25F, clauses (a) and (b). In this context reference may also be made to Ext.1, retrenchment letter to the workers Shri Mrinalkanti Gupta. It is not disputed that similar letters were also sent to the other 11 workers and paragraph 3 of this letter also proves tender of the one month's wages and the retrenchment compensation at the time of the retrenchment. As all the retrenchment letters were dated 4th September 1965 and the workers were retrenched with effect from the date following the date of their receipt of the letters and to each letter was annexed cash voucher for amount as mentioned in the statement Ext. E series, the union's contention that the company has not complied with the provisions of sub-clauses (a) and (b) of section 25F must be overruled. And Ext. E proves compliance with sub-clause (c) of the section.

In view of the foregoing discussions, it must be held that the union has no case against the retrenchment of the workers. The workers' prayer for cancelling the orders of the retrenchment and for their reinstatement with back wages is accordingly rejected.

This is my award.

ANNEXURE

In the matter of an industrial dispute between Commissioners of rthe Howrah Municipality, Howrah and their workmen represented by the Howrah Municipal Employees' Association, Howrah Municipal Office (Government Order No. 1699-IR, dated the 13th May 1965.) (VIII-116/65.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL, CALCUTTA.

Present :

Shri R. BHATTACHARYA, M.A. LL.B
Judge. Fourth Industrial Tribunal.

For the Municipality : Shri S. K. Bhanja Chowdhury, Advocate.

For the Union : Shri S. N. Banerjee, Advocate.

The present reference under section 10 of the Industrial Disputes Act arises out of Government of West Bengal Labour, Department, order No. 1699-IR/IR/14L-6/64, dated 13th May 1965. The dispute is between Commissioners of the Howrah Municipality (hereinafter described as the Municipality), Howrah and their workmen represented by the Howrah Municipal Employees' Association (hereinafter described as the Union), Howrah Municipal Office. The issues for adjudication are as follows :

Issues

1. Whether the delay of more than a year in finalising the departmental proceedings against the following eight workmen is justified? What relief if any are these workmen entitled to for the periods they were kept under suspension?—(1) Shri Ardhendu Bose; (2) Shri Berhan; (3) Shri Khajo; (4) Shri Sukra; (5) Shri Kunjla; (6) Shri Bhodia; (7) Shri Darshan; (8) Shri Fulsingh.

2. Whether the cancellation of five days' casual leave granted to Shri Ardhendu Bose, Clerk, and asking for the refund of the wages paid to him for that period are justified? What relief, if any, is the workman entitled to?

When the case was taken up for hearing on 26th July 1966 Shri S. N. Banerjee appeared for the workmen and Shri S. Bhanja Chowdhury was present for the Municipality. At the very outset Shri Bhanja Chowdhury for the municipality urged two preliminary points of law for decision before the case could be taken for hearing on merits. The first point raised by Shri Bhanja Chowdhury is that the orde of reference is not maintainable because in the reference itself the Government has stated that the disputes as matters specified in the second schedule to the Industrial Disputes Act whereas in fact the disputes related to the matters mentioned in the third schedule. The second point taken by Shri Bhanja Chowdhury is that as Ardhendu Bose was an employee of the Assessment Department of the Municipality and as his work in the Municipality is concerned with the assessment of taxes he is not a workman within the meaning of the Industrial Disputes Act and therefore his case cannot be considered in this reference. I heard both the sides and decided in view of my order, dated 26th July 1966, that the law points and the merits of the case would be heard together in order to avoid repetition of evidence and for the sake of convenience and best decision. Thereafter both the sides opened their cases on merits also. In short the case of the union as stated by Shri Banerjee is that there was a strike by the workmen of the Municipality and the workmen mentioned in Issue No. 1 were suspended pending enquiry into some charges levelled against them. Subsequently however there was a settlement between the workmen and the Municipality and the Municipality withdrew the order of suspension against the workmen. The union now wants that the suspended workmen should be paid wages for the period of suspension subsequently withdrawn. The union further says that the departmental proceedings over the charge-sheet have not yet been disposed of and that the delay in finalising the departmental proceeding was unjustified. It has been further stated by Shri Banerjee that Ardhendu Bose was granted casual leave for five days but subsequently that leave was cancelled. It has been alleged that the cancellation of the casual leave and the refund of the wages paid to Ardhendu Bose for the period of casual leave were unjustified.

In reply, Shri Bhanja Chowdhury for the Municipality narrated the case of the Municipality. With regard to the Issue No. 1, the case of the Municipality, according to him, is that after the settlement between the workmen and the Municipality the departmental proceedings against the charge-sheeted persons were dropped. The question of delay in the matter of departmental proceeding does not, therefore, arise. It has been further stated that the charge-sheeted workmen are not entitled to any wage for the period of suspension because there is no provision for such wages in the agreement arrived at by the parties on 10th March 1964. Shri Bhanja Chowdhury wanted to say that the suspension order was withdrawn with effect from 10th March 1964. With regard to the Issue No. 2, the case of the Municipality is that Ardendhu Bose was not granted any casual leave by the authority and that he absented himself at his own risk. The legal points regarding the status of Shri Bose as indicated earlier were also taken.

After opening of the cases the union on the point of law and also on the merits examined P.W.1, the General Secretary of the Union. He is Ardhendhu Bose. Before the examination of the witness several documents were marked exhibtits without objection from Shri Bhanja Chowdhury who waived the formal proof of the documents. After the examination-in-chief of P.W.1, when Shri Bhanja Chowdhury was asked to cross-examine the witness, he submitted that he had no instruction to cross-examine the witness unless the law points raised by him were decided at the very outset. He wanted that after the decision of the law points the Tribunal should consider the case on merits on a subsequent date. Shri Bhanja Chowdhury stated that the Municipality could not take part in the proceeding any further. He also refused to examine any witness on the side of the Municipality or to argue the case. In these circumstances the union closed its evidence and argued the case as Shri Bhanja Chowdhury retired from the case.

I shall now, first of all, deal with the law points raised from the side of the Municipality. With regard to the first point as mentioned above, we should note the order of reference sent by the Government of West Bengal. The first paragraph of the order of reference reads as follows :

> "Whereas an industrial dispute exists between Commissioners of the Howrah Municipality, Howrah and their workmen represented by the Howrah Municipal Employees' Association, Howrah Municipal Office, relating to the undermentioned issues being matters specified in the second schedule to the Industrial Disputes Act, 1947 (XIV of 1947);"

The contention of the Municipality is that the issue mentioned in the order of reference relate to matters mentioned in the third schecule of the Industrial Disputes Act. If these issues are matters of the third schedule, this reference is not maintainable because the Government has mentioned that the issues are matters specified in the second schedule. The contention of Shri Bhanja Chowdhury was that the Government ought to have stated that the matters in this reference are matters specified in the third schedule and not to the second schedule of the Industrial Disputes Act. I have already mentioned the issues specified in the order of reference. The question in the first issue is whether the delay in the departmental proceeding is justified, and whether the workmen mentioned are entitled to any relief in connection with the departmental proceeding during the period of suspension. Shri Bhanja Chowdhury at the opening of the case wanted to say that the Issue No. 1 was a matter relating to item No. 4 of the third schedule of the Industrial Disputes Act. Item No. 4 relates to leave with wages and holidays. It has also been submitted that this issue may also relate to item No. 1 relating to the wages, including the period and mode of payment. With regard to Issue No. 2 it has been submitted by Shri Bhanja Chowdhury at the opening that the said issue relates to either item No. 1 or item No. 4 of the third schedule. I have minutely gone through the two issues mentioned in the order of reference, and the second and third schedules to the Industrial Disputes Act. To me, however, the issues as formulated do not relate to either Item No. 1 or Item No. 4 of the third schedule. These two items relate to matters where the disputes lie over the question of wages, leave with wages and holidays. But in the issues before me, the disputes lie elsewhere. In the first issue the dispute is whether there was any delay in finalising the departmental proceedings against the workmen in question, and if so, whether the delay was justified. In connection with the departmental proceeding the question arises in issue No. 1, whether eight perons mentioned will be entitled to any relief for the period of suspension imposed upon them in connection with the departmental proceeding. The matter of dispute in Issue No. 1 is not a dispute over wages. The dispute, in fact, is whether the delay, if any, in the departmental proceedings was justified and whether the suspension order passed in connection with the departmental proceedings was effective or valid.

With regard to Issue No. 2, the matter in dispute is whether the order of cancellation of five days' casual leave, if any, granted to Ardhendu Bose, and the direction for the refund of the wages already paid to him for the period of casual leave are justified. The union wants to challenge the order of cancellation of the casual leave alleged to have been granted to Ardhendu Bose. This action is not a matter relating to Item Nos. 1 and 4 to the third schedule. In this view of the matter I, therefore, hold that the issues framed in the order of reference do not relate to the third schedule. In my view, however, these two issues relate to either item No.1 or item No. 6 of the second schedule. Item No. 1 speaks about the propriety or legality of an order passed by an employer under the standing orders, and item No.6 of the second schedule relates to all matters other than those specified in the third schedule. In these circumstances, I think that the issues have been correctly described in the order of reference as matters specified in the second schedule.

Supposing for the sake of argument, the issues in the order of reference relate to matters mentioned in the third schedule. Now, the question is whether the present reference would be illegal simply because the Government has described the issue as matters specified in the second schedule. There is no dispute, however, that this Tribunal has jurisdiction to decide any matter mentioned in the second and the third schedules. In this connection we should read section 10 of the Industrial Disputes Act. Nowhere does it say that while referring a dispute to the Tribunal, the Government must mention the schedule to which the dispute relates. The section authorises the Government simply to refer to the Tribunal for decision of any matter which may relate either to the items of the second schedule or to any item of the third schedule of the Industrial Disputes Act. I think the Government can easily make an order of reference relating to some issues without mentioning whether those issues relate either to the second schedule or to the third schedule. The test is whether it is essential for the Government to mention the schedule in the order of reference. If it is, the order of reference shall be bad in law if the Government describes the issues wrongly with reference to the schedule. When in my view this description is not essential and when this description becomes redundant, it does not matter whether the schedule has been wrongly mentioned in the order of reference. It is the function of the Tribunal to see whether the issues mentioned in the order of reference can be decided by it, whether the issues relate to any of the matters mentioned in the second and the third schedules. In the present case, the issues are not beyond the second and the third schedules of the Industrial Disputes Act and, therefore, this Tribunal has proper jurisdiction to decide the dispute raised. I do not find any substance in the first contention raised from the side of the Municipality.

I shall now deal with the second point of law raised on the side of the Municipality. According to the Municipality Ardhendu Bose being an employee of the Assessment Department and his working being concerned with the assessment of the tax, is not a workman within the meaning of the Industrial Disputes Act and, therefore, the reference is not maintainable. On this point Ardhendu Bose has been examined on the side of the union. His evidence is that he became a direct employee as Typist of the General Department of the Municipality. Subsequently, however, he has been transferred to the Assessment Department. He is a Typist of the Municipality. From the evidence I am satisfied that he is not particularly appointed for the Assessment Department. Neither is he concerned with the assessment of tax. I hold that the Municipality being undertaking is an industry according to the definition of the Industrial Disputes Act. It should be noted in this connection that as far back as 1948, there was an industrial dispute between the Howrah Municipality and their workmen, and the Industrial Tribunal held that the Municipality was an industry. The learned Tribunal, therefore, gave relief to the workmen including Assessor, Assistant Assessor and other workmen of all departments of the Municipality. That award will appear in Ext. 6. The finding of that

award has not been set aside by any higher Tribunal. On the evidence on record I am satisfied that Ardhendu Bose is a workman. The second contention raised from the side of the Municipality therefore fails.

I shall, first of all, deal with the Issue No. 2. P.W.1 Ardhendu Bose has stated that on 10th January 1964 he applied for five days' casual leave with effect from 13th January 1964. He has stated that the Assessor sanctioned his leave on 10th January 1964 and that on 14th January 1964 he received the letter, Ext. 4. Ext. 4 is the letter written by the Assessor to Ardhendu Bose intimating him that the prayer for casual leave was refused by the Vice-Chairman. The letter directed Ardhendu Bose to report for duty. Ext. 5 is a copy of the application sent to the Assessor for causual leave. In Ext. 5 we also find the orders passed by the authority. There is no letter from the Assessor addressed to Ardhendu Bose showing that the casual leave was granted by him. Ext. 5 shows that the Assessor Shri Chatterjee placed the application before the Vice-Chairman for orders and the Vice-Chairman on 11th January 1964 refused the leave and directed Ardhendu Bose to join his duties. The exhibit 5 further shows that Shri Chatterjee passed orders for intimation about this order to Ardhendu Bose on 13th January 1964. In this connection the union has filed rules relating to leave followed by the Municipality. They will appear in Ext. 7. According to the rules of the Municipality appearing in Ext. 7, the Chairman has absolute discretion to grant casual leave under such conditions as may be fixed by him in each case. The period of absence of a subordinate officer directed by the Head of the office to absent himself from his duty in consequence of prevalance of infectious disease may also be reckoned as casual leave. There is no evidence before me that the Chairman has delegated his powers to the Assessors for granting casual leave to a Typist or a Clerk. In the case before me, P.W.1 has stated that he was granted casual leave by the Assessor. There is no reliable evidence before me to prove that, in fact, the Assessor granted casual leave to Ardhendu Bose. In this case Ext. 4 shows that Ardhendu Bose was directed to attend his duties as the casual leave was refused by the Vice-Chairman. In the present case, therefore, Ardhendu Bose had not reasonable ground to suppose or presume that casual leave was, in fact, granted to him by proper authority and, therefore, he ought not to have abstained from duty. In the fact and circumstances, therefore, I hold that no casual leave was granted to Ardhendu Bose and that there has been no occasion for cancellation of the casual leave as alleged. Ardhendu Bose is, therefore, not entitled to any wages for the period of his absence from 13th January 1964 to 17th January 1964. The Municipality is, therefore, justified in asking for refund of the wages if paid to him for that period. No relief can be granted in Issue No. 2.

With regard to Issue No.1, certain facts are to be remembered. On 23rd December 1963 a strike notice was given to the Municipality. The proposed strike was however deferred and again on 7th February 1964 another strike notice was served on the Municipality stating that the strike would go on from 22nd February 1964. The persons named in Issue No. 1 received charge-sheets on the ground of some alleged misconduct. Pending enquiry they were all suspended. In fact several workmen led by Howrah Municipal Employees' Association struck work with effect from 22nd February 1964 over a charter of demands. That dispute was taken up by the Labour Directorate and after series of conferences the dispute was settled on 10th March 1964. Amongst other conditions it was settled by and between the union and the municipal authority that the strike would be called off with effect from 11th March 1964, and that the municipal authority would withdraw the order of suspension issued against all persons since the service of the strike notice. I have already noted that the last strike notice was served on 7th February 1964. Admittedly again, after this strike notice the workmen named in Issue No. 1 were suspended. The grievance of the union is that the departmental proceedings started against the workmen are being delayed and that they have not yet been finalised. The union wants to say that the conduct of the Municipality in this behalf is mala fide and unjustified. The union further wants to say that the suspended workmen are entitled to wages for the period during which they were suspended because the suspended order against them has been unconditionally withdrawn. With regard to the question of delay in the matter of departmental proceedings, the case of the Municipality is that after the settlement it has decided not to proceed with the charge-sheets or the departmental proceedings. In view of this decision there cannot be any question of delay in finalising the departmental proceeding. Of course, I appreciate the anxiety on the part of the workmen to see that the departmental proceedings are quickly disposed of. This question does not arise when I find that the Municipality had already decided not to proceed with the charge-sheeted persons any further. I am satisfied that the Municipality has dropped the proceedings. But the Municipality ought to have informed the workmen about its intention not to proceed with the proceedings.

With regard to the question of suspension it appears that as per agreement, Ext.1, the Municipality unequivocally and unambiguously without any condition whatsoever withdrew the order of suspension against the workmen in question. After this withdrawal of suspension order the charge-sheeted workmen should be deemed to be without suspension order after the service of the charge-sheet on them. It was taken by the parties that the charge-sheeted persons were not suspended. In these circumstances the inevitable conclusion would be that the charge-sheeted workmen will be entitled to their wages and other amenities for the period during which they were previously suspended. In fact, the Municipality gave no effect to the order of suspension according to the agreement. At the time of opening of the case Shri Bhanja Chowdhury stated that the order of suspension was withdrawn with effect from 10th March 1964 and, therefore, the workmen should be deemed to have been suspended up to the date of settlement. I cannot accept this contention. The language of the relevant term is as follows :

> "Municipal authorities will withdraw the order of suspension issued against all persons since the service of the strike notice."

As I have already stated, according to the terms mentioned, the Municipality withdrew the order of suspension without any condition whatsoever. Moreover, in the agreement there is no indication to hold that the charge-sheeted persons would remain suspended till

the date of the settlement and that after that date the suspension order was lifted. The word "withdraw" according to the Oxford Dictionary means to be away, remove or retract. The facts of this case clearly show that the parties intended that the order of suspension passed on the charge-sheeted persons would not be given effect to at all. I, therefore, find that the workmen mentioned in Issue No. 1 should be entitled to their due wages and other amenities during the period of their suspension, if not already paid to them. They should be treated as in active duty during that period. The dues must be paid to these workmen within a month from the date of publication of this award in the "Calcutta Gazette."

The reference is thus disposed of as indicated above.

Judge, Fourth Industrial Tribunal.

For the Company : Shri J. N. Chatterjee of Engineering Association of India.

For the Employees' Union. : Shri J. L. Banerjee, Advocate.

For the Workers' Union : Shri B. N. Ash, Advocate, in the absence of Shri Parimal Das Gupta, Advocate.

The instant reference under section 10 of the Industrial Disputes Act was originally sent to the First Industrial Tribunal, West Bengal, by the Government of West Bengal, Labour Department, order No. 1973-I.R./IR/11L-178/63, dated 29th May 1964. The parties to the dispute were Messrs. Blackwood Hodge India (P) Ltd., 139 Beliaghata Road, Calcutta-15, on the one hand, and their workmen represented by (i) Blackwood Hodge Workers' Union, 7/1 Sibtalla Lane, Calcutta-15 and (ii) Blackwood Hodge Employees' Union, 16/2 Sibtalla Lane, Calcutta-15, on the other. The issues or adjudication were as follows :

Issues

1. Leave and holidays.
2. Overtime allowance.

Subsequently, however, the Government by its Labour Department order No. 5006-I.R./IR/11L-174/65 dated 16th November 1965, transferred the said reference for disposal to this Tribunal. Another industrial dispute between the same parties was transferred to this Tribunal by the Government of West Bengal, Labour Department, order No. 5005-I.R./IR/11L/174/65, dated 16th November 1965, over some other issues. The present reference was heard analogously along with the last named reference on preliminary points on 6th July 1966, 8th July 1966 and 14th July 1966. At the time of argument, however, the learned lawyers for the workmen submitted that they were not pressing their claims in respect of the issues mentioned in the instant reference. In the circumstances, I find that there is at present no dispute over leave and holidays as well as overtime allowance mentioned in the schedule of reference. I, therefore, pass a 'no dispute' award.

Present :

Shri P. BASU, Bar-at-law, Judge.

The Government of West Bengal, by order No. 1666-I.R./IR/11L-135/66, dated the 28th April 1966, had referred the following industrial dispute between Messrs. Indian Oxygen Ltd., and their workmen represented by (1) Indoxco Workers' Union, and (2) All India Indian Oxygen and Acetylene Employees' Federation, to this Tribunal for adjudication

Issue

Bonus for the year 1964-65.

After the service of usual notice, the Unions appeared and had taken several dates for filing the written statement. The employer had also appeared through Shri J. N. Chatterjee and Shri A. C. Mazumdar. One of the reasons mentioned in the applications on behalf of the Unions was that the employers had made representation to the Central Government for referring the dispute to a National Tribunal. The order of the Central Government is dated 7th July 1966 by which the dispute as to the Bonus for 1964-65 had been referred to the National Tribunal at Bombay. Copies of the order had been sent to various places including this Tribunal. I have heard Shri Ram Sen, who had appeared for the Unions. It appears to me that in view of the subsequent reference by the Government of India under section 10(1A) of the Industrial Disputes Act, 1947, of the same dispute to the National Tribunal, the proceeding before this Tribunal in relation to the same dispute must be deemed to have been quashed on such reference to the National Tribunal by the Government of India. This Tribunal, therefore, in view of section 10(6)(a) of the Industrial Disputes Act, has no further jurisdiction to proceed with the reference made on 28th April 1966, which must be deemed to have been quashed.

The reference is, therefore, quashed and disposed of accordingly.

Maya Batteries, 3 Jadulal Mullick Road, Calcutta-6 and their workmen Shri Murlidhar Misra, C/o Ananda Prosad Tiwari, 36 Kalikrishna Tagore Street, Calcutta-7, regarding the issue mentioned in the said order being a matter specified in the second schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Third Industrial Tribunal;

AWARD

By order No. 2654-IR/IR/1L-256/66, dated the 5th July 1966, the Government of West Bengal, in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947 the industrial dispute between Messrs. Maya Batteries, 3 Jadulal Mallick Road, Calcutta-6 and their workman Shri Murlidhar Misra, C/o Ananda Prosad Tiwari, 36 Kalikrishna Tagore Street, Calcutta-7, regarding the matters specified in the schedule, to the Third Industrial Tribunal, constituted under section 7A of the Industrial Disputes Act, 1947, by notification No. 808-IR/IR/3A-2/57, dated the 11th March 1957, for adjudication.

Issue

Whether termination of services of Shri Murlidhar Misra is justified? What relief if any, is he entitled to?

On receipt of the case, usual notices were issued on the parties fixing 1st August 1966 for appearance as also for filing of written statement by the workman.

The Proprietor of the company Shri Madan Lal Bhageria as also the concerned worker Murlidhar Misra, appeared before this Tribunal on 1st August 1966 and Shri Misra filed a petition stating that he does not want to proceed with the case. Shri Murlidhar Misra who was identified before this Tribunal by Shri Madan Lal Bhageria, was heard on the petition and I have no doubt as to the bona fide of the petition. As the concerned workman has in his petition, dated 1st August 1966, as also in his submission before this Tribunal, stated that he does not want to proceed with the case a "no dispute" award is passed.

This is my award.

By order No. 457-I.R./IR/11L-3/66, dated Calcutta, the 5th February 1966, Government of West Bengal, in the Labour Department, referred an industrial dispute between Messrs. R. R. Brothers Private Ltd., and their workmen represented by Dokan Sramik Union for adjudication to this Tribunal on the following issue :

Issue

Whether the termination of employment of Shri Atindra Lal Saha is justified? To what relief, if any, is he entitled?

After receipt of the reference notices were issued and duly served upon the employer and the Union. The employer did not enter appearance but the Union appeared and prayed time to file written statement. Ultimately no written statement was filed by the Union and both parties continued to absent themselves without any sufficient cause. In the absence of any satisfactory cause being shown by either of the parties, the Tribunal proceeds under rule 22 of the Rules on the footing that

the industrial dispute under reference is no longer in existence. In the circumstances let a "no disdpute" award be made.

On receipt of the reference, usual notices were issued on the parties and they appeared and filed their written statements.

Thereafter parties filed the documents and the case was fixed for hearing on 23rd July 1966. On that date the Lawyers submitted that talks of compromise were going on and prayed for an adjournment for effecting compromise. The case was accordingly adjourned till this date (30th July 1966) for hearing, in default of compromise. When the case was taken up for hearing today the parties filed a joint petition, stating that the dispute referred to this Tribunal for adjudication has been settled on terms embodied in the separate sheets annexed to the petition. The joint petition was signed by Shri Arun Kumar Halder, Officiating Works Manager of the Company and Shri Sunil Gupta, General Secretary of the Union.

I have considered the terms and also heard the Lawyers on the petition. The terms appear to me fair and reasonable and I am satisfied that the parties have settled the disputes on terms mentioned in the sheets annexed to the petition. Accordingly a compromise award on the terms be passed in the case.

The joint petition together with the sheets containing in the terms be made part of the award.

AWARD

The Government of West Bengal, by order No. 2133-I.R./IR/8L-21/65, dated the 14th June 1966, had referred the following industrial dispute between Messrs. Purbachal Weaving Co-operative Society Limited, P.O. Sukchar, 24-Parganas, and their workmen represented by Panihati Municipal Powerloom Workers' Union, Mahesh Banerjee Road, P.O. Panihati, 24-Parganas, to this Tribunal for adjudication.

Issue

Is the management justified in terminating the services of Sarvashri Sindhu Naik and Rameswar Das? To what relief, if any, are they entitled?

After the service of usual notice, the employer had put in the written statement at first as directed and thereafter, the workmen represented by the union, had submitted their written statement.

In the written statement submitted on behalf of the employer, two preliminary objections had been taken. In the first place, it is said that there was no industrial dispute, and there was also no apprehension of an industrial dispute and therefore, the reference is without jurisdiction and illegal. In the next place, it is said that the employer is registered under the Co-operative Societies Act and employs less than 50 workers and the jurisdiction of this Tribunal to entertain the alleged dispute is barred under section 86 and section 133 of the Co-operative Societies Act. With regard to the merits, it has been stated that the employer wanted to raise the height of shed No. 1 of the Society for increasing the space with a view to higher production, and therefore, it issued notice, dated 10th November 1964, intimating the workers that the work in that shift will remain suspended till the construction of that shed is complete, and thereafter, the work would be resumed. The Society had granted leave to those to whom leave was due and in respect of the other persons who had no leave due, the Society had asked them to resume their duties as soon as the work was resumed after the construction of the shed. Afterwards, the workers of shed No. 1 used to go from time to time and they had been intimated verbally that the work in that shed would be resumed with effect from 21st December 1964. The two concerned workmen, however, never came and enquired, though their residence is nearest to the factory. In the circumstances, the Society had given those persons written notices on 19th December 1964 asking them to join. They, however, did not join on 21st December 1964 and the Society gave fresh notice on 24th December 1964 asking them to join work. In spite of the second notice, these two workmen did not join. The Society therefore had no other alternative but to issue notices on 31st December 1964 terminating their services. It is further stated that the union has no justification in espousing the cause of these two workmen, that the working of the factory is going on peacefully, that out of the 6 workers who complained, all the workers excepting the two concerned workmen, had resumed their duties and that there is no industrial dispute at all. In the circumstances, it is said that the two concerned workmen are not entitled to get any relief.

In the written statement submitted on behalf of the union, it is said that the Society which is registered under the Bengal Co-operative Societies Act, employs more than 50 workmen in the Powerloom factory at Sukchar, P O Sukchar, in the district of 24-Parganas, and that it mainly manufactures cotton fabrics, viz., dhoti, sharies, shirtings, etc The Society, however, did not allow the workmen to organise themselves in a trade union organisation, and it does not grant workmen statutory rights, facilities and amenities and indulges

in unfair labour practice and victimisation. Therefore the workmen had formed the trade union called the Panihati Municipal Powerloom Workers' Union and Shri Sindhu Naik was one of the promoters of that union. Shri Naik had made representation to the authorities regarding the genuine grievances of the workmen and is a Secretary of the Purbachal Unit. He had, therefore, incurred the displeasure of the Society. Shri Rameswar Das joined the Society later and subsequently became the member of the union. He had helped Shri Naik in discharging his duties regarding the union. It is not disputed that in or about November 1964, the Society wanted to raise the height of a shed of the factory, and in order to facilitate the said construction the Society issued the notice intimating the workmen that they are to go on forced leave for an unlimited period witout clarifying the nature and condition of service and the wages for the period of such leave. The union had made written representation to the Regional Labour Directorate, Barrackpore, against the action of the authority. The union claim that the workmen should be paid full wages for the period of forced unemployment. The conciliation proceeding started in the office of the Conciliation Officer, Barrackpore; in the meantime, the construction of work of the factory for raising the height was completed in a few weeks. While the construction work was going on, the workmen including the two concerned workmen visited the factory and enquired as to when the work would be resumed. The Society, however, did not give any general notice or any intimation to the workmen that the work would be resumed from 21st December 1964. The service of the alleged notice, dated 19th December 1964 and 24th December 1964, is denied and it is said that Sarvashri Naik, Das, Dibakar Behara, P. Gouri, Behar and Banamali Prodhan had approached the management every day up to 28th December 1964 but they were not allowed to resume their duties by the Society. The work started in full swing from 29th December 1964 and the Socity engaged new workers after refusing to employ the old and permanent workers. The workers who were working from before had not been asked to show cause for the alleged abstention from duty and there has been no enquiry at all. The principles of natural justice have therefore been violated. Before, 28th December 1964, the letter of complaint, dated 23rd December 1964, was sent by the union to the Honorary Secretary to the Society by Registered Post with Acknowledgement Due requesting him to allow Shri Naik and others to resume their duties. That letter was not accepted and came back with the endorsement 'refused'. The reason for refusal is the alleged mistake in the name of the factory. On 28th December 1964 a joint petition was also submitted to the Secretary by the workmen in respect of the assault on Appa Rao by the jobber and in that matter, Shri Naik and Shri Das took a leading part. Subsequently, on 29th December 1964 Shri Naik and 5 others sent a representation to the Society by registered post with A/D claiming that the work should be given to them. This letter was also returned with the remark 'not claimed'. With regard to the notice, dated 31st December 1964, it is said that no such notice has been received. Subsequently, on 2nd January 1965, a written representation was made to the Assistant Labour Commissioner, Barrackpore, requesting intervention in the matter. There had been conciliation proceedings afterwards, but due to the adamant attitude of the employer, the proceedings failed. With regard to preliminary objections on behalf of the employer, it is said that the order of reference is perfectly valid in law, that there is really an industrial dispute and the cause of the workmen had been espoused by the union. It is also stated that sections 86 and 133 of the Bengal Co-operative Societies Act have no application and cannot bar the adjudication of the present industrial dispute. The present dispute is not a dispute as contemplated in section 86 and section 133 of the Bengal Co-operative Societies Act. As the action of the management in terminating the services of Shri Naik and Shri Das is not bona fide, and is a clear case of victimisation, the workmen concerned are entitled to reinstatement with all back

Decision

I shall first of all consider regarding the preliminary objections that this Tribunal has no jurisdiction to decide the alleged dispute in view of the provisions of section 86 and section 133 of the Bengal Co-operative Societies Act, 1940 (Bengal Act XXI of 1940). The Act has subsequently been amended by the Bengal Co-operative Societies Amended Act, 1965 (West Bengal Act XXXVI of 1965), which came into force on 25th February 1966. I shall later on refer to the provisons of the Amending Act of 1965. Section 86 of the Act, 1940, is as follows:

"any dispute touching the business of a Co-operative Society (other than a dispute regarding disciplinary action taken by a Society or its managing committee against a paid servant of the Society) or of the liquidator of a Society shall refer to the Registrar if the parties thereto are among the following, viz.,—

(a) The Society, its managing committee, any past or present officer, agent or servant or the liquidator of the society; or

(b) the member, past member or person claiming through a member, past member or deceased member of the Society; or

(c) the surety of a member, past member or deceased member of the society, whether such surety is or is not a member of the society; or

(d) any other Co-operative Society or the liquidator of such society."

The expression "dispute" has been defined in section 2(j) of Act of 1940, to mean any matter capable of being the subject of civil litigation, and includes a claim in respect of any sum payable to or by a Co-operative Society. Section 133 provides as follows:

"(1) Save as provided in this Act, no Civil or Revenue Court shall have any jurisdiction in respect of—

(a) the registration of a co-operative society or its by-laws or of an amendment of its by-laws; or

(b) the dissolution of a managing committee and the management of the society on dissolution thereof; or

(c) any dispute required under section 86 to be referred to the Registrar; or

(d) any matter concerned with the winding up and dissolution of a co-operative society."

Therefore, these provisions show that only where there is a dispute touching the business of a co-opertive society in the sense of definition of 'dispute' in section 2(j) that the dispute is to be referred to the Registrar who is to deal wih the matter of dispute as provided in section 87 of the Act. Now, the alleged wrongful termination of service of the employees of the co-operative societies cannot be regarded to be a matter capable of being the subject of civil litigation and cannot also be regarded as claim in respect of any sum payable to or by a co-operative society. In this connection, I would refer to the ruling reported in 52 C.W.N. 405= 1958 (II) L.L.J., 61 (Co-operative Milk Society Union vs. State of West Bengal). In that case it was held that the dispute between a co-operative society and its workmen does not relate to the actual business of a co-operative society, and therefore, does not touch the business of the co-operative society and that the claim for fixing wages and wage-scales generally and D.A. is not a matter capable of being the subject of civil litigation and is also not a claim in respect of any sum payable. It appears that this ruling has been followed in the ruling reported in 1960 (II) L.L.J., 693 (South Arcot Co-operative Motor Transport Society Ltd. vs. Syed Batcha) In that case, the provisions of section 51 of the Madras Co-operative Societies Act, 1932, felt to be considered and his Lordship of the Madras High Court had followed the ruling reported in 1953 (II) L.L.J., 61. The provisions of section 51 of the Madras Act are the same as the provisions of section 86 of the Bengal Co-operative Societies Act, 1940. These two cases has also been followed in the case reported in 1964 (I) L.L.J., 557 (Malabar Co-operative Central Bank Ltd., Kazbikoda vs. State of Kerala). It was held that section 51 of the Madras Act is no bar to the adjudication of the dispute regarding the wage rates, etc. Reference has also been made to the ruling reported in 1964 (I) L.L.J., 307 (Postal and R.M.S. Co-operative Thrift and Credit Society vs. their workmen). It was pointed out in that case that the previus Co-operative Societies Act of Punjab was the Act XXIV of 1955 and that it has been holdin A.I.R.,1959 Punjab 34 (Jullundur Transport Co-operative Society vs. Punjab State) that the dispute is covered by section 10 of the Industrial Disputes Act, 1947. It was also pointed out that the later Act being Act XXV of 1961 had come into force on 20th October 1961 and that section 55 of the later Co-operative SocietiesAct does not apply to pending industrial dispute before the Labour Court. Incidentally it was observed by their Lordships that the Tribunal cannot be regarded to be a court, and therefore, the provision of section 55 of the Act does not apply to bar the entertainment of the dispute by the labour court. Before I proceed further, I would also point out that I do not see how the bar of section 133 of the Bengal Co-operative Societies Act, 1940, can be applied to proceeding before an industrial tribunal, because industrial tribunal cannot be regarded to be either a civil court, or a revenue court. Lastly, I would refer to the ruling reported in 1966 (I) L.L.J., 90 (Rambhau vs. Vinkur Co-operative Society). There certain provisions including the provision of section 91(1) of the Maharastra Co operative Societies Act, were considered. In section 91(1) of that Act, there was a non-obstante clause. In respect of that clause, it was held by his Lordship of the Bombay High Court that the industrial dispute as to service conditions and as to reinstatement is not within section 91(1) of the Maharastra Act. It, therefore, appears to me that the dispute regarding the alleged illegal termination of two employees of the Co-operative society could not have been referred to the Registrar of the co-operative society under section 86 of the Bengal Co-operative Societies Act, 1940. The learned Advocate Shri Janardhan Chakraborty appearing for the employer had, however, referred to the amendment of the Bengal Co-operative Societies Act, by the Act of 1965. As this Amending Act came into force long after the reference to this Tribunal on 14th June 1965, I do not see how the provisions of the Amending Act can be invoked to bar the adjudication of the dispute by this Tribunal. Shri Chakraborty, however, had pointed out that section 86 of the Act of 1940 has been amended by substituting the words "touching the business" by the words "relating to the affairs". This is undoubtedly so, but I do not see that there is really any material difference between the two expressions which I have motioned above. Shri Chakraborty also could not point out to any material difference between the two expressions. Shri Chakraborty also pointed out that after section 133 of of Act of 1940, section 133A had been inserted and that there is a provision for a co-operative tribunal for hearing appeals against orders made under this Act, as are specified in the fourth schedule. Evidently the Tribunal is to hear appeal against the orders passed under the Co-operative Societies Act. Now, in the fourth schedule of the Co-operative Societies Act, 1940, it has been, inter alia, provided that appeal lies to the Provincial Government in respect of any order, decision or award of the Registrar under section 87 or 88 of the Act. By the Amending Act, it has been provided that the appeal would lie to the Co-operative Tribunal and until the Tribunal is constituted by the State Government, the appeal would lie to the State Government. I do not see how the matter can at all go to the Co-opeative Tribunal if initially the Registrar of the Co-operative Society could not have decided the dispute regarding the alleged wrongful and illegal termination of the services of the employees of the Society. I have therefore come to the conclusion that this Tribunal is not debarred by the provisions of sections 86 and 133 of the Co-operative Societies Act from adjudicating on the alleged dispute regarding the termination of service of the two concerned workmen.

Regarding the other preliminary objection, namely, that there was no industrial dispute, I do not think that the submission of Shri Chakraborty can be accepted. There had been several Supreme Court Decisions and it appears to me that it is unnecessary to refer to all of them. It would be sufficient to refer to the ruling reported in A.I.R., 1960 S.C., 777=1960 (I) L.L.J., 491 (Associated Cement Co., Ltd., vs. their workmen). In that case, it has been held that an individual dispute is not an industrial dispute, but may become one if it is sponsored by the union or supported by any group of workmen. In the case reported in A.I.R., 1960 S.C., 304=1961(I) L.L.J., 334 (Newspaper Ltd. vs. U.P. State Industrial Tribunal), it has been held that a dispute becomes an industrial dispute even when it is sponsored by a union which is not registered and when the dispute raised is by only some of its workmen.

I shall now proceed to discuss the facts and circumstances of the present case bearing on this matter. The Panihati Municipal Powerloom Workers' Union had submitted the application for registration on 21st August 1961 (Ext. 4). Ext. 5 shows that it has been registered under the Indian Trade Union Act, 1926 of 30th November 1961, the registration number being 5392. Ext. 6 are the rules and constitution of the Panihati Municipal Powerloom Workers' Union. Before I proceed to discuss the other evidence, I shall consider the submission of Shri Chakraborty that originally the Purbachal Weaving Co-operative Society Ltd., was not mentioned in the last page of Ext. 6. Shri Chakraborty has pointed out that the seal of the Registrar of the Trade Unions has been given in every page of Ext. 6 excepting the last page where the name of the Purbachal Weaving Co-operative Society Ltd., appears. His submission was that this page has been subsequently inserted in Ext. 6. In order to meet this objection on the part of the employer, Shri Srimani wanted me to call for the file from the Registrar of Trade Unions in order to show that along with the application for registration under the Indian Trade Union Act, the rules and constitution including the last page, was submitted to the Registrar of the Trade Unions. I do not think that it was necessary, and therefore, I had refused that prayer of Shri Srimani. It will appear from the other evidence that actually the union had been functioning from somtime in 1961 and had enrolled the employees of the Society as members of the union. If in the constitution, the name of the Society did not appear as suggested by Shri Chakaborty, I do not see how the union had continued to function and to enrol the employees of the Society as its members. It appears to me to be more probable that through mistake the seal of the Registrar of the Trade Unions was not affixed to the last page of Ext. 6. Ext. 7 is the register of membership and shows that the members are being enrolled from July 1961, that Shri Sindhu Naik became a member of the union in July 1961 and that Rameswar Das became a member of the union from November 1963. Therefore, long before the dispute arose, the employees of the Society had become members of the Panihati Municipal Powerloom Workers' Union. It also appears from Ext. 8, dated, 1st November 1964, that the charter of demands had been presented to the Manager of the Society. Ext. 9, dated 12th December 1964,is the letter of complaint to the Assistant Labour Commissioner by the Secretary of the union regarding the non-starting of the factory, and also regarding the non-payment of the wages during the period of the forced leave. A copy of this letter was given to the Secretary of the Society (Ext. 9b). Ext. 9a shows the receipt of this letter by the Assistant Labour Commissioner from the Secretary, Panihati Municipal Powerloom Workers' Union. Even after the alleged termination of services, the comment of the employer had been forwarded to the Secretary of the union (Ext. 10). Ext. 11 is the reply of the union stating, inter alia, that the union has the legal right to represent in the dispute as empowered by the registered constitution of the workmen before the Labour Officer. Ext. 12 is a letter to the Secretary of the Society, dated 23rd December 1964, stating that no work had been given to Sindhu Naik, Rameswar Das and others, although they had been presenting themselves for work since 1st December 1964. This latter has been refused by the Society (Ext. 12b). Ext. 13 is another letter, dated 31st December 1964, signed by several workman regarding the alleged wrongful termination of service of Shri Sindhu Naik and others. Ext. 14, dated 2nd January 1964, shows that the union Secretary had raised the dispute before the Assisant Labour Commissioner, Barrackpore, regarding the refusal of employment of Shri Sindhu Naik, Shri Das and others. Ext. 15 to Ext. 15C are the letters regarding the joint conference in respect of the grievances of the workmen and also in respect of the non-employment of Sindhu Naik and five others. Apart from this, there is also the evidence of P.W.1 Shri Sunil Kumar Mallick who is the Secretary of the Society, that the Society had received some letters fom the Panihati Municipal Powerloom Workers Union. He is, however, unable to say whether there is any existence of any such union. It would appear that out of the 6 employees who were not given employment after the shed was constructed, the management had given employment to 4 others during the course of the conciliation proceeding. It further appears from his evidence that the charter of demands was received by P.W.1 from the union through the Labour Commissioner before the incident. Shri Chakraborty had pointed out that there is no signature of Sindhu Naik as the Secretary of the Branch Committee of the Purbachal Unit. His suggestion, however, that in the khata the names have been subsequently included, cannot be accepted. I cannot also accept his suggestion that the letter (Ext. 12) was never received by the Society. That letter was sent by registered post and even P.W.1 had said that he cannot remember if the letter was offered to him, and he had refused to accept it. Shri Chakraborty had also pointed out that the applications for membership which are in the union office, had not been produced. It is true that those application had not been produced, but in view of the evidence and facts and circumstances which I have mentioned above, I do not think that the non-production of the applications for membership, really shows either that there was no union or that the employees of the Society are not members of that union. I have therefore come to the conclusion that the cause of the two concerned workman, were espoused by the union and that the dispute is really an industrial dispute and the industrial dispute was in existence at the time of reference to this Tribunal by the Government of West Bengal. The contention, therefore, that there was no industrial dispute, and therefore, this Tribunal has no jurisdiction to adjudicate, cannot, therefore, be accepted.

I shall now turn to discuss the merits. It is undisputed that while the two concerned workmen and others were working in shed No.1, the Society gave the notice, dated 8th/10th November 1964 (Ext. A on admission). That notice shows that in order to raise the height of the shed and to instal a spring, the work in shed No. 1 would remain suspended from 11th November 1964. The permanent employees were to be given leave wages. Ext. B is the letter by the union, dated 14th November 1964, addressed to the Secretary of the Society. After referring to the notices, dated 10th November 1964, it is said that in the notice, the probable period of rebuilding has not been mentioned and that the workmen had been given forced leave without stating what would be the nature and character of the leave and what should be period of the leave. Ext. C is the reply of the Society to the letter of the Labour Officer, dated 3rd December 1964, enclosing the copy of the letter received from the union. It is stated, inter alia, that the management offered workers leave benefit for the period the shed

was under construction and the management has gradually taken back all workers rendered idle on account of the construction of the shed and will take back others, except those who have left employment, inspite of the notices, of their own accord. Even in this letter, the period of leave and the question of leave wages had been left unanswered. It appears to me that the employer should have definitely stated about the period of leave and about the wages which the workmen would be entitled to get during the period of forced leave. As this matter, however, is not before me, I need not discuss the question any further. As the period during which the work would remain suspended due to the construction of the shed was uncertain, the management should have given a general notice after the completion of the shed. No such general notice was, however, given by the management. It is, however, the case of the management that the workmen used to come from time to time to make enquiries as to when the work would start. The evidence of P.W.1 is that on or about 19th or 20th December, 1964, the workers came for the purpose of drawing their wages, and that he had informed them that the work will start from 24th December 1964. This fact, however, does not appear from the written statement of the employer. On the other hand, it appears from paragraph 4(b) of the written statement of the employer that the workmen were verbally intimated by the Society that the work would be resumed from 21st December 1964. I have already discussed Ext. 12 in which the complaint was made that though the factory resumed on 21st December 1964 and thought no notice has been served to that effect, the Society did not provide work to Shri Sindhu Naik and Rameshwar Das and others. It, therefore, appears that the evidence of P.W.1 that he had verbally intimated the workmen that the work was to re-start with effect from 24th December 1964, cannot be accepted.

It appears to me that the work re-started on 21st December 1964, but the management did not give any notice to the workmen to appear and join their duties. However, it has been urged on behalf of the employer that even though, no general notice might have been given by the employer, special notice had been given to the two concerned workmen. My attention has been drawn to Exts. D and E. Ext. D is only one copy of the alleged notice. There is no explanation why the other copy of the notice has not been produced. Ext. D-1 is the certificate of posting which shows the names of both Shri Naik and Shri Das. What I have stated with regard to Ext. D also applies to Ext. E. The evidence of Shri Mallick is that he had posted the letters himelf. This appears to be hardly likely in view of the fact that there are peons employed by the society. I cannot believe the evidence of P.W.1 that he himself had posted those letters. It appears from the evidence of O.P.Ws 2 and 3 that they had never received such letter. There is no sufficient reason why the employees would not go for the purpose of working after they had really received the notices asking them to join their duties. The evidence of O.P.Ws. 2 and 3 would show that they had been asking enquiries from time to time as to when they can resume their duties. The evidence of O.P.Ws. 2 and 3 further shows that they had gone to the Secretary of the Society for complaining against the assault of a workman by the jobber or mistry. There is documentary evidence in support of is evidence. It is not disputed that a complaint was really made regarding this assualt. Even on 23rd December 1964 the workmen were not informed that the work had started and that they are to join their duties immediately. It also appears from the evidence of P.W.1 that the pay days are on the 10th and 25th of a month. It is therefore only likely that the workmen had gone at least on 25th December 1964. I am satisfied from the facts and circumstances that actually the workmen had been regularly presenting themselves but they were refused employment by the employer. It remains for me now to consider the final notice of termination (Ext. T). The only reason for termination is that the two concerned workmen were not interested in the work. In fact, they were eager to resume their duties and when they found that the employer was not gving them work, even after the completion of the shed, they had raised the dispute. It is not disputed that no charge-sheet was issued to the concerned workmen for the continued absence for about 10 days and there had been no enquiry. It is quite true that there is no standing order or service rules, but as the number of the employees exceeds 25, the model standing order would apply, and the employer was bound to issue charge-sheet and hold enquiry before passing the order of dismissal. It is undisputed that this has not been done. I have therefore come to the conclusion that really because of the union activities of Shri Naik and Shri Das, they had been victimised by the employer. The allegation that these two concerned workmen were not interested in their work and had left the job of their own accord, has not been substantiated by any cogent and reliable evidence. I hold, therefore, that the termination of employment of the two concerned workmen is unjustified and illegal and that these two concerned workmen are entitled to reinstatement in service with full back wages for the period of forced unemployment. The employer is directed to reinstate in service the concerned two workmen with continuity of service and full back wages for the period of forced unemployment within one month of the date of the publication of the award in the "Calcutta Gazette".

This is my award.

ANNEXURE

In the matter of an Industrial Dispute between Messrs. Chandidas Chitra Mandir, Cinema Road, P.O. and district Bankura and their workmen represented by the Bengal Motion Picture Employees' Union, Bankura Branch, C/o. Dr. Abani Bhattacharyya, M.L.A., P.O. and district Bankura (Case No. VIII-56/1965.)

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present:

Shri S. K. BHATTACHARJEE, Presiding Officer, Second Industrial Tribunal.

By order No. 1014-I.R./IR/11L-370/64, dated Calcutta, the 10th March 1965, Government of West Bengal, in the Labour Department, referred an industrial dispute between Messrs. Chandidas Chitra Mandir and their workmen represented by the Bengal Motion Picture Employees' Union, Bankura Branch, to this Tribunal for adjudication on the following issue.

Issue

Whether the termination of services of Shri Gopal Kalindi and Shri Gokul Kalindi is justified? To what relief, if any, are these workmen entitled?

After receipt of reference notices were issued upon both parties and both parties entered appearances and filed respective written statements. Subsequently both parties filed a joint petition stating that they have settled the dispute outside the Tribunal and neither party have any claim against the other on any account whatsoever. Both parties accordingly prayed for disposal of the reference. The petition was signed by Nimai Chandra Dutta, one of the partners of the company and by Shibnath Chatterjee, Secretary of the Union in presence of two witnesses. There is no reason why the petition should not be accepted. In view of the joint petition filed, I make a 'no dispute' award in this case.

PUBLIC SERVICE COMMISSION, WEST BENGAL

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. This concession in age shall remain in force up to December 31, 1967.

The bona fide of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part 1, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying, he will be eligible to the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the Officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Instructions regarding submission of application

(3) Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed (not handwritten) form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 1st September 1959, provided the blanks are filled up in the candidates' own handwriting.

Particulars and certificates required

(4) Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

The Commission accepts only the age of a candidate as recorded in the Matriculation or the Secondary School Final/Leaving Certificate. In the case of a female candidate whose age is not recorded in the Matriculation or School Final Certificate, any of the following evidence of age is accepted by the Commission:

(1) A certificate from the Headmistress of the School, which she last attended, showing her exact age as recorded in the school register.

(2) An affidavit regarding her age sworn by her father or mother or some other person in a position to know by having been present or heard of her birth at the time of occurrence.

(3) A certificate regarding her age, from a Member of the Legislature or a gazetted officer, who must have known the candidate and her family, indicating clearly the evidence on the basis of which he/she satisfied himself/herself on the point.

Fee

(5) Candidates must enclose with their applications a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal Order, however, may be accepted from candidates. They should be crossed and made payable to "The Deputy Secretary, Public Service Commission, West Bengal". No application will be considered unless accompanied with the requisite application fee, except as provided below.

Candidates abroad may deposit their application fees with the High Commission of India or the Embassy, as the case may be, and obtain receipts for the same, which will have to be attached to their applications to be submitted to the Commission.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

In no case will the fee paid with the application be refunded, except as provided below.

The Commission may remit application fee in respect of genuinely indigent displaced persons from East Pakistan who have migrated to India on or after January 1, 1964. This concession in fee shall remain in force up to December 31, 1967.

A candidate claiming such exemption must furnish besides evidence required under para (1)(c) above, a certificate (in original) from a District Magistrate or a Gazetted Officer or a Member of Parliament or State Legislature to show that he is not in a position to pay the prescribed fee

For a gazetted post, an indigent displaced person shall, in the first instance, pay the prescribed application fee, but if he/she is selected for and appears at the interview, the fee paid by him/her will be refunded afterwards. For a non-gazetted post, such candidates will not be required to pay the application fee.

Note: A member of the Scheduled Caste or Scheduled Tribe claiming age concession must furnish with his application a certificate in original from a Gazetted Officer or a Member of Parliament or State Legislature belonging to the Scheduled Caste or Scheduled Tribe, specifying the particular caste or tribe to which he claims to belong.

Address

(6) Candidates should give their present address and should communicate at once any subsequent change of address.

Canvassing

(7) Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendations from person interested in the candidates or otherwise known to them will be disregarded.

Forwarding of applications and submission of advance copies

(8) Applications from candidates who are in permanent or temporary employment under any Government, a Local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are hubmitted through the appointing authority of their posts or service.

Candidates serving under Government or a Local or Statutory Body should submit an advance copy in the prescribed form. The application fee should in such cases be attached to the advance copy and not to the original. The candidature of such applicants may not however be considered if the original applications do not reach the Commission's office within a fortnight from the closing date. Unless applications in original or advance copies with application fees are received within the closing date, late applications may be rejected.

During 12 years of its operation the Corporation sanctioned pari passu loans of Rs. 74·70 lacs jointly with other financial institutions in 7 cases. It was only during the 3rd Five-Year Plan period that the Corporation agreed to underwrite shares/debentures of the aggregate amount of Rs. 64 lacs for 11 concerns when the Corporation with its sound financial footing gained by several years of operation decided to spread out its activities in other direction than merely granting loans.

The commitments of the Corporation in respect of loans sanctioned since its inception up to the 31st March 1966 were as follows :—

Total loans sanctioned		Rs.	12,03,67,000
Amount disbursed	Rs. 7,43,60,253		..
Loans declined by the applicants or not made available for one reason or another.	Rs. 2,10,09,747	Rs.	9,53,70,000

During the year under review the Corporation disbursed a sum of Rs. 1,36,88,000 which included Rs. 22,33,000 to meet the underwriting commitments as against the aggregate disbursement of Rs. 1,39,63,000 in 1964-65 which included Rs. 3,53,000 by way of meeting underwriting commitments. There is still a wide gap between the sanction and disbursement due mainly to the prospective borrowers' inability to complete formalities in time and the Corporation is seeking their co-opeartion in increased measure in reducing the gap.

Appendices A, B and C show the industrywise classification of advances granted by the Corporation.

Processing of applications :

50 applications were received during the year for Rs. 2,59,90,000 while 21 applications for Rs. 1,18,42,000 were pending at the beginning of the year making a total of Rs. 3,78,32,000. Of these, applications for Rs. 91,14,000 were withdrawn and those for Rs. 22,76,000 did not meet with Corporation's statutory requirements. The Corporation could thus dispose of all applications pending at the commencement of the year and sanctioned 48 applications for Rs. 1,96,37,000 leaving 11 applications for Rs. 68,05,000 pending at the end of the year. The Corporation has yet to disburse funds to the extent of Rs. 2,49,97,000. The Corporation received 28 applications from small industries of the aggregate value of Rs. 35·15 lacs as against 19 such applications in previous year for the aggregate value of Rs. 32·10 lacs. It sanctioned 19 applications for the total amount of Rs. 20·89 lacs in 1965/66 as against 13 applications of the total amount of Rs. 17·75 lacs in previous year. Three applications were carried over to the next year 1966-67.

Resources :

The Corporation issued bonds in May 1965 for Rs. 1 crore bearing interest at 5½ per cent. and maturing in 1977. The Corporation's working funds now comprise Rs. 1 crore in paid-up capital, Rs. 4·04 crores obtained by issue of bonds, Rs. 1·06 crores by borrowings from Industrial Development Bank of India making Rs. 6·10 crores in all against which a sum of Rs. 5·76 crores was outstanding on the date of the balance sheet in the form of loans granted. Adequate resources are required to meet the growing demands for financial assistance. We are utilising the refinance facility from IDBI as much as we can. We borrow from the Reserve Bank of India temporarily against ad hoc bonds and we have received consent from the State Government to issue share capital of Rs. 1 crore. Details are still being worked out with them. The State Government have also given their consent to guarantee acceptance of deposits by the Corporation and details are now being considered. We also expect repayment on average of Rs. 40 lacs a year. We do not, therefore, expect any serious difficulty on account of resources during the ensuring year.

Underwriting business :

In the field of underwriting shares and debentures of public companies the Corporation had so far agreed to underwrite the shares and/or debentures to the extent of Rs. 64 lacs for 11 concerns. It had to take up shares and debentures of Rs. 38·16 lacs in discharge of its obligations out of which it could dispose of debentures worth Rs. 10 lacs leaving shares worth Rs. 28·16 lacs in its investment portfolio in respect of six issues. In this field the Corporation has a limited scope of activity and the investments so far made have been spread in such a manner that in this promotional activity the Corporation could associate itself with good basic projects which would create employment of 5,800 people in the State with a productive capacity of Rs. 22 crores.

Liberalisation of terms:

(a) The Corporation has taken a decision to advance up to Rs. 50,000 to deserving parties against hypothecation of machinery with a shortest possible time to enable the small industries to acquire new machinery to cope with the increased demand of their products or to replace worn out machinery to achieve quality product with higher productivity.

(b) In the matter of disbursement of funds the Corporation decided to take into account the margin or advance payments made towards procuration of machinery, the expenses incurred towards purchase of materials required for the construction of buildings and also the technical know-how, documentation fees that are required to be spent on a project after they are properly accounted for.

Auditors :

As required under sub-section (1) of section 37 of the State Financial Corporations Act, 1951, the accounts of the Corporation for the year under review have been audited by two auditors, one appointed by the State Government, Messrs. D. P. Chatterjee & Co. and the other, Messrs. S. K. Bhattacharya & Co., elected by shareholders other than the State Government and the Reserve Bank of India. An auditor for the year ending the 31st March 1967 under the former category will be appointed by the State Government at the appropriate time while an auditor for the same period under the latter category will be elected at the twelfth annual general meeting. In terms of sub-section (6) of section 37 of the Act, our accounts for the year ended the 31st March 1965 were also audited by the Comptroller and Auditor-General of India and such audit for the year ended the 31st March 1966 is expected to be taken up shortly.

Appreciation :

The Board wish to place on record their appreciation of the co-operation and assistance received from the Department of Commerce and Industry, Government of West Bengal, the Reserve Bank of India and the Industrial Development Bank of India. The Board also thank the technical advisers for the able and objective assistance they gave to the Corporation during the year. The Board also appreciate the work done by the Officers and staff of the Corporation during the period under review.

By order of the Board,
G. BASU,
Chairman.

And whereas the said Fourth Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an Industrial dispute between Messrs. Hind Overseas (P) Ltd., 4 Bhujangadhar Road, Partrapara, Liluah, Howrah and their workmen represented by the National Union of Engineering Workers, 7-B Rani Rashmoni Road, Calcutta-13. (G.O.No. 3086-IR, dated 8th July 1965). (VIII-175/65.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL, CALCUTTA.

Present :

Shri R. BHATTACHARYA, M.A. LL.B, Judge,

Fourth Industrial Tribunal.

For the Union : Shri Kali Chakraborty.

For the Company : Shri K. K. Moitra, Advocate.

This is a reference under section 10 of the Industrial Disputes Act. The parties are Messrs. Hind Overseas (P) Ltd. (hereinafter described as the Company), 4 Bhujangadhar Road, Partrapara, Liluah, Howrah, and their workmen represented by the National Union of Engineering Workers (hereinafter described as the Union), 7-B Rani Rashmoni Road, Calcutta-13. The issue for adjudication is as follows :

Issue

Whether the termination of service of Sarbashr Ramrup Harizan, Ramsurat, Jag Chowdhury, Subedar Shaw, Harihar and Ram Chandra is justified? To what relief, if any, are they entitled?

The parties after due service of notice submitted their claims in writing. Before the hearing, however, two applications were filed—one bearing the thumb impression of Ramsurat and the other contained th

thumb impression of Subedar Shaw. In these two petitions these two persons mentioned in the order of reference wanted to say that the disputes between them and the company have been amicably settled. Another letter bearing the thumb impression of Ram Chandra was filed. It says that Ram Chandra has no claim against the company. In these circumstances at the time of hearing the union did not press its claim in respect of Ramsurat, Subedar Shaw and Ram Chandra.

On the side of the union three witnesses were examined and five witnesses were examined on behalf of the company. Several documents have been exhibited on both the sides.

I will now take up the cases of the three persons canvassed at the time of hearing. In sort, the case of the union is that on 6th December 1963 Ramrup Harizan, a leading member of the union, who was verbally refused employment and he was not allowed to enter into the mill. At this, there was spontaneous cessation of work in the General Department for sometime as the workers went to the management to know the reason as to why Ramrup Harizan was not allowed to work. On this occurrence Jag Chowdhury, Harihar and some others were chargesheeted on false allegations. Explanations were duly submitted. Ramrup Harizan was also chargesheeted out of malice. The allegations against him were false. The company sent letters of enquiry intimating the chargesheeted persons that the enquiry would be held at the Head Office but the chargesheeted persons were not willing to attend the enquiry at the Head Office as there was reasonable apprehension about mal-treatment from the side of the company. In spite of the request by the workmen the company refused to hold enquiry at the factory premises. The company thereafter dismissed Subedar Shaw, Ramsurat Harihar and Ram Chandra. Ramrup Harizan was not dismissed by any letter. In sort, the union wants to say that no enquiry was held against the chargesheeted persons, that although an omnibus reference was pending before an Industrial Tribunal in which the company was a party, no application under section 33(2) (b) of the Industrial Disputes Act was filed, and that the acts of dismissal on the part of the company were mala fide.

The company, however, has denied the allegations. It has stated that due notices were issued against the chargesheeted persons, that there was no ground of apprehension on the part of the workmen for any occurrence at the Head Office at the time of enquiry, that all reasonable facilities were given to the workmen for their self-defence at the enquiry, that proper notices were given to the opposite parties, that the opposite parties deliberately avoided the enquiry and that ex-parte enquiries were ultimately held. It has been further alleged that the chargesheeted persons were found guilty by the enquirying officer and that the management of the company dismissed them from service considering the reports of the enquiring officer.

I will first take up the case of Harihar. O.P.W.1 is the witness on the side of the company who held the enquiry against Harihar Jadav. He has stated that a notice of enquiry was issued to Harihar who did not attend the enquiry. He held the enquiry on 30th July 1964 by examining the witnesses of the company. He has proved the enquiry records, marked Ext. F, written in Hindi. The English translations have been marked Ext.F (1). Enquiry report is Ext. F (2). He says that he found Harihar guilty of the charge. The chargesheet is Ext. A. This is dated 6th December 1963. The allegations are that Harihar and others mentioned in the chargesheet resorted to a stay-in-strike and took recourse to threat of violence, intimidation and use of abusive languages. Due to the fear arising out of threat held out by Harihar and others, the workers of contractors stopped work. It has been further alleged that Harihar along with others started shouting and quarrelling with lorry drivers and by threatening and show of violence, he drove out the lorry drivers. The other allegation is that the delinquents went to the Chipping and Checking Department and there instigated the workers of the contractors to stop work. As a result of their threatening and abusive language there had been serious dislocation of work causing loss to the company. According to the company the activities of the delinquents constituted gross misconduct from the standpoint of the factory discipline. Along with the chargesheet the delinquents were suspended. Harihar replied to the chargesheet denying the allegations made by the company. The management, however, sent a notice of enquiry to Harishar fixing 24th December 1963 for hearing. Ext. B(2) shows that Harihar wrote a letter to the company stating that the place of enquiry being at the Head Office would seriously prejudice in conducting that enquiry. It has been stated by Harihar the he had to face serious inconvenience to carry all the witnesses from the workshop to Head Office. The company by a letter, dated 24th December 1963, informed Harihar that for attending the enquiry at the Head Office the delinquent will be paid train and bus fare from factory to Head Office and back for himself and for his witnesses. In this letter the date of enquiry was fixed on 4th January 1964. Harihar gave another reply by a letter, dated 2nd January 1964. The copy of the letter is Ext. B(4). The company by its letter, dated 13th January 1964, informed Harihar that besides the convenience charges the company agreed to allow paid-leave to the witnesses for the second-half of the day when the enquiry would be held so that the witnesses might be brought to the Head Office. In order to avoid disturbances of industrial peace at the factory the company according to this letter decided to hold the enquiry at the Head Office. The company again fixed 20th January 1964 for enquiry. Harihar informed the company thereafter that the notice of enquiry was very short and, therefore, he was unable to attend the enquiry. The company, however, gave another chance by a letter, dated 20th February 1964, to attend the enquiry fixing 2nd March 1964 for hearing at the enquiry. The letter was sent by registered post. Ext. B(8), a letter of the company, dated 20th March 1964, shows that the postal cover came back unserved as Harihar had left his local address without any intimation to the company. The company again fixed another date on 6th April 1964 and this letter was sent to Harihar at his village address under the certificate of posting as well as under registered post. On the date fixed Harihar did not appear. Again the company fixed 22nd June 1964 for hearing and letters were sent. Harihar did not appear at the enquiry again and lastly, the company gave an insertion

in the newspaper fixing 30th July 1964 for hearing. One insertion will appear in the Dainik Vishwamitra, Ext. B(13), and another insertion will appear in the Hindusthan Standard, Ext. B(12). The relevant records of the enquiry are Ext. F, and the report of the enquiring officer is Ext. F(2). On the date of enquiry Harihar remained absent. Witnesses were examined. The union wants to say through its witnesses that the enquiry was held at the Head Office illegally and that the workmen could not attend the enquiry held there because they had reasonably apprehension of risk of their lives. On consideration of the evidence on record including the objections filed by the delinquent I cannot accept the plea taken up by the union. I am satisfied that there was no reasonable apprehension in the mind of the workmen for any risk of their lives. The company had their right to hold their enquiry at the Head Office to avoid any disturbance at the factory. The company went so far as to offer conveyance charges to the delinquents and their witnesses for the purpose of enquiry and it also allowed paid-leave to the workmen so that they could be witnesses at the enquiry. The company tried its best to offer all opportunities to the delinquent for their proper defence. With regard to Harihar I find that he had ample opportunity for attending the enquiry but without any just cause Harihar failed to attend the enquiry. I should, rather, say that he deliberately avoided the enquiry in the present case. Harihar does not appear before me to give evidence in support of his case. I have considered the materials collected at the enquiry and I am satisfied that the finding of the enquirying officer is very reasonable and not perverse. There has been no basic error of fact in his report.

Jag Chowdhury :

O.P.W.1 has stated that he held the enquiry against Jag Chowdhury on 23rd September 1964. As Jag Chowdhury did not attend the enquiry, he held an ex-parte enquiry. He examined the witnesses of the company and statements of witnesses were recorded in Hindi. The records of the enquiry have been marked Ext. G. English translation of the statements will appear in Ext. G(1), and the reports of the enquiring officer in respect of Jag Chowdhury have been marked Ext. G(2) Jag Chowdhury was found guilty of the charge. His evidence is that notice of enquiry was given to Jag Chowdhury. Jag Chowdhury has been examined as P.W.3. He has stated that he and others received the letter of enquiry but they did not go to the Head Office to attend the enquiry on the apprehension that they would be assaulted there. I have already found that there is no basis for any apprehension that there would be any risk of life of delinquents if the enquiry was held at the Head Office. This witness has, of course, denied the allegations made in the chargesheet. This witness has admitted that he did not mention in the letter written to the company that he did not go to the Head Office because he had been assaulted in the factory. The chargesheet against him is Ext. A. He denied the allegations made in the chargesheet by a letter, dated 7th December 1963. The management thereafter decided to hold an enquiry against him on 24th December 1963 at the Head Office. Jag Chowdhury did not attend the enquiry and again the company fixed 4th January 1964 for hearing. The letter of enquiry, however, came back unserved through post office and 6th April 1966 was again fixed fo enquiry. Jag Chowdhury did not attend the enquir again and the company fixed 22nd May 1964 for hearing. The enquiry notice again could not be served and they came back undelivered. The company therefore fixed 8th June 1964 for enquiry. That letter was received by Jag Chowdhury on 27th May 1964 but still he did not attend the enquiry. The company lastly published notice of enquiry in the newspaper fixing 23rd September 1964 for hearing. Jag Chowdhury was given all facilities for travelling expenses in order to attend the enquriy. The newspaper has been marked exhibits in this case. It is Ext. D(1). Jag Chowdhury did not attend the enquiry and the company was compelled to hold an ex-parte hearing. The records of the enquiry will appear in Ext. G, and the enquiry report is Ext. G(2). The English translation is Ext. G(1). On consideration of the records and the reports of the enquiring officer I am satisfied that Jag Chowdhury was given sufficient opportunity for his self-defence, that the finding of the enquiring officer was reasonable and not perverse, that there has been no basic error of fact and that the enquiry was a bona fide one. The management considered the report and dismissed Jag Chowdhury from service. The letter of dismissal is Ext. A(11).

In the facts and circumstances of the present case I find that the termination of service of Jag Chowdhury and Harihar by way of dismissal is justified and bona fide. This is not a case of victimisation or unfair labour practice.

Ram Rup Harijan :

Ext. C(4) is the copy of the letter,dated 24th December 1963,which was sent to Ram Rup Harijan with the copies of the chargesheet, dated 23rd November 1963 and 5th December 1963. They were received by Ram Rup Harijan who gave reply thereto by a letter, dated 2nd January 1964. The copy of the letter is Ext.C(2). He denied the allegations made by the company. The company issued several notices to Ram Rup Harijan for attending the enquiry. He wanted that the enquiry should be held at the factory premises. I have already held that the claim of the company to hold the enquiry at the Head Office was justified. In spite of several notices of enquiry Ram Rup Harijan did not appear at the enquiry and the company lastly published the notice of enquiry in the newspaper. Ext. D is that newspaper. The copy of the order of dismissal is Ext. C(11). According to the letter of dismissal the management found that the charges against Ram Rup Harijan had been sufficiently established at the enquiry. Before me, however, the company does not produce any records of the enquiry. The company wants to say that the records of the enquiry proceedings have been lost. I do not, however, find any reasonable evidence in support of that story. In the circumstances I am to take it that there was no enquiry against Ram Rup Harijan. In view of this finding of mine, I would see whether there is any reliable evidence before this Tribunal to hold that the charges against Ram Rup Harijan were proved and that the dismissal is justified.

Ram Rup Harijan has been examined as P.W.2. He has, however, denied the allegations made against

him. According to the chargesheets Ram Rup Harijan committed the following misconducts :—

(a) that he without the permission of the proper authority left the factory during the duty hours on 21st November 1963 at 10-30 a.m. and remained outside up to tiffin period;

(b) that he refused to accept the chargesheet, dated 23rd November 1963, which was tendered to him for acceptance on 25th November 1963 and 26th November 1963; and

(c) that he insulted the Time-keeper N.R.Mukherjee and threatened him while he attempted to handover the chargesheet to him.

O.P.W.2 is the supervisor in the factory of the company. He has stated that Ram Rup Harijan worked under him in his department. From his evidence I find that at about 10-30 a.m. without taking his permission Ram Rup Harijan disappeared from the department on 21st November 1963. He again came back at about 1-10 p.m. O.P.W.2 asked him where he had been so long but in reply Ram Rup Harijan asked him to do his duty. He then reported the matter to R.P. Sreevastav, the engineer and also asked Nihar Ranjan Mukherjee, Time-keeper, to show Ram Rup Harijan absent for two hours. Admittedly the tiffin period was from 12 noon to 1 p.m. O.P.W.3 is the Labour Contractor of the company. His evidence is that on 21st November 1963 at about 10-30 or 10-45 a.m. O.P.W.2 asked him if he had seen Ram Rup Harijan but the witness told him that he did not see him. O.P.W. 3 has further stated that at about 1 p.m. Ram Rup Harijan came back. This witness has further stated how Ram Rup Harijan used rude language to the supervisor R.P. Sreevastav when the latter asked Ram Rup Harijan why he had gone away without his permission. O.P.W. 4 is the Time-keeper. His evidence is that on 21st November 1963 he noted the working hours of Ram Rup Harijan as he was told by the superivisor, meaning O.P.W.2, because Ram Rup Harijan was absent for two hours on that day. That register has been exhibited in this case and it shows that Ram Rup Harijan worked six hours in stead of eight hours on that day. I accept the register as genuine document. From the evidence of Nihar Ranjan Mukherjee it appears that as asked by the company to serve a chargesheet, he called Ram Rup Harijan on 25th November 1963 at about 8 a.m. One Gopalji explained the contents of the chargesheet in Hindi. O.P.W.4 asked Ram Rup Harijan to take the chargesheet but Ram Rup Harijan refused to accept the chargesheet. On the following day also Nihar Ranjan Mukherjee asked Ram Rup Harijan to accept the chargesheet. At that time Ram Rup Harijan threatened him and stated that he would be taught a good lesson. That day also Ram Rup Harijan did not accept the chargesheet. During cross-examination the witness has further stated that Shib Sankar Singh reported about the absence of Ram Rup Harijan after the tiffin period. In this case Gopalji has also been examined by the company as O.P.W.5. He has given evidence about the refusal of Ram Rup Harijan to receive the chargesheet offered to him on 25th November 1963. He has stated that he also explained the contents of the chargesheet to Ram Rup Harijan in Hindi. The witness has also stated that on the next day also Ram Rup Harijan refused to receive the chargesheet and abused the Time-keeper in harsh language and challenged his authority to serve the charge-sheet. Besides calling Nihar Ranjan Mukherjee bad names, Ram Rup Harijan threatened him that he would give him a good lesson.

As against the evidence adduced by the company Ram Rup Harijan denied the allegations made against him. He has stated that he did his duty from 8 a.m. up to 11-30 or 11-45 a.m. Thereafter he has further stated that he went out of the factory at 1 p.m., but immediately he has made an attempt to correct himself by saying that he went out at 12 noon and came back at 1 p.m. On consideration of the evidence on record I find that the company has adduced sufficient and reliable evidence to substantiate the charges made against Ram Rup Harijan. I do not accept the evidence of Ram Rup Harijan as reliable. I have considered the demeanour of the company's witnesses and I rely upon them.

In the result, I find that Ram Rup Harijan was guilty of serious charges and that for the maintenance of discipline and for the best interest of the company, the authority was justified in dismissing him from service. Dismissals of the three persons mentioned above are bona fide and there has been no case of victimisation or unfair labour practice. As I am considering the case under section 10 of the Industrial Disputes Act, the question of violation of section 33 of this Act does not arise.

As already stated earlier, the union does not press the case in respect of Ramsurat, Subedar Shaw and Ram Chandra. I find that these three persons have no grievance against the company. I find no industrial dispute at present relating to these three persons.

In view of my findings above, the reference is decided against the workmen who are not entitled to any relief in this case.

Hamilton and Co. Private Ltd., 8 Old Court House Street, Calcutta-1 and their workmen represented by Hamilton Jewellery Workers' Union, 19/2A Pitambar Ghatak Lane, Calcutta-27, regarding the matters specified in the schedule, to the Third Industrial Tribunal, constituted under section 7A of the Industrial Disputes Act, 1947, by notification No. 808-IR/IR/3A-2/57, dated the 11th March 1957, for adjudication.

Issue

Profit bonus for the years 1961 and 1962.

On receipt of the notices from this Tribunal, parties appeared and filed their written statements.

On 13th July 1966 the case was taken up for hearing. On that date union closed its evidence of the case and the company examined only one witness. After the cross-examination of company's witness, the case was adjourned to 19th July 1966 for further evidence. On that date the company closed its evidence and the case was adjourned to 20th July 1966 for argument. No argument, could, however, be heard on 20th July 1966 as parties' lawyers informed the Tribunal that the industrial dispute referred to this Tribunal for adjudication has almost been settled. The case was accordingly adjourned to 21st July 1966 for fixing a date of argument if no compromise in the meantime is effected. From 21st July 1966 the case was adjourned to 23rd July 1966 for filing joint petition of compromise as on 23rd July 1966 the disputes had been settled. On 23rd July 1966 the parties filed a joint petition stating that the industrial disputes referred to the Tribunal for adjudication has been settled on terms mentioned in the petition and praying for an award in terms of the petition. The petition was signed by Shri S. Roy Choudhury, Secretary of the Hamilton Jewellery Workers' Union and by the Director of the Company.

I have perused the terms and also heard the lawyers of both sides on the petition. The terms appear to me to be fair and reasonable and I am satisfied that the industrial dispute referred for adjudication has been settled on terms mentioned in the petition. An award in terms of the joint petition is accordingly passed. The joint petition do form part of the award.

This is my award.

ANNEXURE

In the matter of an industrial dispute between Messrs. General Industrial Society Ltd., Cotton Mill Section, Champdani, Hooghly and their workmen represented by Hooghly District Cotton and Textile Workers' Union, G. T. Road, Champdani, Hooghly. (Case No. VIII-80 of 1965).

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri S. K. BHATTACHARJEE,
Presiding Officer, Second Industrial Tribunal.

By order No. 1310-I.R./IR/8L-9/62, dated Calcutta, the 1st April 1965, Government of West Bengal, in the Labour Department, referred an industrial dispute between Messrs. General Industrial Society Ltd., and their workmen represented by Hooghly District Cotton and Textile Workers' Union to this Tribunal for adjudication on the following issues :

Issues

1. Is the dismissal of Shri Sewnath Chowdhury justified? To what relief, if any, is he entitled ?

2. Is the suspension of Shri Ram Sunder Singh from 25th to 27th October 1964 justified? To what relief, if any, is he entitled?

After service of notices on the parties both the company and the union filed their respective written statements. Subsequently both parties filed a joint petition of compromise with regard to one of the

workmen whose case has been referred to this Tribunal for adjudication. With regard to other workman the union did not proceed and the company prayed for recording the petition of compromise in so far as Shewnath Choudhury is concerned and also prayed for making a 'no dispute' award in respect of workman Ram Sundar Singh who was placed on suspension from 25th to 27th October 1964. Workman Ram Sundar Singh was absent without sufficient cause and the union also did not sponsor his case any longer. That being the position the dispute between the company on the one hand and the workman Ram Sundar Singh on the other hand must be held not to be in existence, and a 'no dispute' award is called for.

In so far as Shewnath Choudhury is concerned the joint petition recites the term of settlement which *inter alia* provides that Shewnath Choudhury will be reinstated with continuity of service with effect from 18th May 1966 and the period of unemployment would be treated as leave without pay. The terms appear to be fair and reasonable. In the circumstances the petition of compromise is recorded and an award in terms of the said petition be made in so far as Shewnath Choudhury is concerned. The joint petition of compromise do form part of the award.

BEFORE THE SIXTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri P. BASU, Bar-at-Law, Judge,
Sixth Industrial Tribunal

Present for the Company: Shri Rabin Majumder, Advocate.

Present for the Union: None.

The Government of West Bengal, Labour Department, by order No. 4024-I.R./IR/10L-167/65, dated 11th of September 1965, had referred the following industrial dispute between Messrs. Das Zimmerman (P) Ltd., and Messrs. A. S. Das and Co. (P) Ltd., Taratolla Road, Calcutta-53, and their workmen represented by West Bengal Engineering Workers' Union, 48 Dharamtalla Street, Calcutta-13, to this Tribunal for adjudication.

Issue

1. Is the dismissal of the following workmen justified?

To what relief, if any, are they entitled?

(1) Shri Gobardhan Ghosh,
(2) Shri Balai Chandra Debnath,
(3) Shri Namai Das,
(4) Shri Sagar,
(5) Shri Robin,
(6) Shri Ram Chandra Desai,
(7) Shri Dilip Chatterjee.

After the service of the usual notice, the two employers, namely, Messrs. Das Zimmerman (P) Ltd., and Messrs. A. S Das and Co. (P) Ltd., had submitted their separate written statements at first. The Union had taken several dates from 30th November 1965 to 12th August 1966. Actually the last application was filed on behalf of the Union on 28th March 1966, and thereafter the Tribunal had granted dates suo moto though none had appeared for several months on behalf of the Union. Ultimately an application was filed on 3rd August 1966, by Shri Fatick Ghosh who is the General Secretary of the Union stating that after the termination of the services, the workmen had left Calcutta, that the Workers' Union could not contact them though it had tried to do so and that in the circumstances, the Workers' Union is not able to defend the case. Practically therefore, the Union had withdrawn from contest on the ground that the concerned workmen are not available and without their instruction the Union is not able either to put in the written statement or to depend the case of these concerned workmen.

In the circumstances which I have mentioned above, it is not necessary for me to state in detail the defences of the employers in their separate written statements. Now, the first objection is that the two Companies are separate legal entities and they cannot be grouped together for the purpose of deciding the so-called industrial dispute specially as the employees of the two Companies are different. The next objection is that the West Bengal Engineering Workers' Union had no locus standi to raise an industrial dispute on behalf of the wokmen and therefore, the dispute, if any, is not an industrial dispute. Actually the disputes had not been raised by the concerned workmen or by the registered trade union of the employees of the two Companies. In the written statement submitted by Messrs. Das Zimmerman (P) Ltd., it is also stated that Shri Sagar and Shri Rabi and Shri Ramchandra Desai were employees in the Machine Shop of the Company's Factory, that these workmen were charge-sheeted for certain misconduct on 10th June 1965, on the allegation of theft of costly tools from the Machine Shop, that an enquiry was held and the workmen were found guilty and that they were dismissed by the letter, dated 6th June 1965. (This date is obviously a mistaken one). It further stated that as the main dispute is pending before the Seventh Industrial Tribunal, this Company has made applications under section 33(2)(b) of the Industrial Disputes Act and those applications are pending and that the workmen named Shri Sagar and Shri Robin had already submitted their resignations. The workmen named Shri Gobardhan Ghosh, Shri Balai Chandra Debnath, Shri Nemai Das and Shri Dilip Chatterjee are not the employees of this Company. In the written statement submitted by Messrs. A. S. Das and Co. (P) Ltd., it is also stated that Shri Gobardhan Ghosh, Shri Balai Chandra Debnath and Shri Nemai Das were the employees in the Machine Shop of the Company's Factory and charge-sheets were issued to them on 10th June 1965, on the allegation of theft of costly tools from the Machine Shop and that after enquiry, the workmen were found guilty and had been dismissed from the service of the Company by letter, dated 6th June 1965. (This date is obviously a mistaken one). It is also stated that Shri Gobardhan Ghosh had already submitted his resignation and that Shri Sagar, Shri Robin, Shri Ramchandra Desai and Shri Dilip Chatterjee are not the employees of this Company.

It is not clear in the circumstances, how there could have been a joint reference against two separate Companies, who had separate employees. It also appears that Shri Dilip Chatterjee is not an employee at all of the two Companies mentioned in the Order of Reference. However, in view of the application of Shri Fatick Ghosh which I have mentioned earlier, I need not pursue this matter any further. It appears to me that in the

circumstances, a 'No-dispute' award should be passed. I accordingly pass a 'No-dispute' award.

This is my award.

Agarpara, 24-Parganas and their workmen represented by Saktigarh Co-operative Cotton Mills Society Ltd. Workers' Union, 40 Gandhi Nagar Colony, P.O. Panihati, 24-Parganas, (Case No. VIII-272/65).

AWARD

The Government of West Bengal, by order No. 4361-I.R./IR/8L-35/65, dated 13th October 1965, had referred the following industrial disputes between Messrs Saktigarh Co-operative Cotton Mills Society Ltd., Mollerhat, 663 Nilganj Road, P.O. Agarpara, 24-Parganas, and their workmen represented by Saktigarh Co-operative Cotton Mills Society Ltd. Workers' Union, 40 Gandhi Nagar Colony, P.O. Panihati, 24-Parganas, to this Tribunal for adjudication.

Issues

1. Whether closure of the 'C' shift with effect from 19th April 1965 and its subsequent re-starting with new workmen is justified? What relief, if any, are the following workmen entitled to?—

(a) Shri Rashik Saha, (b) Shri Ganesh Basu, (c) Shri Maran Datta, (d) Shri Dinesh Paul, (e) Shri Sanjib Paul, (f) Shri Sudhir De, (g) Shri Kartick Sen, (h) Shri Probhat Saha, (i) Shri Sashi Bhusan Chakraborty and (j) Shri Sriram.

2. Whether termination of service of Sarbashree (a) Ramesh Ch. Das, (b) Sunil Bhowmick and (c) Robin Banerjee is justified? To what relief, if any, are they entitled?

After the service of usual notice, the employer did not at first put in the written statement as directed, and in fact, the learned Advocate Shri D. K. Das Gupta had stated in writing on 15th March 1966 that he had no instruction. Accordingly the Union had put in the written statement and the date for hearing was subsequently fixed. Afterwards Shri Das Gupta again appeared and on his prayer he was allowed to file written statement on behalf of the company, subject to the payment of Rs. 10 as cost. The written statement has been filed on behalf of the employer and the cost had been paid. Thereafter, the union had submitted an additional written statement. As the matter has been settled, between the parties, it is not necessary for me to state in details the allegations made in the written statement of the union and of the employer.

In the written statement submitted by the employer, it is said that on account of the financial difficulties and for want of raw material the Society had been passing through crisis and at the relevant point of time, there were 3 shifts, viz., A, B and C. The number of workmen in all the shifts was very small and there was also no sufficient work. In April 1965, the number of weavers had so decreased that it was found uneconomic to run 3 shifts. The Society did not have sufficient work to keep the 3 shifts running. The Society was, therefore, compelled to close the C shift by the notice, dated 18th April 1965, with effect from 19th April 1965, offering the weavers of the C shift work in the remaining shifts. In fact, the 3 weavers in the C shift, who offered themselves for work, had since been working in the B shift. Actually Shri Rashik Saha, Shri Dinesh Paul and Shri Sudhir De were working in the C shift on 18th April 1965 and the other persons had left the Society's work and were not in employment of the Society in C shift. It is also said that there were no workers of the names of Sriram and Sashi Bhusan Chakraborty and the other workers besides the 3 workmen as mentioned above, had left on various dates in

February and April 1965. The 3 weavers mentioned above had been working in the B shift from 19th April 1965. Subsequently, the Society had re-started bona fide the C shift with the weavers available.

With regard to issue No. 2, it is said that Shri Robin Banerjee was working as a mistry on permanent basis and when C shift was running, he was attached to C shift. After the closure of C shift he was asked to work in B shift from 19th April 1965, but he did not turn up. In fact, Shri Rabin Banerjee is working in the Basanti Cotton Mills as a permanent worker in the name of Shri Krishna Bhattacharjee and had expressed his unwillingness to work under the Society. At the time of conciliation, the management representatives said that the service of Shri Banerjee had not been terminated and he can report for work. Even, thereafter Shri Banerjee did not report for work. The Society is still willing to allow Shri Banerjee to work under the Society. So far as Shri Ramesh Chandra Das is concerned, it is said that his work as a weaver was very bad and he had caused damage to the clothes. For that reason, he was charge-sheeted and in the enquiry held in his presence, it was found that he was guilty of the charges. Accordingly, he was discharged by the letter, dated 7th April 1965. The Society, however, has no objection to give employment to Shri Das if he gives an undertaking that he would work diligently without damaging the clothes and that he would work regularly without absenting himself. The Society's representative had stated the same thing at the time of conciliation, but Shri Das did not give the undertaking. Provided he gives the undertaking, the Society is willing to allow him to join the work. So far as Shri Sunil Bhowmick is concerned, it is said that there is another concern named Dacca Muslim Fabric which adjoins the Society and Shri Bhowmick had assaulted the workers of Dacca Muslim Fabric. The Assistant Manager himself witnessed the assault, and therefore, the service of Shri Bhowmick had been terminated to maintain peace and tranquility.

In the written statement submitted by the union, it is said that the Society is earning huge profits and employs about 50 workmen, that the minimum wages of the workmen is as low as Rs. 39 per month and that to ventilate the grievances in a constitutional manner and to safeguard the interests of the workmen, the union was registered in February 1965. On 6th March 1965, the Union submitted a charter of demands regarding various long pending and genuine grievances of the workmen. The formation of the union was not taken in good grace of the management; and hence the management by the notice, dated 19th April 1965, had abruptly and by way of victimisation, discontinued the C shift from 19th April 1965. As a result of the closure of the C shift, 10 employees who were members of the union, were thrown out of employment. There is no bona fide or valid reason for closure. The C shift was again started with new hands with effect from 1st June 1965, and the concerned workmen were refused employment only because of their active participation in the union activities. There had been conciliation, but the proceeding failed due to the adamant attitude of the employer. With regard to issue No. 2, it is said that Shri Ramesh Chandra Das was the Assistant Secretary of the union and become ill on 2nd March 1965 and was under medical treatment up to 10th March 1965. Shri Das sent his medical certificate on 3rd March 1965 along with the application for leave which was accepted by the Society. On 11th March 1965 Shri Das attended his normal duties after submitting a fit certificate. At the time of receiving pay on 25th March 1965, Shri Das found that his wages from 2nd March 1965 to 10th March 1965 had been deducted. Shri Das then refused to accept payment and submitted an application on 27th March 1965 to the Assistant Labour Commissioner, Barrackpore. The management with a view to victimise him suspended him for 7 days from 31st March 1965 to 6th April 1965. The union raised a dispute over the illegal suspension by the letter, dated 31st March 1965. When on 7th April 1965 Shri Das went to resume his duty, he was not allowed to do so and was summarily dismissed by the letter, dated 7th April 1965, without allowing him an opportunity to defend himself in violation of the principle of natural justice. After the dismissal the union raised the dispute by the letter, dated 9th April 1965. With regard to Shri Sunil Kumar Bhowmick, it is said that he was the Secretary of the union and the management with a view to victimise him for his trade union activities, suspended him summarily for 2 days by the letter, dated 26th April 1965, without allowing him an opportunity to defend himself. The union raised the dispute before the Assistant Labour Commissioner, Barrackpore, by the letter, dated 27th April 1965. Thereafter on 15th May 1965 the management had summarily dismissed Shri Bhowmick without allowing him an opportunity to defend himself. This dispute was also raised before the conciliation officer by the letter, dated 17th May 1965. So far as Shri Robin Banerjee is concerned, it is said that he is an executive member of the union and the management illegally and in a mala fide manner, had suspended him by the letter, dated 5th April 1965 and thereafter terminated his service with effect from 8th May 1965 without offering reasonable opportunity to defend himself. The dismissals of these 3 persons have been made in violation of section 33 of the Industrial Disputes Act during the pendency of the conciliation proceeding before Shri S. Ghose, Assistant Labour Commissioner.

In the additional written statement, it has been denied that the workmen had been engaged on casual basis and it is said that all the workers are working without any break and had been appointed on permanent basis. It is also denied that the number of weavers had decreased and it was found uneconomic to run 3 shifts. It is further denied that only 3 weavers of C shift offered for joining in the B shift, and that some of the weavers had left on various dates in February and

April 1965. Thought the giving of notice regarding the closure of C shift is admitted, it is said that the reason given in the notice are all false and malices. Out of 3 persons mentioned in the written statement of the management, it is said that only Shri Rashik Saha had been working in the B shift. With regard to Shri Robin Banerjee, it is said that the management knew that Shri Banerjee was working in the Basanti Cotton Mills but had asked him to take charge of the C shift and run the same. Then at the instance of Shri J. P. Ghose, Shri Banerjee had given another name and had been paid less than half the wages of a jobber. With regard to Shri Bhowmick, the allegation of assault is denied.

On 22nd July 1965, both parties had appeared and filed a joint petition of settlement. With regard to issue No. 1, it appears that Sarvashree Ganesh Basu, Maran Datta, Sanjib Paul, Kartick Sen and Pravat Saha would have no claim of employment, but if they report for duty within 15 days of the date of the publication of the award and if there is vacancy, the Society will give them employment. With regard to Shri Sriram, the union had not pressed the case. With regard to Shri Rashik Saha, Shri Sudhir De and Shri Dinesh Paul, it is said that they had reported for work in the B shift after closure and if it is found that none of them is not working in any of the shifts A, B and C, then they or he would be taken in employment, if they or he report/s within 15 days of the publication of this award. With regard to Sashi alias Sasanka Chakraborty, it appears that if he reports for duty within 16 days of the publication of the award, he will be taken in employment with continuity of service, if it is found that he has put in one year's continuous service before 18th April 1965 treating the period of unemployment as special leave without pay. With regard to issue No. 2, the 3 concerned workmen are to be taken in employment with continuity of service and Shri Sunil Bhowmick and Ramesh Das will be preferably given employment in B shift and Robin Banerjee alias Krishna Ranjan Bhattacharjee preferably in C shift, but the placing would be at the discretion of the management. Each of these 3 persons is to be paid a sum of Rs. 120 for the period of their unemployment as ex-gratia payment within 15 days after they joined and these 3 persons are to join by 1st August 1966. The petition is signed by Robin Banerjee who is the Secretary of the union, the learned Advocate Shri M. M. Saha for the union, and by Shri S. Choudhury for the employer and by the learned Advocate Shri N. M. Das Gupta for the employer. I have heard those persons and have considered the terms of settlement and it appears to me that the terms of settlement are bona fide, legal and proper, and should be given effect to. I, therefore, pass a "no-dispute" award making the petition of settlement as annexure to the award. This is my award.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Lalit Link Chains (P) Ltd., 153/1 Andul Road, Howrah, and their workmen represented by Lalit Link Chains Mazdoor Union, 164 Andul Road, Botanical Garden, Howrah. (Case No. VIII-203 of 1965.)

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri SACHINDRA KUMAR BHATTACHARJEE,
Presiding Officer, Second Industrial Tribunal.

Government of West Bengal, in the Labour Department, by order No. 3259-I.R./IR/10L-138/65, dated Calcutta, the 24th July 1965, referred an industrial dispute between Messrs. Lalit Link Chains (P) Ltd., and their workmen represented by Lalit Link Chains Mazdoor Union to this Tribunal for adjudication on the following issues:—

Issues

(1) Permanency.
(2) Grades and scales of pay.
(3) Dearness Allowance.
(4) Festival holidays.

After service of notices on the parties the Union and the Company entered appearance and filed written statements.

The Union in their written statement filed on 16th November 1965, contended that Messrs. Lalit Link Chains (P) Ltd., is a prosperous unit of the Engineering Industry in West Bengal having the advantage of monopoly business in the line. The Company deals in the manufacture of link chains and other engineering products and the majority of the workmen employed there are skilled workers. The workers are denied even the need-based minimum wages and other benefits which have been made available to the workers of similar engineering concerns. The workers are not made permanent even after completion of reasonable period of service and they have not been paid wages of the rate fixed by the Third Major Engineering Tribunal. The workers moreover are not allowed any dearness allowance to neutralise the rise in the cost of living as a result there has been a fall in real wages which is already on the lower side. Moreover there are no grades or scales of pay for the workmen as a result of which they are often made victims of the whims and favouritism of the management. They also did not enjoy proper leave facilities. The Union raised dispute relating to wages, grades and scales of pay, dearness allowance, leave facilities and other conditions of service and attempts were made for amicable settlement of the dispute but the management, it is contended adopted various disruptive measures, as a result of which the disputes could not be

settled. Finally the matter was referred to this Tribunal for adjudication on the aforesaid issues. The Union accordingly prays that:

(a) that all workmen be treated as permanent hands who have completed six months service;

(b) that all the workmen should be paid in accordance with the grades and scales of pay fixed by the 3rd Major Engineering Tribunal award;

(c) that all the workmen should be granted dearness allowance as per the award of the Third Major Engineering Tribunal; and

(d) they should also get 13 days festival holidays with wages.

The Company in their written statement filed on 21st February 1966, denied that it enjoyed monopoly business or is a prosperous unit of the engineering industry in West Bengal and contended that the Company is in its infancy and facing a severe competetive market and difficulties in procuring raw materials and they also had to incur heavy losses and was fighting for survival. The Company further contended that the Union had raised the dispute without any justification and asserted that Messrs. Lalit Link Chains (P) Ltd., was incorporated on 18th December 1963, for the purpose of manufacturing of steel chains and other allied equipments and the company started to instal the factory in the year 1963-64, and the products were only marketed in the year 1964. The Company further contended that the majority of workmen were engaged in unskilled and somi-skilled job and the workers, it was denied benefits which are available to the workers of similar establishments. The Company further contented that only 86 workmen were employed in the factory at present and it would be improper to apply the wage structure fixed by the Third Major Engineering Tribunal which was intended for big industries employing 250 or more workers. The company, it was further contended refixed the wages of the workers recently and paid them consolidated wages liberally which was much higer than the rate of wages paid in other similar concerns in the region. The Company asserted that they have given two increments in the year 1965, to maintain industrial peace and the financial position of the Company was not at all good and they are not at present in a position to bear any further financial burden. The Company further denied that proper facilities were not given to the workers or that the management adopted various disruptive measures.

As for the claim of the Union, the Company contends that at present they have not the capacity to undertake any further financial burden and the introduction of grades and scales or pay will impose great financial strain on the company which they are unable to bear at present. The wages paid to the workers are inclusive of dearness allowance which are not separately allowed and consequently granting of dearness allowance to the workers cannot be allowed at the present time having regard to the capacity and financial standing of the Company. The claim for thirteen festival holidays according to the company is abnormal which will further increase their loss and this festival holiday, according to the Company should not exceed 9 days in a year.

Regarding permanency, it was pointed out that the Company was guided under the provisions of 12A of the Industrial Employment (Standing Orders) Act, 1946, by the Model Standing Orders of West Bengal Government and no change in the said rules is called for or warranted in the circumstances of the case.

Appearances of the parties are as follows:—

For the Company: Shri Lenin Roy, Advocate.
For the Union: Shri Ram Sen.

Decision

Both parties adduced oral and documentary evidence. The Union examined three witnesses including the Secretary of the Union Md. Hannas; a welder in a neighbouring factory manufacturing chains and a worker of the Company. The Company, on the other hand, examined two witnesses, who are one of the Director of the Company and the Factory Manager. As per the evidence adduced by the Company, it was incorporated on 18th December 1963, the certificate of incorporation being marked Ext. A. The Company, according to O.P.W. 1, took over part of the assets of the firm of Lalit Mohan Roy and Sons under a deed of agreement, dated 1st January 1964. At the time the factory had just started production and finished goods were being marketed. The factory according to this witness was not constructed in the year 1961 or 1962. This was controverted by the Union. The Secretary of the Union (P.W. 3) in his evidence stated that the construction of the factory commenced in the year 1960, and it was completed towards the end of 1962. Production according to this witness commenced in January 1963, and he denied the suggestion that the factory shed came to be constructed in March 1963, and production started in January 1964. Statement of the Union Secretary cannot however be accepted, for on his own showing Messrs Lalit Link Chains Mazdoor Union came to be formed in July 1964, and registered in September 1964. The Secretary who is a whole-time trade unionist since 1948, had the Union organised at the instance of the workers of the factory. He can hardly be said to have any knowledge about condition prevailing prior to the date when his assistance was sought by the workers and whatever prior knowledge he had must be regarded as hearsay. One welder of the Company was examined as a witness (P.W. 1) who stated in his evidence that he had been working in this factory since February 1962. He was the Vice-President of the Union and according to him the factory was in existence since 1961. This however, is not the testimony of the Secretary even. It may be that the firm of Messrs. Lalit Mohan Roy and Sons

who also were suppliers of link chains had some sort of an incomplete factory in the premises which was later taken over by the present Company in January 1964. The Factory Manager, O.P.W. 2, who joined Messrs. Lalit Mohan Roy and Sons as a General Assistant in the year 1956, and was later promoted as the Factory Manager, in his evidence emphatically denied that there was any factory in existence at the time when it was under the control of the firm of Lalit Mohan Roy and Sons. The witness further stated that the construction was started in the year 1963, by Messrs. Lalit Mohan Roy and Sons which was transferred to Lalit Link Chains (P) Ltd., in December 1963, and the production commenced in January 1964. According to this witness only sample production was started before the present Company took over from Messrs. Lalit Mohan Roy and Sons. So the statement of P.W. 1. Manick Chandra Das is not wholly incorrect but he is clearly incorrect in saying that the factory was in existence since 1961. Upon this evidence I must hold that the company came to be incorporated in December 1963, and the factory started production in 1964. O.P.W. 1, Haripada Chowdhury, one of the Directors of the Company in his evidence stated that the financial position of the Company at the present moment was bleak and they were facing a crisis. The Company since its incorporation has been able to publish balance-sheet and profit and loss account statement for the year 1964, and a tentative balance-sheet for the year 1965, was also drawn up. In the year 1964, the Company appears to have incurred heavy loss and in 1965, it has been able to make a small profit. This balance-sheet and profit and loss account have been marked Exts. B and B(1). The outstanding liabilities includes a loan of Rs. 2,80,000 from the State Bank of India for which the Company has to pay interest of 8 per cent. per annum, in addition there is a further current liability of Rs. 1,73,000 for which no interest is due to be paid. Balance-sheet for the year 1964, shows that loss of Rs. 60,000 was transferred from the profit and loss account statement to the balance-sheet for period from 18th December 1963 to 31st December 1964. The sales during this period amounted to Rs. 2,71,358. In the tentative profit and loss account statement for the period ending in 31st December 1965 (Ext. B1) net profit transferred to the balance-sheet amounted to Rs. 22,795, leaving an outstanding debit balance of Rs. 37,000 and odd to meet. Sales in the meantime nearly doubled the figure for the previous period. The picture is undoubtedly rosy but the Director and the Factory Manager of the Company went on to say that in view of the accumulation of the stock they find it difficult to market the product; moreover concellation of orders by the Indian Railways has adversely affected them and consequently they are not in a position to bear any more financial burden. It has further been stated that there was an increase of 44 to 50 per cent. in the price of raw material compared to the year 1964, but the price of the finished product continues to be same with the result that the profit, if any, is expected to mergi-nal in the current year unless the position is expected to improve In support of this the company filed certain papers but the order book was not produced to prove that there was any decline either in the quantity of the orders received or in the sales of the finished goods. There is, however, no reason to disbelieve the statement of these witnesses that the prices of finished products more or less continues to remain the same in so far as the link chains are concerned. There are as many as five factories producing link chains in Calcutta area and there are also many small workshops who produce and deal with such articles. That being the position, it is difficult for the company to unilaterally increase the price of their products without reference to the other producers or manufacturers. It is against these factors that the claim of the Union has to be adjudicated.

Issue No. 1. Permanency:

I shall take up the question of permanency first The Union claims that all workmen who had completed six months service should be treated as permanent and the company in paragraph 19 of the written statement contended that under section 12A of the Industrial Employment (Standing Orders) Act, they were guided by the Model Standing Orders of the Government of West Bengal in the matter of permanency and no change are necessary or warranted. Model Standing Orders in the classification of workman in paragraph 2(b) enumerates five categories including permanent workman who is described in clause (c) as a workman who has been engaged on a permanent basis and includes any person who has been confirmed in writing as a permanent workman after satisfactory completition of a probationary period of six months. The Union also wants that a workman be made permanent after completion of the period of six months service The Model Standing Orders which governs the company in the absence of a certified Standing Orders of their own, provides for permanency of a workman and the Tribunal sees no reason to modify or add to this rule and the company is therefore directed to confirm such of the workmen, who have completed six months period of satisfactory service from the date of their recruitment. Should any workman be not confirmed after completion of six months service, the period may either be extended by the company or the service may be terminated under the existing rules. This issue is, thus answered.

Issue No. 4. Festival Holidays:

At present the workers are not allowed any festival holidays as such. According to O.P.W. 1, Haripada Chowdhury, the company cannot afford to give festival holidays to workers but they get 13 or 14 days earned leave in a year and the workers generally avail of those leave on festival occasions. O.P.W. 2, Shri Hrishikesh Banerjee who is Factory Manager similarly stated that the workers were not allowed festival holidays but they are granted 13 days privilege leave with full pay which they generally utilise at the time

of festive occasions. In the opinion of the Tribunal the workers should get at least 9 days festival holidays in a year in addition to what they get by way of privilege leave which they can utilise for their own purpose. The Company in paragraph 22 of its written statement conceded that the festival holidays with wages including 26th January and 15th August should not exceed 9 days, but as the company has still in its infancy it has not been able to formulate or frame any rules regarding festival holidays with pay. This contention of the company appears to be eminently sensible and the Tribunal accordingly finds that their should be 9 days festival holidays in a year which should include 26th January and 15th August in addition to 7 days festival holidays as may be agreed upon by the Union and the Management. The company must give 9 days festival holidays in a year to the workers in addition to earned leave as per Factories Act and this issue is accordingly answered.

Issue Nos. 2 and 3. Grades and Scales of pay and Dearness allowance:

The Union in their written statement did not suggest any specific grades and scales of pay but demanded wages in accordance with the scales of pay fixed by the award of the 3rd Major Engineering Tribunal published in the "Calcutta Gazette, Extraordinary", dated November 5, 1958. That dispute related to engineering industry employing 250 or more workers whereas in the instant case the number of workers employed did not exceed 100. Fifth Industrial Tribunal, who adjudicated that dispute fixed certain grades and scales of pay for unskilled, semi-skilled, skilled and highly skilled workers who were classified into Groups D, C, B, A and the pay scales fixed respectively for different groups were:—

(D) Rs. 35—1/25—37.50
(C) Rs. 40—1/25—65
(B) Rs. 75—2—115
(A) Rs. 110—3—155.

According to P.W. 1. and one of the weldors working in Messrs Lalit Link Chains (P) Ltd., unskilled workers are paid at the rate of Rs. 1-75P to Rs. 2 per day; semi-skilled workers are being paid Rs. 1-50 P. to Rs. 2. 25 P. per day; skilled workers are being paid at the rate of Rs. 2-50P. to Rs. 4.50P. per day and highly skilled workers at the rate of Rs. 7 per day. Besides, the different categories of workers were given an increment or pay rise at the rate of Rs. 12P, 25P, and 50P, per day recently. These rates if worked out on monthly basis would not only compare unfavourably with the scales and grades fixed by the Third Major Engineering Tribunal but will be found to be more advantageous in some respect. The only difference is that the workers of Messrs Lalit Link Chains (P) Ltd., do not at present enjoy any scales of pay earning annual increment. Minimum rates for unskilled workers, semi-skilled workers, skilled workers, and highly skilled workers were undoubtedly much higher than the minimum fixed by the Third Major Engineering Tribunal and the pay also includes the dearness allowance. According to P.W. 1 there is no scheme of dearness allowance in the factory and the workers do not get any allowance besides their pay. Calculating on the basis of rates given by P.W. 1. a worker of highly skilled category like P.W. 1. himself would earn Rs. 187.50P. per month assuming him to work for 25 days. Maximum of the scale fixed for a worker of highly skilled category as per the award of the Third Major Engineering Tribunal is Rs. 155 and if dearness allowance of Rs. 59 is added to this pay range, total earning of a highly skilled worker after putting in 15 years service would be Rs. 214. P.W. 1. Manick Chandra Das, it would appear from his evidence, has been working in this company since 27th February 1962 and by any stretch of imagination cannot be said to have reached the limit of his scale. That being the position the wages earned by the witnesses cannot be said to be below average. The Union examined another witness P.W. 2., a welder in a neighbouring factory manufacturing link chains. This witness was a welder in Messrs Lalit Link Chains (P) Ltd., for about a year and he used to get Rs. 4.75 P. per day at that time. Now he gets Rs. 8 per day in Bir Jugal Brothers factory which would amount to Rs. 200 per month, assuming him to work for 25 days in a month. The Secretary of the Union in his evidence however asserted that a good welder ought to get a minimum salary of Rs. 10 per day but no welder was produced from any factory to show that he was actually drawing at that rate. Secretary of the Union (P.W. 3) himself acted as a welder in many firms but they all appear to be major concerns and the pay scale given by such factories cannot be compared with an industry like Messrs Lalit Link Chains (P) Ltd., employing 110 or lesser number of workers. Assuming for argument's sake that the pay scale fixed by the Third Major Engineering Tribunal compares unfavourably at some stages, it would not be possible for the Tribunal to take these scales for consideration as those were made applicable. to concern employing 250 or more workmen.

Messrs Lalit Link Chains (P) Ltd., it is to be pointed out is still a struggling concern and has not been able to overcome its teething troubles. Such a concern, in my view should not be saddled with a financial burden that might ultimately prove too much for the industry. It is well settled that in the matter of fixation of pay scales and wages for the industrial workers, most important factors to remember are the capacity of the industry to pay and the prevailing rate of wages. These are to be appraised on the footing of industry-cum-region basis. Reference may in this connexion be made to the case Caltex India Ltd., before the Labour Appellate Tribunal reported in 1952, L.A.C. page 402. Scales or grades of pay should not be forced upon an employer of industrial labour unless it is established that the employer has the present capacity to pay and its financial capacity can be counted in future. That the industry has been able to make even

substantial profit in a particular year is not a sufficient ground for increasing rates of wages (vide 1952 L.A.C. 178). It follows therefore that unless the financial condition of the company is proved to be sound, claim of the Union for incremental grades, retiring benefit, etc., should not be ordinarily be admitted. Reference may be made to the case of Bengal Card Board Industries reported in 1954, L.A. page 234. In the case of Express News Paper Private Ltd., reported in 1961 (1) L.L.J. page 339 Supreme Court in laying down the basis for fixing the rates of wages observed as follows:—

> "In the fixing rates of wages which include within its compass, fixation of scales of wages also, the capacity of the industry to pay is one of the essential circumstances to be taken into consideration except in the case of bare subsistence or minimum wage where the employer is bound to pay the same irrespective of such capacity, and the capacity of the industry to pay is to be considered on an industry-cum-region basis after taking a fair cross section of the industry". Their Lordships further observed "that the proper measure for gauging the capacity of the industry to pay should take into account the elasticity of demand for the product, the possibility of tightening up the organisation so that the industry could pay higher wages without difficulty and the possibility of increase in the efficiency of the lowest paid workers resulting in increase in production considered in conjunction with the elasticity of demand for the product—no doubt against the ultimate background that the burden of the increased rate should not be such as to drive the employer out of business.

In the case of Air Lines Hotel Private Ltd., reported in 1961 (1), L.L.J. page 663, Supreme Court in remanding the case to the Tribunal observed that to impose an additional burden in the shape of increased wages without giving a definite finding as to the financial position of the employer was improper and the adjudicator had to be satisfied that the financial condition of the employer was such as will enable it to bear the additional burden imposed. In applying the principles enumerated above the Industrial Courts were directed by the Supreme Court in French Motor Car Company's case reported in 1962 (II), L.L.J page 744 to compare the wage-scales prevailing in similar concerns in the region with which it is dealing, and generally speaking, similar concerns were to be regarded as those in the same line of business as the concern with respect to which the dispute is under consideration. It was further observed by their Lordships that even if, in the same line of business, it would not be proper to compare, for example, a small struggling concern with a large flourishing concern, and in the said context laid down that the extent of business carried on by the concerns, the capital invested by them, the profits made by them, the nature of the business carried by them, their standing, the strength of their labour force, the presence or absence of and the extent of reserves, dividends declared by them and the prospects about the future of their business and other relevant factors have to be borne in mind for the purpose of comparison. Bearing these principles in mind and analysing the evidence in the background of these observations, it is to be pointed out that the Union in the view of the Tribunal has not been able to make out a case for introduction of grades and scales of pay in the instant case. I have already referred to the financial condition of the company, which according to Director Haripada Chowdhury, O.P.W. 1 was facing a crisis. According to O.P.W. 2. Hrishi Banerjee, Messrs. Lalit Link Chains (P) Ltd., was paying higher wages than paid to the workers of similar factories or establishments in and around Howrah. Considering the evidence adduced on behalf of the Union, there is no reason to disbelieve the statement of the Company's witnesses. The stock for the finished products of the company was piling and the management has been finding it extremely difficult to market them. Cancellation of order by the Indian Railways appears to have increased their difficulty. The management, it appears, had to dispense with the services of a qualified engineer from the company and are now finding it difficult to keep the factory running and to pay their employees. It has not been suggested that there is scope for either economy in the industry or that similar concerns in the same line of business were paying their workers at a rate which compares unfavourably with the wages paid in the instant case. For all these reasons discussed above the Union, in the opinion of the Tribunal has not been able to make out a case for introduction of grades or scales of pay at this stage of the company's existence and they have put forward their demands too soon.

As regards dearness allowance it is to be pointed out that the wages that is given to the workers either of the skilled or unskilled category do not compare unfavourably with the scale formulated by the Third Major Engineering Tribunal in the year 1958 and the wages paid to the workers of Lalit Link Chains (P) Ltd., also includes a portion of dearness allowance.

Undoubtedly there has been a rise in the cost of living index as reflected in the consumer price index numbers for working class in Calcutta. The average cost of living index for the year 1965 was 507 and that in 1964, 180 points. Since the pay given to the workers in the instant case also includes a portion of dearness allowance, 50% neutralisation of the rise of the cost of living index would, in the opinion of the Tribunal meet the ends of justice in the instant case. Third

Major Engineering Tribunal fixed dearness allowance for the working class on a sliding scales at the following rates.

	Dearness Allowance fixed at Rs.
For the pay range up to Rs.50 ..	36
For the pay range from Rs.51 to Rs.100..	47
For the pay range from Rs.101 to Rs.150	53
For the pay range from Rs. 151 to Rs.200	59
For the pay range Rs.200 and above ..	65

This dearness allowance was fixed on the basis of the cost of living index at 364 points prevailing in 1957. Since then there has been a rise in the cost of living index to the tune of 130 points. Taking a rise in the cost of living index at the rate of Re. 1 for every 5 points up to 400 points and Re. 1 for every 10 points above 400 as observed by the Supreme Court in the case of Hindusthan Times reported in 1963 (1) L.L.J page 108 at page 115, the dearness allowance granted by the Third Major Engineering Tribunal is to be increased by Rs. 17. Consequently for the pay range up to Rs. 50 the dearness allowance will come up to Rs. 36+17=Rs. 53.

For the pay range from Rs. 51 to Rs.100	Rs. 47+17=Rs. 64
From Rs. 101 to Rs. 150	Rs. 53+17=Rs. 70
From Rs. 151 to Rs. 200	Rs. 59+17=Rs. 76
From Rs. 201 and above	Rs. 65+17=Rs. 82

Granting neutralisation to the extent of 50 per cent for all categories of workers, they will be entitled to get dearness allowance on the following sliding scale.

	Rs. P.
For those drawing up to Rs. 50 per month ..	26.50
For those drawing between Rs. 51 to Rs. 100 per month	32.00
For those drawing between Rs. 101 to Rs. 150 per month	35.00
For those drawing between Rs. 151 to 200 per month	38.00
For those drawing Rs. 201 and above per month ..	41.00

The Union claimed a still further rise in the dearness allowance on the ground that the cost of living index has shown a further tendency to rise in the first six months of the current year. But in view of the fact that dearness allowance already granted, will impose severe financial burden on the company, I do not consider it proper to impose any further burden at this stage on a struggling company like Lalit Link Chains (P) Ltd. It is well settled that financial position of the company has to be taken into consideration when fixing dearness allowance but not so that the dearness allowance falls below a certain level (Ref. 1956 L.A.C. 137). I therefore award dearness allowance to the workers of the company at the above rate with effect from 1st January, 1966 and the company must take step to pay the arrears within a month of publication of the award in the "Calcutta Gazette". This is the award of the Tribunal.

AWARD

This reference has arisen out of Labour Department order No. 2378-I.R./IR/8L-28/64, dated 13th June 1966. It relates to an industrial dispute between Messrs. Rampooria Cotton Mills Ltd., hereinafter referred to as the Company and their workmen represented by the Serampore Subdivisional Cotton Textile Workers' Union, hereinafter shortened as the Union. The issue for adjudication in this reference under section 10 of the Industrial Disputes Act is whether the dismissal of Shri Kedar Ahir is justified? To what relief, if any, is he entitled.

Briefly the facts may be stated. Shri Kedar Ahir was working as an Oiler in the Weaving Department of the Company. On 19th August 1963 he was going out of the mill area with a piece of cloth freshly dyed in blue without any gate pass or order of the Management. He was detained by the durwan. On the same day, he was given a charge-sheet for misconduct committed in contravention of paragraph 14(c), sub-paragraphs (i), (ii) and (xxx) of the Company's Certified Standing Orders. He made his reply to the charges denying them. Thereafter Shri N. P. Srivastaba held an enquiry into the matter. In the said enquiry Shri Kedar Ahir was not given any reasonable opportunity to defend himself. He was dismissed by a letter from the Manager on 19th September 1963. Shri Ahir wanted to prefer an appear against the order of dismissal but could not do so as he was not given copies of the domestic enquiry proceeding. Challenging his dismissal as unjustified, the Union prayed for his reinstatement and payment of back wages.

The Company in its statement said that Shri Kedar Ahir had been dismissed on the result of a fair and proper enquiry held by an officer of the Company in his presence and that Shri Ahir was given all reasonable opportunities to defend himself in that enquiry. It is also said that the charges brought against him were true and were duly established at the enquiry and that under the Standing Orders, he was liable to be dismissed for the said misconduct.

Shri Kedar Ahir was given the charge-sheet Ext. A, dated 19th August 1963. He replied to it by his letter Ext. B, dated 21st August 1963. He was given a notice Ext. C on 22nd August 1963 fixing 23rd August 1963 for holding the enquiry. He attended the enquiry. He admittedly took with him Manik Babu that is, Shri Satya Narayan Chatterjee, another employee of the Company, to the enquiry. Shri N. P. Srivastaba, O.P.W. 1, the then Personnel Officer of the Company, held the enquiry. Before him five witnesses were examined. His enquiry record written in his own hand, is Ext. D. He then made his report Ext. E. Thereafter the Manager issued the letter Ext. F to Shri Ahir dismissing him from service with effect from the same date. The Secretary of Shri Ahir's Union wrote to the Company a letter Ext. G on 5th November 1963 requesting that the enquiry proceedings should be furnished to them. The Company replied to it by its letter Ext. H, dated 8th November 1963, saying that the Union Secretary might inspect the enquiry proceedings in the office of the Labour Officer. It is said that the domestic enquiry was vitiated for several reasons and that the dismissal on the result of such enquiry should be held as unjust. It is said that the first infirmity in the enquiry proceedings is that the enquiry commenced with a close examination of the workman Shri Ahir and the second infirmity is that he was not asked to explain the circumstances appearing against him in the evidence at the close of the evidence of the Company's witnesses. It appears that both these contentions are sound. It is well-established in law that an enquiry starting with a close examination of the workman proceeded against, is bad and that it is equally bad if the workman is not asked to explain the circumstances appearing against him in the evidence at the end of the enquiry. Examination of the enquiry record Ext. D shows that the enquiry started with the examination of Shri Ahir. The examination was long. The questions asked were directed to ascertain whether he had committed the misconduct alleged against him. Reference may be made to one or two questions. He was asked as to how many occasions before he got his cloth dyed in the Mills. He was again asked as to how many particular pieces of cloths were still in his box. He was asked at the commencement as to whether he would be able to give any defence witness. He stated in reply to the question that he purchased the piece of cloth from Sampat Lal and that he could bring him as his witness. It must be said that this examination of the workman was not fair and vitiated the enquiry. It does not appear from the enquiry report Ext. D that Shri Ahir was given any opportunity at the end of the enquiry to explain the circumstances appearing in evidence at the enquiry. It does not also appear that he was asked at the end if he would like to examine any witness on his behalf. That also vitiated the enquiry. Again, Shri N. P. Srivastaba, O.P.W. 1, stated that the worker produced one or two witnesses and that he recorded their evidence. He stated that Gaya Datta was the witness produced by Shri Ahir. His enquiry record does not show that Shri Datta was a witness produced by Shri Ahir. That Shri Datta was not a witness of Shri Ahir is also seen from Shri Srivastaba's observation—"Kedar produced no witness" in the last line of the 5th paragraph of his report, Ext. E. Shri Srivastaba also stated that he asked Shri Ahir to crooss-examine the witnesses of the Company but did not ask Manik Babu to cross-examine them. But he ascertained at the beginning of his enquiry from Shri Ahir that Manik Babu was the nominee of Shri Ahir to sit in the case. Having ascertained that it was necessary for Shri Srivastaba to ask Manik Babu to cross-examine the Company's witnesses. Shri Srivastaba also stated that he was not given any list of witnesses and that the witnesses came before him one by one sent by some officers of the Company. He stated that he recorded the evidence in English and explained in Hindi the English record to the workman and Manik Babu. It appears that Shri Ahir and Manik Babu had signed at the foot of each statement but it does not appear that

it was after the contents were explained to them in Hindi. But the Tribunal here believes Shri Srivastaba when he states that he explained the contents to them in Hindi. Had he not done that, there certainly would have a mention of that in the Union's letter Ext. G. We see there is nothing like that in it. The Tribunal does not think that the enquiry was vitiated on the ground of the enquiry record not being explained to the workman and his nominee at the time of the enquiry. But the enquiry was vitiated for the other two reasons discussed before. It was alleged by the Union that Shri Ahir was not given opportunity to cross-examine the Company's witnesses. This does not appear to be true. It appears from the enquiry report to which Manik Babu, the Secretary of the Mill Unit of the Union, and Shri Ahir gave their signatures that there was cross-examination by Shri Ahir of the witnesses. Shri Ahir, P.W. 1, stated that he was kept outside the room where the enquiry was held. He was contradicted by Manik Babu, P.W. 2, who stated that he and Shri Ahir sat in the room a few yards from the enquiry officer. The Tribunal is satisfied that the workman was given opportunity to cross-examine the witnesses, but that his nominee was not given that opportunity. The Tribunal in the result, decides that the domestic enquiry was vitiated as the workman was closely examined at the commencement and not given the necessary opportunity of explaining the circumstances at the conclusion of the recording of the evidence.

The substance of the charge against Shri Ahir as seen in Ext. A was that he was going out with a freshly dyed piece of cloth through the gate and being detected, was caught there. On these facts the charges against him were under paragraph 14 (c) (i), (ii) and (xxx). It is said that the facts stated in the charge-sheet cannot rest any of the misconduct under any of these three sub-paragraphs. Paragraph 14 (c) (i) is wilful insubordination or disobedience to any lawful or reasonable order of superior. Certainly the facts stated in Ext. A cannot rest such a charge. But the enquiring officer found him guilty of that charge and the Management dismissed him on that charge. That was certainly wrong. Paragraph 17 (c) (ii) is theft in connection with the employer's property. Paragraph 14 (c) (xxx) is taking out of the works any article or material belonging to the Company without a gate-pass issued by the Company. If it is proved that the freshly dyed piece of cloth which Shri Ahir was taking out belonged to the Company, any of these two charges may have been brought or proved. So the essence of the charges is whether the piece of cloth belongs to the Company. But it appears from the enquiring officer's report, Ext. E, that he could not conclude that the piece of cloth belongs to the Company. It will be convenient to quote his conclusion in this respect. He concluded—"This led me to the conclusion that the statement of Kedar as regards the alleged purchase of the cloth from outside was false, and most probably, the cloth had been stolen by him from the Mill Loom Shed where similar clothes are stored." This is not a finding that the piece of cloth belongs to the Mill. On such a finding an order of dismissal could not, and should not, have been passed In view of what has been stated above, the Tribunal decides that the domestic enquiry was vitiated and the order of dismissal, resting thereon, was not just. Necessarily the workman would be entitled to an order of reinstatement and his wages from the date of suspension till the date of reinstatement.

As the Tribunal has held that the enquiry was vitiated, it is necessary to consider the evidence that has been given before the Tribunal in support of the charges in Ext. A. The evidence is that of O.P.W. 2, Shri P. R. Hui. He stated that the piece of cloth, kept as material Ext. here, was a cut piece and that such cut pieces of 2½ yards length are not generally sold in the market. He did not say that this particular cut piece was the property of the Mill. He only stated that this piece of cloth appears to be a piece of cloth of the Mill. In cross-examination he stated that other Mills might have been producing that variety of cloth with 28 and 38 counts thread. So, his evidence even if wholly believed, cannot rest a finding that this piece of cloth kept as material Ext. is the property of the Mill. Shri Ahir as P.W. 1 stated in cross-examination that he purchased this piece of cloth from the Shop of Sampat Lal eight or ten days before the enquiry and that he wore it for two or three days before that. In this state of evidence, the Tribunal is not satisfied that the Company has proved that this piece of cloth belongs to the Mill and that Shri Ahir committed any of the two misconducts in paragraph 17(c) (ii) or paragraph 17(c) (xxx) in taking out this piece of cloth. O.P.W. 2, Shri Hui, stated that on an average of 7 to 8 thousand metres of cloth come out as cut piece in a month and that these cut pieces are of varying length and are used for cleaning and for use on beams when starting looms. He stated that the Finishing Department can say if any stock of these cut pieces is kept. Without definite proof that this cut piece of cloths was the property of the Mill, the misconduct alleged against Shri Ahir cannot be held to have been proved. The Tribunal notes that the Company has not proved any of the misconducts in Ext. A against Shri Kedar Ahir.

In the result the Tribunal answers first part of the issue in the negative and directs that the Company reinstates Shri Kedar Ahir in the same post and pay him his wages and give him the other benefits from the date of suspension till the date of reinstatement.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Marwari Relief Society, 391-392 Upper Chitpur Road, Calcutta-7 and their workmen represented by Marwari Relief Society Hospital Workers' Association, 77 Burtolla Street, Calcutta-7. (Case No. 15 of 1965).

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present :

Shri A. K. DE, District Judge, Presiding Officer, Fifth Industrial Tribunal, West Bengal.

Present for the Society : Shri K. K. Moitra, Advocate.

Present for the Association : Shri Patit Paban Pathak, an Officer of the Union.

This is a reference made by the Government of West Bengal, in its Labour Department order No. 148-I.R./IR/11L-14/64, dated the 12th January 1965. The dispute is between Messrs. Marwari Relief Society, hereinafter referred to as the Society, and their workmen represented by Marwari Relief Society Hospital Workers' Association, hereinafter referred to as the Association, and relates to dismissal of 6 workmen of the Society.

At the hearing the Association did not press the cases of serial No. (i) Mahabir Prosad Sarma, Serial No. (ii) Kashi Prosad Sarma and Serial No. (v) Kailash Nath Kashyap in the order of reference for adjudication. Those workers also did not appear to press their cases. It is, therefore, not necessary to state any facts relating to their cases.

The facts are as follows :—

The Society issued a charge-sheet to each of the two workmen, Serial Nos. (iv) and (vi) in the order of reference on 27th January 1964. Each of them denied the charges in a written reply on 28th January 1964. The Society was not satisfied with their explanations and decided to hold an enquiry. The enquiring officer intimated the workmen the time and place of enquiry. The workmen, however, could not report for enquiry as the Society brought *goondas* within the premises and as they were holding out open threats of assult to the workmen. The Society went on with the enquiry in the absence of the workmen and on the report of such enquiry dismissed them on 3rd March 1964. Those two workmen, through the Union, challenge their dismissal as unjustified.

As against the workmen, Serial No. (iii) in the order of reference, the Society issued a charge-sheet on 14th December 1963. He denied the charges in his reply, dated 16th December 1963. The Society, not being satisfied with his explanation, decided to hold an enquiry. The Society gave notice of the enquiry to the workman. The workman attended the enquiry on several dates. On 11th January 1964 the enquiring officer asked him to sign on a blank paper which he refused. Thereupon he was threatened with assault and he fled away. He could not attend the enquiry thereafter because of that. The Society, however, concluded the enquiry. The enquiring officer found the charges proved. On his report the Society dismissed him from service on 25th February 1964. The Society again issued a charge-sheet to him, over the incident of 11th January 1964 in connection with the enquiry of the first charge-sheet, on 16th January 1964. The workman again denied the charges in his reply, dated 23rd January 1964. The Society held an enquiry into the second charge-sheet with notice to the workman. The workman could not attend the enquiry because of threats of assault on 11th January 1964 and because the Society did not, thereafter, assure him protection. The Society in the ex-parte enquiry found him guilty of the charges and ordered his dismissal thereon also. The workman, through the Union, challenges his dismissal as unjust. It is these dismissal of three workmen which is the subject-matter of the present adjudication.

The Tribunal is satisfied that there is no longer any dispute in regard to the issue about dismissal of workmen, Nos. (i), (ii) and (v) of the order of reference as the Union does not press their cases and the workmen do not also come forward to press their cases. The Tribunal will make a 'no dispute' award in respect of the dismissal of those three workmen.

The Society in a statement contests the claims of the workmen Nos. 3, 4, and 6. It is the usual defence that the charges against each of the workmen was true and that the charges were established in enquiries, fairly and properly held. It was stated that the dismissals were justified.

The issue for adjudication is—whether the dismissal of Sarbasri (iii) Udayaprotap Singh, (iv) Santosh Mohapatra and (vi) Bhupesh Kumar Das is justified ? What relief, if any, are they entitled ?

It would be convenient to discuss the case of Santosh and Bhupesh first. Ext. 29 is the charge-sheet which is given to each of them, Santosh and Bhupesh. Their replies are Exts. 30 and 39. It is not disputed that there was an enquiry into the charge-sheets. It is the case of the two workmen that he did not attend the enquiry. It cannot be disputed that a domestic enquiry may be held ex-parte if the person, proceeded against, chooses to remain away from it. So the fact that the enquiry was held ex-parte was no ground that the enquiry was vitiated. It may be said here that the learned representative appearing for the Association did not challenge the domestic enquiry as vatiated on that ground. His only ground of attack of this enquiry was that the charge was vague in being not definite as to date on which these two workmen were alleged to have affixed posters on the Hospital walls and not stating what the contents of the posters were and why those contents were considered objectionable. This contention has to be examined. The enquiry was held by Sri B. Sethia. His report is Ext. F. He summarised the charges as follows : he stated that the charge was that each of the two workmen, inspite of warning by the Society, continued affixing posters on the walls of the Hospital, and that each of them was found organising meetings during duty hours without permission of the Society and instigating other employees as a result of which acute indiscipline prevailed in the Hospital and general work suffered greatly. In his report he held that the witnesses stated before him that these two workmen affixed posters on the walls of the Hospital on 27th January 1964. It is this charge which he held proved. But it is not stated anywhere in the charge-sheet that any one of them was to explain his conduct in affixing posters on the walls of the Hospital on 27th January 1964. None of the two workmen was intimated as to the date of affixing posters. As a result he was not able to defend himself in the matter of that charge. Again, the charge was that each of them affixed objectionable posters. But it was not stated in the charge-sheet what were the contents of the posters and how they were objectionable. It does not appear from the Enquiring Officer's report, Ext. F, as to what were the contents of the posters. In this state of record it cannot be said that the said charge was proved or that the workmen were not prejudiced in making their defence as to the charge. The enquiry was vitiated in that respect. As to the other charge, it is noticed that it suffers from the same defect. The charge does not show on what date or dates the workmen held meetings, instigated other employees and caused suspension of work. Unless that was stated it cannot be expected that the workmen would be able to defend themselves in that respect. So for the same reason it must be said that the enquiry was vitiated in respect of that charge also. The dismissal resting on the finding of that enquiry cannot be said to be justified.

The enquiry suffers from another defect. The conclusions made by the enquiring officer are prejudiced and, as such, perverse. In the first paragraph at page 3 of his report he observed "This is an admitted fact that the posters were affixed on the walls containing objectionable language and the warning notices were issued by the complainanat to their workers". The workmen did not appear before him. There cannot be any question of admission. If the enquiring officer was thinking of the workers' reply to the charge-sheet in concluding that the facts were admitted, then also he has been hopelessly wrong because of prejudice. The replies are Exts. 30 and 39. They are also on the same terms. The relpies may be quoted "I have found that the allegations levelled against me are false, baseless, untrue and with an intention to harass me like other employees. It is not a fact that I affixed any poster inside or outside the wall of the Hospital and the notice board. I have no knowlegde of the contents of the said posters. I have never organised any meeting during my duty hours." To say on these replies that the charges were not denied or the allegations were not denied is incorrect. This incorrect reading of the replies is a perversity. This again prejudiced the entire report. In another part of the report at page 4 it is stated "The exhibits Nos. 7A and 7B are related with this story and the accused workers even did not deny in their written statement that they had not instigated the employees of the Hospital to do their duty". This observation is another instance of perversity. It has been pointed out that each of the workmen stated that he did not held any meeting. As the charge was that the employees were instigated by holding meetings it would appear that there was a clear denial of instigation of employees. It is also noticed that the enquiring officer relied on certain exhibits. It is not clear from the record that any of those documents was given to the workmen before the enquiry. That also vitiated the enquiry. The Tribunal concludes on the evidence that the domestic enquiry into the charge-sheet, Ext. 29, was vitiated and dismissal resting on that enquiry was not justified. In this proceeding the Society did not adduce any evidence to prove the charges before the Tribunal. That being the position, each of the two workmen is entitled to reinstatement from the date of dismissal. That is the normal rule. But the Tribunal is also required to take into consideration the past record of enquiry the nature of his alleged present lapses and the grounds on which the order of the management is set aside. The interest of and harmony in industry are also to be looked into. If the facts disclose that harmonious relationship cannot be brought about the remedy would be to give payment of compensation on a suitable scale.

It has been observed in some cases decided by the Supreme Court that the normal remedy of reinstatement may be departed from when other circumstances are present and that in granting relief the matter is not to be viewed altogether subjectively from the point of view of employer and employee but also objectively in the interest of the industry for bringing about harmony between the relationship of the two.

The charges against each of these two workmen are such as, if proved, are destructive of the discipline of the industry, The grounds, on which dismissal on the basis of the enquiry has been found to be not justified, are more or less very technical in nature. The two workmen were certainly non-cooperative. Their attitude was one of obstructing the holding of the enquiry. In consideration of all this, the Tribunal thinks that in this case a departure from the normal rule or reinstating the workmen is called for. The Tribunal will not, therefore, order reinstatement by way of relief

but shall direct the Society to pay adequate compensation to each of them. The Tribunal thinks that payment of six month's basic wages to each as compensation would be quite adequate in this case.

The Tribunal will now consider t hecase of Shri Uday Protap, No. (iii) in the order of reference. The Society gave him two charge sheets—one dated 16th January 1964 (Ext. A) and the other dated 14th December 1963 (Ext. I). The workman denied the charges both in his written explanation, Ext. B (reply to Ext. C) and Ext. M (in reply to Ext. A). The Society was not satisfied with either of the two explanations and appointed Shri H.R. Shah to hold enquiry into the charge-sheet Ext. C and Shri B. Sethia to hold enquiry into the charge-sheet Ext. A. There is no dispute that the Society's enquiring officers gave notice of the dates of enquiries in both the cases to the workman. The workman did not attend the second enquiry, i.e., the enquiry into the charge-sheet Ext. A at all. That enquiry was held ex-parte. The report of that enquiry is Ext. C. The other enquiry was held for a number of days in presence of the workman, i.e., on 25th December 1963, 30th December 1963, 31st December 1963, 2nd January 1964, 4th January 1964, 5th January 1964 and 9th January 1964 and that on the next date of hearing of that matter by the enquiring officer on 11th January 1964 there was an incident after which the workman left the place of enquiry. The enquiring officer being asked by the Society to give his report on the basis of evidence taken by him and oncluded up to 9th January 1964, made his report, Ext. G. These two reports made by the two enquiring officers were considered by the mangement together with the documents and the mangement decided to dismiss the workman. The Societ had dismissed the workman by the letter, Ext. D, dated 25th February 1964. It appears from this letter Ext. D that the dismissal was decided and ordered on th e basis of reports of both the enquiries and on the foot that the charges in both the charge-sheets were established. It is the Union's case on behalf of the workman that these enquiries were vitiated. It is said that the charge in the second charge-sheet, Ext. A, was false and that the enquiry into the first charge-sheet, Ext. I, was not completed at all. It will be convenient to consider these two contentions one after another.

It is quite clear from the record that Shri H. Shah held the enquiry into the first charge-sheet on several dates and that on each occasion he gave fresh notice of the date and time of enquiry to the workmen. It is also clear that the enquiry was not held on 11th January 1964, whatever the reason therefor, as the workman left the place. It is also clear that Shri Shah, thereafter, did not give fresh date to the workman about his enquiry. It can, therefore, be said that the enquiry was not colmpleted with due notice to the workman. It also appears from the report of Shri Shah, Ext. J, that he was not personally inclined to say that the enquiry had been completed but that he made his report as he was asked by the mangement to do so. This cannot be said to be a free enquiry. The enquiring officer stated in his report, Ext. G, as follows : "As a result of which I could not hold the enquiry on this date and I reported this matter to Shri Purushottam Kerjiwal, General Secretary of the Society, on 13th January 1964 in writing. As you have 'directed' me to submit the report on the basis of evidence 'already' recorded regarding the charge-sheet, dated 14th December 1963. I accordingly hereby submit my findings us under". It seems that there had been some imposition on him. That enquiry was being held against 4 employees. Before 9th January 1964 the statements of the witnesses produced by the Society were recorded. The workman cross-examined them. On 9th January 1964 one of the 4 employees Mahabir gave a statement. He was cross-examined by the Society's officer. It was then that the enquiry was adjourned to 11th January 1964 for completing the cross-examination of Mahabir and for recording the statement of other 3 employees and the witnesses of the 4 employees, if there was any. In this state of things it was quite reasonable and proper on the part of the enquiring officer to think that his enquiry was not completed on 11th January 1964 when suddenly the workmen left. This report on the basis of enquiry thus left incomplete has been rightly criticised as vitiated. The Tribunal agrees with that. The Tribunal is not unmindful that the sudden interruption of the enquiry may have been due to an act of the employees, as stated by the Society. But even that be so the enquiring officer rightly thought of giving another notice to the employees before concluding his enquiry, so interrupted. But this he could not do because of the direction from the Management. In that way the management interfered with the discreation of the enquiring officer and it vitiated the enquiry. The conduct of the employees in attending the enquiry on so many dates before 11th January 1964 and their presence even on 11th January 1964 only indicates that the workman was serious in defending himself and in availing himself of the opportunity given for that by the Society. Had he been given another notice after 11th January 1964 and had he remained absent thereafter, it would have been quite a different thing.

The report of the enquiring officer is halting and hesitant. He stated "only one charge-sheeted worker Shri Mahabir Prosad Sharma gave his evidence. He has made simple denial of the incident which I am unable to accept in the face of clear, convincing and voluminous evidence." If all the other 3 employees in the proceeding could give denial and could give evidence, it might have been quite different and the enquiring officer might have taken a different view. It has been pointed out that his enquiry report is not a ture record. Shri Shah, O.P.W. 2, stated that the signature appearing on one page of the enquiry report was not of his. That shows that the record had been altered or changed after it was made by him. Again, he stated in his evidence before the Tribunal that he made the record in his own hand. But in his report, Ext. G, he stated at several places that he got the evidence recorded by one Deonath Rai. It is also noticed that his statement in Ext. G that the only the examination-in-chief of Mahabir Prosad was completed on 9th January 1964 was incorrect whereas he stated before the Tribunal that he was cross-examined on that date also. The Tribunal therefore finds that the ture enquiry record has not been produced before it. The Society cannot ask the Tribunal to rely on that or to hold on it that the enquiry was duly and properly held in accordance with the principles of natural justice. The Tribunal decides that the enquiry of Shri Shah into the charge-sheet, Ext. I,

as vitiated. Dismissal resting on the report of such an enquiry cannot be held to be just. The Society has not proved by any evidence before the Tribunal the truth of the charges in Ext. I. That being so, the dismissal of Uday Partap Singh, resting as it does on the report of the enquiry on Ext. I, should be held not justified.

The Tribunal now proceeds to consider the other charge-sheet, Ext. A. This charge was brought on the basis of the incident that took place before the enquiring officer Shri Hariram, O.P.W. 2 on 11th January 1964 while he was holding the enquiry into the first charge-sheet. This enquiry was challenged on the ground that the charge was false. There is no dispute that there was some dispute before the enquiring officer Shri Hariram on 11th January 1964. But there are two versions—one was by the workman and the other by the Society. The Society's version is in the charge-sheet Ext. A. The worker's version is in the letter, Ext. O, dated 11th January 1964, addressed to the Labour Commissioner. It appears that both the workman and the Society made reports of the incident that very day. The Society's report may be seen in the letter, Ext. P addressed to the Officer-in-charge, Barabazar Police Station on 11th January 1964. This was a report by Shri G. P. Singh, General Manager of the Society. The first report of Shri Ram about the incident is in the letter, Ext N, dated 13th January 1964. It appears that he did not make any report till two days after the happening of the incident. His report, as appears in Ext. N, is that he asked the 3 workmen other than Mahabir Prosad to go out of his room, whereupon the 4 employees refused to comply with his request. His report further is that he explained the necessity for the other employees to be away, when Uday Protap stood up, threw away his chair, declared that what he was saying was correct and that he knew how to teach a lesson to the enquiring officer and the management. His report is not that Uday Protap abused him or Shri Kedia or Shri Bazaz or the General Manager Shri Singh. His report is that the other 3 workmen, Shri Kailash, Shri Kashi and Shri Mahabir stood up, shouted at them, threw away chairs, showed extreme anger and walked out. This report certainly does not support the charge-sheet, Ext. I, Shri G.P. Singh, General Manager's report to the police is somewhat different (Ext. P). His report is that all the 4 employees including Uday Protap, became furious, threw away chairs, threatened the enquiring officer and Shri Kedia and Shri Bazar abused them and went away without giving their statements. He did not say in his report, Ext. P, that he was threatened or abused. An examination of these two reports, Exts. N and P, at least does not show that the charge in Ext. A is true in all repects. It has been pointed out by the Society that the cause of the incident on 11th January 1964 is stated to be that the 3 workmen were asked to go out during cross-examination of Mahabir Prasad and they refused to do so and created troubles. It is proved from the enquiry report of Shri Shah and his evidence before the Tribunal that Mahabir Prosad was partly cross-examined on 9th January 1964, if not wholly, in presence of the other employees. There could not have been any occasion for the enquiring officer to ask them to go out on the following day. The whole basis of the incident appears to be doubtful. It is said that the charge was false and hence the report of the enquiring officer holding that the charge was proved should be thrown out as perverse and vitiated. There is force in this contention. It agian gets support from the report itself, Ext. C. It may again be said here that the enquiry was held ex-parte. For reasons, good or bad, the workmen did not attend the enquiry. It is no doubt quite legal to hold an enquiry in the absence of the workman if he chooses to be absent. Here the workman remained absent of the plea that the Society would assault him. This may not be true. It is quite improbable that in an enquiry held in the office at day time it would be possible for the Society to assault an employee without any protest from others. The Tribunal is not satisfied that the workman had good reasons for his absence in the enquiry. But the question is whether the enquiry was fairly and properly conducted and concluded. In Ext. C page 4 Shri Sethia stated that Deonath Lal filed requisite documents and papers. It is not said or proved that any of those documents were given to the workmen. He stated in the same page that the Society produced an affidavit affirmed by one of the workmen, Kailash Nath, for his consideration. He, in fact, considered that. That was a statement by another employee charge-sheeted. Without producing him for cross-examination as to the contents of the affidavit it was certainly unfair to consider that in concluding against Uday Protap. The enquiring officer laid bare his mind and his prejudice against them when he observed at page 6 of his report. "In view of the fact it was the duty of the accused workers to appear before my body of enquiry and to prove their case. Their default to participate in domestic enquiry is a sufficient cause to prove *suo motu* their guiltiness and in such circumstances I am not obliged to make consideration over their case although I considered properly all their papers placed before me". Thus he thought that the workman was guilty of the charge because he did not participate in the enquiry. This was certainly a very unfair approach. Again he was wrong when he stated that he considered properly all the papers placed before him, for, the workman did not appear before him and did not produce any paper of his. In the third paragraph of his report at page 6, he stated "I personally believe that neither these gentlemen nor any other executive can commit any act of assault for any purpose of the Society but on the other hand the assault is always made by the Labour Union leaders". It is difficult to say that the enquiring officer had an open mind when he was making his report. He was carried away by his sentiments for the institution and his animus against the labour leaders. The workman was a member of the labour Union. He was again allowed himself to be influenced by the statement of Kailash Nath in his affidavit made long after the incident. He used it against Uday Pratap also (see page 7 of his report). He again stated at page 5 of his report that the workman's version of the incident taking place on 11th January 1964 was false because his statement to the Labour Commissioner in Ext. M did not agree with his reply made to the charge-sheet. He found that he mentioned 'attempt to assault in Ext. N' but did not mention it in his reply to the chargo-sheet. He concluded saying". "It transpires to me that these accused workers had no regard for truth and they are habitual in making false statement for motive." In fact, he made sweeping

conclusions on no evidence. There is really no discripancy in the workman's statement in Ext. M and Ext. O. In Ext. M, dated 23rd January 1964, he stated that he had narrateh the whole fact on 11th January 1964 to the Society. He thus stated that the whole fact had been narrated in Ext. O which was given to the Society on 13th March 1964 (vide endorsement on the 1st page of Ext. O). Again, that discripancy, if any, is not such, that it could be said on it that the incident did not take place as narrated in Ext. O. That version of the incident appears to be correct. It should be remembered that the workman attended the enquiry for a number of dates and there is hardly any reason for him to suddenly absent himself from it with the risk of adverse finding made in the report against him. Had he the intention to boycott the enquiry, he would have done that from the beginning. The Tribunal on a consideration of the evidence placed before him is satisfied that the enquiry by Shri Sethia was vitiated and his report was perverse, prejudiced and biased. A dismissal resting on such report cannot be said to be just. The Society has not adduced evidence in this Tribunal to prove the charge in Ext. A. The Tribunal, therefore, decides that the dismissal of Uday Protap Singh has been unjust.

The Tribunal is of the view that reinstatement in this case will not be the proper relief. The charges against this workman were, if proved, serious and certainly subversive of discipline of the Society. Reinstatement of this workman will only result in disharmony not only between this workman and the Society but also in a general way. The grounds on which the Tribunal has considered that the dismissal has not been justified are also taken into consideration. Those are more technical than substantial going to the gravity of the charge. The Tribunal will, therefore, order payment of compensation in lieu of reinstatement in this case. The Tribunal considers that payment of 6 months' basic wages to the workman would be adequate in the circumstances.

The Tribunal, therefore, answers the first part of the issue in respect of the employees Nos. 3, 4 and 6 of the order of reference in the negative and directs that the Society pays to each of these three workmen six months basic wages as compensation in lieu of reinstatement. The Tribunal makes a 'no dispute' award in respect of the workmen Nos. 1, 2, and 5 of the order of reference holding that there is no longer in existence dispute in respect of dismissal of each of them.

ANNEXURE

In the matter of an industrial dispute between Messrs. Orient Steel and Wire Industries (P) Ltd., 6 Gopal Ram Pathak, Liluah Howrah and their workmen represented by West Bengal Engineering Workers' Union, 48 Dharmtalla Street, Calcutta-13, referred under G.O. No. 853-I.R./IR/10L-26(A)/66, dated 28th February 1966. (Case No. VIII-63/66.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri A. K. DE, Judge.

Appearances:

Present for the Company: Shri D. N. Verma, Officer of the Engineering Association of India.

Present for the Union: Shri Shankar Ray Choudhury, Advocate.

This industrial dispute is between Messrs.. Orient Steel and Wire Industries (P) Ltd., hereinafter referred to as the Company and their workmen represented by West Bengal Engineering Works' Union, hereinafter shortened as the Union. It has been referred for adjudication under section 10 of the Industrial Disputes Act to this Tribunal by the Government of West Bengal in its Labour Department, order No. 853-I.R./IR/10L-26(A)/66, dated 28th February 1966.

Facts resulting in the dispute may be stated briefly. Shri Swaminath Bhagat was an employee of the Company. He was granted leave from 12th April 1965 to 11th May 1965, and went to his native place. He fell ill there during the period of leave and petitioned to the Company for extension of it with a medical certificate. The Company did not send any reply to his petition. He returned for duty on 6th July 1965, and produced a

certificate of fitness. The Company did not allow him to work and noted on his fit certificate that he had been dismissed. He again went to the factory on 7th July 1965 and 8th July 1965, in the hope of getting employment but in vain. The Union wrote a letter to the Deputy Labour Commissioner about this wrongful refusal of employment to him on 2nd August 1965. Attempt at conciliation by the Labour Commissioner was fruitless. It was prayed that Shri Bhagat should be reinstated with full wages for the period of illness.

The Company stated in reply that Shri Bhagat did not report for duty on the expiry of his leave on 11th May 1965, and continued to absent himself without giving any notice or getting extension of his leave. It was stated that the Company asked him to report to duty within 7 days of the receipt of the letter, dated 3rd June 1965. He did not reply to that letter and did not report for duty. The Company thereafter informed him on 20th June 1965, that he, not having reported for duty as asked for and having absented himself without any leave, had lost his lien on the Company's service and would be treated as having left his service of his own accord with effect from 21st June 1965. The Company admitted that the workman came for his employment on 6th July 1965, but that the Company could not give him employment as his services were terminated in accordance with the Company's Certified Standing Orders. It was further stated that the reference was bad as the Union did not represent the employees of the Company.

The issue is whether refusal of employment to Shri Swaminath Bhagat is justified? What relief, if any, is he entitled to?

In view of the introduction of section 2A of the Industrial Disputes Act on 19th November 1965, the Company did not press its objection as to the reference being bad on the ground of the Union not representing its employees. The reference was made to this Tribunal on 28th February 1966, that is, after that amendment. The Tribunal rejects this contention of the Company and decides that the reference is good in law and has to be adjudicated upon.

It is not disputed that Shri Bhagat was granted leave from 12th April 1965 to 11th May 1965, without pay in the Company's letter Ext. 1, dated 10th April 1965. It is not disputed that Shri Bhagat did not report for duty on 12th May 1965, on the expiry of that leave and in fact, reported for duty only on 6th July 1965. It is also not disputed that he saw the Manager of the Company on 6th July 1965, and was told that he could not be given any employment. It is the case of the Union that this refusal of employment to Shri Bhagat from 6th July 1965, is unjustified, whereas the Company's case is that Shri Bhagat left his services from the date he was due to return after the expiry of the leave that is, from 12th May 1965. It appears from the Standing Orders Ext. C, certified by the Labour Commissioner in his letter Ext. B, that if a workman does not report for duty within 8 days of the expiry of his leave, he shall be treated as having left the services from the date he was due to return, vide para. 2(i) in section G of Ext. C. The Standing Orders bind the employer and employees, vide 1965 (I), L.L.J., page 54. Here on the admitted facts it follows that the workman had left his services, not having reported to his duty within 8 days from 12th May 1965. But it is contented by the Union that the workman applied for extension of leave for two months before 12th May 1965, and as such it should be held that he was on leave up to 6th July 1965, when he reported for duty. If it is proved that he applied for leave up to 6th July 1965, and that was granted by the Company, certainly refusal of work to him on and from 6th July 1965, would be unjustified. Again, if it is proved that he applied for extension of leave up to 6th July 1965, and the Company did not inform him that it had refused or granted the leave till 6th July 1965, then also it should be held that refusal of work to him on and from 6th July 1965, was unjustified. The question is whether any of the two alternatives stated above had been established. It is the admitted case of the parties that the Company did not grant or refuse any leave to the workman Shri Bhagat after 10th April 1965. The Company stated that Shri Bhagat did not make any application for leave before 12th May 1965, or at any time thereafter before 6th July 1965. The Union has failed to prove that the workman made any such application for leave. Shri Bhagat, P.W. 1, stated in his evidence that he fell ill on 8th or 9th May at home and that he sent a petition for leave together with the medical certificate of the Doctor. He sent the papers under registered post under the receipt Ext. 2. The Company stated that they got a medical certificate but without any petition for leave. The Company's Manager, Shri Banka, O.P.W. 1, stated that no formal application for leave from the workman was necessary. It may be taken, therefore, that the workman sent the medical certificate, Ext. 3, dated 9th May 1965, to the Company. The question is whether this certificate shows that the workman required leave for 2 months or for any period. The certificate only shows that he was suffering from Malaria fever from 9th May 1965, and that he was under the treatment of the certifying Doctor. It did not say that he required leave for any period. That being so, the Company was right in treating that certificate as no application for leave. The Tribunal also holds that Shri Bhagat did not apply for leave. He only sent a medical certificate. The certificate also did not show that he was not fit to resume work from 12th May 1965. The workman did not produce any copy of his petition said to have been sent with the medical certificate. He also did not say at any time before hearing in this Tribunal that he applied for 2 months' leave. Paragraph 4 of the Union's written statement be the Tribunal may be seen. It states that he applied for leave but did not say that it was for 2 months. The workman admittedly wrote this letter Ext. A on 8th July 1965. Even then, he did not say that he applied for 2 months' leave. There he stated in para. 1 that he intimated the Company of his illness by a letter. He did not say that he applied for leave or that he asked for

leave for 2 months or for any period. The Union took up his case by writing a letter to the Labour Commissioner. A copy of that letter was sent to the Company, see Ext. F. Even in this letter, there was no mention that the workman applied for 2 months' leave on the ground of his illness. The Tribunal on this evidence decides that the workman did not apply for leave for 2 months or for any period before 12th May 1965. Therefore, it follows that the workman left his services not having returned to duty within 8 days of the entry of his leave.

The Company did not apply the penal provision of para. 2(i) of the Standing Orders with the expiry of this workman's period of leave. The Company wrote to him on 5th June 1965, Ext. D, asking him to report for duty within 7 days from the date of the notice. He did not turn up. Then by letter Ext. E, dated 20th June 1965, intimated the worman that his services would stand terminated with effect from 21st June 1965. It was stated that the Company did not write these letters and that the workman did not receive those letters. The fate of this dispute does not depend on the writing of these letters or the receipt of those letters by the workman. The Tribunal is satisfied that the Company wrote these letters. It appear from the letters and the evidence of Shri Banka, O.P.W. 1, that the Company endorsed copies of the letters to the Assistant Labour Commissioner, Howrah, when it wrote to the workman. The Tribunal does not find anything not to accept this evidence. The Company could have enforced the penal provision of para. 2(i) even without writing these letters. The workman produced the certificate, Ext. 5, when he tried to rejoin his duty on 6th July 1965. The Company noted thereon that he had been dismissed. Thereafter he wrote the letter Ext. A on 8th July 1965. Even then, he did not say that he applied for leave before 12th May 1965. The Tribunal is satisfied that the Company had not refused employment to the workman but that the workman left his service not having acted in accordance with the provision of the Standing Orders, Ext. C. The Tribunal decides that there was no refusal of employment to Shri Bhagat and that the question of its justification does not arise. The workman is not, therefore, entitled to any relief.

It is necessary to note another contention made before this Tribunal. The two certificates Ext. 3 and Ext. 5 produced by the workman go to show that his case that he fell ill before 12th May 1965, and remained ill till 6th July 1965, was not true. In Ext. 3, the disease mentioned is Malaria fever. It is also stated there that his treatment began on 9th May 1965. But in Ext. 5, the diseases mentioned are Malaria fever and dysentary and that he was under the treatment of the Doctor from 8th May 1965 to 5th July 1965. If the Doctor really treated him, these discrepancies would have been in the certificates. Again, Shri Bhagat in his evidence before the Tribunal stated that he returned to Howrah, on 3rd July 1965, and reported for duty on 6th July 1965. He stated that his native place was Jatawa in Chapra District, Behar. Therefore, he was not certainly under the treatment of the Doctor up to 5th July 1965, as stated in Ext. 5. In this state of record, the Tribunal finds it difficult to accept his case of illness from 12th May 1965. It may be convenient to note here that this workman went on leave in January 1964, and over-stayed his leave and rejoined in May 1964. This is seen from his leave book, Ext. 4. He worked for 19 days in January and was absent in February, March and April. He got leave wages for January and did not get any leave wages from February to April. It was stated by Shri Banka, O.P.W. 1, that this workman, for his over-staying in 1964, was verbally warned. He stated that the Company did not write to him till 5th June 1965, even though his leave expired on 12th May 1965, because he was in the habit of over-staying and the Company expected that he might rejoin within 10 or 15 days. The Tribunal accepts this evidence as correct. That is why the Company wrote to him on 5th June 1965, to give him a chance to rejoin his duties as a measure of grace. But even that he ignored. Therefore, the Tribunal thinks that the workman cannot say that he was refused employment unjustly.

In the result, the Tribunal answers first part of the issue in the positive and the second part in the negative.

AWARD

The Government of West Bengal, by order No. 1263-I.R./IR/11L-358/64, dated the 31st March 1965, had referred the following industrial dispute between Burdwan Central Co-operative Bank Ltd., G.T. Road, Burdwan, and their workmen represented by the Co-operative Employees' Association, District Congress Office, Burdwan, to this Tribunal for adjudication.

Issues

1. Grades and scales of pay.
2. Dearness Allowance.
3. Medical Aid.
4. Travelling Allowance of the supervising staff.

After the service of usual notice, the workmen represented by the Association had put int the written statement at first as directed, and thereafter the employer had put in the written statement.

In the written statement submitted on behalf of the Association, it has been stated that the employer was one of the Pioneer Co-operative Banks in the State of West Bengal, and is in a very sound financial position and is able to pay wages to the workmen far above the floor level of fair wages. At least there is no justification for not paying to the workmen the fair wages, and the wages actually paid by the bank to the employees are much below the need based minimum, and are extremely inadequate having regard to the rise in the cost of living index. Regarding D.A., it is said that there is no possibility of any fall in the cost of living index, and therefore, adequate D.A. ought to be paid by the bank to its employees. During the course of conciliation proceeding, the bank had offered certain scales of pay for the different categories of workmen and also offered D.A. at the flat rate of Rs. 12 but the workers were unable to accept the offer of the employer. The scales offered by the employer have been shown in paragraph 8 of the written statement of the Association, and the scales demanded by the workmen had been shown in paragraph 9 of the written statement. With regard to the D.A. , it is said that the D.A. should be allowed at the rate of Rs. 25 at the cost of living index at 425 and for every rise and fall of the cost of living index of 425, the rate of D.A. should be increased or decreased by Rs. 2 for every 5 points. Regarding medical aid, it is said on behalf of the workmen, that no medical aid is at all given by the employer. The workmen demand that when leave is granted on medical certificate, all expenses incurred for the treatment should be borne by the bank on production of the supporting voucher, subject to a limit of Rs 100 per year. With regard to travelling allowance to the supervisory staff, it is said that the supervisory staff had to undergo travel in course of their employment and therefore, they should be paid Rs. 100 per month by way of travelling allownace in addition to Rs. 3 per diem.

In the written statement submitted on behalf of the employer, it is not disputed that the bank is one of the Pioneer Co-operative Banks in the State of West Bengal, but it is said that it is not in the sound financial position as alleged and is not able to pay the workmen far above the floor level of fair wages. The bank had been increasing the scales of pay of the workmen from time to time, after meeting the statutory obligations, and keeping in mind its place in the rural economy in the State of West Bengal. The latest upward revision had been made on 12th January 1965 which was effective from 1st January 1965. The scales of pay as revised are above the need based minimum and having regard to the financial condition of the bank, as would appear from the audited balance-sheets, the bank is not in a position to pay higher wages to the workmen. With regard to the D.A., it is said that the D.A. was merged to the basic pay on 14th June 1963 and an increment of Rs. 5 was allowed in each case and thereafter additional D.A. at the flat rate of Rs. 12 per month with retrospective effect from 1st July 1964 was granted. In view of the financial condition of the bank, it is not in a position to introduce a sliding scale of D.A. rising and falling with the cost of living index. In paragraph 6 of the written statement of the employer the scales of pay as introduced with effect from 1st January 1965, had been mentioned. It is further stated that the employer is not able to allow D.A. at the rate mentioned in the written statement of the Association, that the wages and D.A. cannot be allowed with retrospective effect from 1st January 1964 as claimed, that the claim of recovery of medical expenses subject to a limit of Rs. 100 per year, as made by the Association, is unreasonable and unjustified, and that the claim for travelling allowance for the supervisory staff, at Rs. 100 per month in addition to the existing travelling allowance of Rs. 3 per diem, is also arbitrary and unjustified. Lastly, it is said that in view of the financial condition of the bank, it is not in a position to grant higher wages or higher D.A. or the other benefits which had been claimed on behalf of the Association.

Decision

Before I proceed to discuss the other issues, I would point out that the learned Advocate Shri Ash appearing for the employer had submitted that the employer concedes to the demand made by the employees in paragraph 10 of the written statement filed by the Association. He had submitted that the employer agrees to pay a sum of Rs. 100 per year to the employees, whether they receive treatment from an alopathic doctor or a homoeopathic doctor or a kaviraj. Shri Ash, however, submitted that the treatment must be by registered medical practitioner, and the vouchers signed by the such registered medical practitioner should be produced before the payment can be made by the bank. The medical expenses may also be paid to the legal representative or representatives of the deceased employee. Shri N. Roy appearing for the Association had also agreed to the terms suggested by Shri Ash for the employer. Shri N. Roy had also submitted that the Association is not pressing the claim for re-imbursement of the medical expenses regarding the members of the families of the employees. In view of the submission made by Shri Ash and Shri Roy, appearing for the parties, it is not necessary for me to discuss the question of medical aid (issue No. 3) and there would be an award in terms of the submission mentioned above.

I shall now take up for consideration the issues Nos. 1 and 2 together. Before I discuss the facts and circumstances relating to these issues, I shall refer to certain decisions to which my attention has been drawn and also to certain other decisions. It appears from the ruling reported in A.I.R.1959 S.C.676 =1959(I) L.L.J., 431 (Lipton Ltd. vs. their workmen) that in so far as the bare minimum wages are concerned, it has been held that no industry has right to exist unless it is able to pay to its workmen at least the bare minimum wages, and in other words, the minimum wage in the first charge on industry, that in the ruling reported in A.I.R. 1958 S.C.578 = 1961(I) L.L.J., 339 [Express Newspaper (P) Ltd., vs. Union of India], the 3 concepts of minimum wage, fair wage and living wage have been examined, and it has been pointed out that the content of these expressions is not fixed or static and that it varies and is bound to vary from time to time. It has been further held that for payment of fair wage as for a living wage, the financial capacity of the industry is undoubtedly relevant consideration, that the capacity to pay is to be considered on an industry-cum-region basis after taking a fair cross section of the industry, and after taking into account the elasticity of the demand for product, the possibility of tightening up the organisation so that the industry could pay higher wage without difficulty and the possibility of increase in efficiency of the lowest paid worker resulting in increase in production and the possibility of the increased burden driving the employer out of business and that the trading results over a period of years must be considered in determining the financial capacity to bear the burden of wage increase and that it cannot be said that the fair wage must inevitably be postponed till a fair return on capital is obtained. Lastly it is observed that the wages are fixed on a long term basis and depend on the cost of living and needs of workmen. In the case reported in A.I.R.1964 S.C.728=. 1964 (I) L.L.J., 380 (Workmen of Balmer Lawrie Co. vs. Balmer Lawrie Co. Ltd.), it has been laid down that the wage scales are revised and wage structures constructed as matters of long term policy and so, industrial adjudication would naturally be reluctant to interfere with the wage structures without jurisdiction or in a light-hearted manner, that when wage structure is framed, all relevent factors are taken into account and normally it should remain in operation for a fairly long period, that the technical rules like res-judicata are not applicable, that the plea of the workmen that there had been rise in the cost of living and therefore the wage must be revised, in spite of the adoption of the Bengal Chamber of Commerce formula for D.A., must be carefully examined, unless the Tribunal thinks that that formula gave nearly complete neutralisation against the rise in the cost of living and that the increase in the paying capacity of the employer is to be considered also. It has been further observed that in deciding the question of comparable concerns, the industrial adjudication does not usually rely on oral evidence alone, that the material facts and circumstances are generally proved by documentary evidence and that the total capital invested, the extent of business, the quantum of profits, the quantum of dividends paid, the number of employees, the standing of the concern in the industry and other matters, are to be carefully considered. In the case reported in A.I.R., 1963 S.C. 1327 = (1963-64) 24 F.J.R., 270 (French Motor Car Co. Ltd. vs. its workmen), certain principles regarding the wage scales and D.A. had been laid down by their lordships of the Supreme Court. They are as under :—

(1) where there has been large increase in the cost of living since wage scales were last fixed. This change in economic condition would be sufficient to make out a case for revised wage structure, notwithstanding that the same had been fixed only a few years before;

(2) when an industrial court proceeds to consider questions like wage structure, D.A., and similar condition of service, the principle of industry-cum-region should be applied, and, in applying that principle, the industrial courts have to compare wage scales pre-vailing in similar concerns in the region—similar concernsbeing those in the same line of business as the concerns in respect of which the dispute is under consideration. Even in the same line of business, it would not be proper to compare a small struggling concern with a large flourishing concern. The industrial court has to see that the disparity is not so much as to make the comparison unreal;

(3) Where the concern is itself paying the highest wages in the particular line of business, it does not mean that there would be no justification for increasing its wage scales. In such cases, there should be a greater emphasis on the region part of the industry-cum-region principle, though it would be the duty of the industrial court of see that for purposes of comparison, such other industries in the region are taken into account, as are as nearly similar to the concerns before it, as possible;

(4) In the case of clerical and subordinate staff, it may be possible to take into consideration even those concerns who are engaged in entirely different lines of business, because the work of the employees of this class is more or less similar in all concerns;

(5) Generally adjustments are granted, when wage scales are fixed for the first time. Even where the pay scales are in existence, the industrial tribunal can direct adjustment, but this should be sparingly done taking into consideration the facts of the case. Where increments in the existing scales are generous, the adjustments would only be made by giving the next stage in the new scale.

This case has been followed in the case reported in 1965 (II) F.L.R., 278 (Anil Starch Products Ltd. vs. I.G. Thakore). In the case reported in 1966 (12) F.L.R., 271 [Filmistan (P) Ltd. vs its workmen], it has been held that in considering question of revision of pay structure, the financial position of the employer is one of the relevant factors which has to be properly considered before an appreciable revision in the wage structure can be ordered and that the Tribunal must examine the facts and figures relating to the financial position of the establishment concerned, comparing the said position, with the financial position of the comparable concerns enquire what would be the total impact of the additional burden of raised wages and then come to a final conclusion in that behalf. Similar principles have been laid down in the rulings reported in 1962 (I) L.L.J.271 (S.C.) (Novex Dry Cleaners vs. its workmen) and 1966 (I) L.L.J.1 (S.C.) — (Ahmednagar Mill Owners Association vs. Textile Labour Association). Regarding D.A., I think reference may also be made to the ruling reported in 1956 (II) L.L.J., 450 (S.C.) — (Clerks of Calcutta Tramways vs. Calcutta Tramways Ltd.). In that case, their Lordships of the Supreme Court had observed that it can be taken as settled that in matters of grant of D.A. excepting the very lowest class or manual labourers whose income is just sufficient to keep body and soul together, it is unpolitic and unwise to neutralise the entire rise of cost of living by D.A., and this is more so in the case of middle-class. Bearing these principles in mind, I shall now proceed to discuss the facts and circumstances of the present case.

I shall first of all consider the capacity of the bank to pay higher wages. It is undisputed that there had been merging of D.A. with pay with effect from 14th June 1963 and that the wages had been revised on 12th January 1965 with effect from 1st January 1965. I think, it is necessary to mention the revised scales which had been stated in paragraph 6 of the written statement of the employer.

Designation	Scales of pay
1. Assistant Secretary	: 250-8-290-10-390-12-475
2. Accountant	: 225-8-265-10-365-12-425
3. Additional Accountant	: 200-8-240-10-340-12-400
4. Cashier	: 175 6-235-8-350 (revised with effect from 25th March 1965)
5. Assistant Accountant	: 160-5-185-8-345.
6. Godown Keeper	: 160-5-185-8-225-10-320
7. Senior Assistant	: 150-5-175-6-235-8-325
8. Senior Supervisor	: 140-5-165-8-325
9. Supervisor/ Ledger-keeper	: 130-5-155-7-295
10. General Assistant	: 120-5-145-6-175-7-280
11. Peons	: 85-2-105-3-135

In addition to this, an additional D.A. at the flat rate of Rs. 12 per month with retrospective effect from 1st July 1964 has been given to the employees.

The grades and scales of pay as demanded by the Association with effect from 1st January 1964 are as follows :—

Designation	Scales of pay
1. Assistant Secretary	: 450-20-550-25-675-30-825
2. Accountant/ Additional Accountant	: 400-20-500-25-625-30-775
3. Cashier/Asstt. Accountant	: 250-10-300-15-375-20-475-25-500.
4. Senior Supervisor/ Senior Assistant/ Godown-keeper	: 220-10-270-12-330-15-405-20-445
5. Ledger-keeper	: 200-8-240-10-290-15-365
6. Supervisor/General Assistant/Typist/ Poddar	: 150-5-165-7-200-11-299-13-330
7. Office peon/durwan/ superior peon	: 90-1-100-2-120-3-135

D.A. at the rate of Rs.25 at the cost of living index of 425 has been claimed and it has also prayed that for every rise and fall over and below the cost of living index of 425, the rate of D.A. would be increased or decreased by Rs. 2 for every 5 points. The question now is whether the bank has the capacity to increase either in the wage scales or the D.A. Shri Roy appearing for the Association has submitted—this has not been disputed by Shri Ash before me—that the minimum cost of living index in 1964 was 480, that the maximum cost of living index in that year was 503, that the average of the cost of living index in 1964 was 495, that the cost of living index in 1965 is higher still, that the lowest in 1965 was 523 and that in November 1965 it was 555. Therefore, there had been rise in the cost of living index even after the fixation of wage scales with effect from

1st January 1965. In the circumstances the argument on behalf of the employer that as the wage scales have been fixed only shortly before the reference, there should be no revision of wage scales and D.A. cannot be accepted.

Now, regarding financial condition of the bank, the employer had given a chart in paragrph 10 at page 6 of the written statement.

Year	Net Profit	Statutory Reserve	Other Reserve	
			Bad Debt fund	Stabilisation fund
1961-62	74,040.11	24,000	9,000	5,000
1962-63	94,712.43	31,600	9,000	3,500
1963-64	90,568.92	32,000	27,000	3,200

Allotment to other obligatory charges

Year	Dividend	Gratuity fund	Co-operative Development fund	Social Welfare fund	Building fund
1961-62	34,290	4,600	750	Nil	Nil
1962-63	48,515	5,340	600	500	1,000
1963-64	51,269	10,375	600	500	2,000

There is a note to the effect that the bad debts of the bank to date amount to Rs. 4,93,382.44 but the allocation to the bad debt fund has been rather poor and inspite of adverse remark by the Reserve Bank of India and other inspecting officers, higher allocations had not been possible.

Now the total capital invested for the different co-operative years (from July of one year to the end of June of the following year) is as follows :—

Year	Capital invested
1959-60	64,01,706
1960-61	80,27,590
1961-62	95,37,107
1962-63	1,38,48,365
1963-64	1,55,03,695

(vide Ext. 4, Exts.A and A-1). I was told at the time of opening that the working capital in 1965 was about 2 crores of rupees.

The figures which I have mentioned above certainly show that the bank is in a financially sound position. There is also the admitted position that the bank is one of the pioneer co-operative banks in the State of West Bengal (vide paragraph 1 of the written statement of the union, and paragraph 2 of the written statement of the employer).

I shall now turn to discuss the amount of net profits in different years ; they are as under :—

Year	Amounts	
1958-59 ..	44,871	(Vide Ext. 4)
1959-60 ..	78,855	
1960-61 ..	1,05,257	
1961-62 ..	74.040.11np. (vide Ext. A)	
1962-63 ..	94.712.43 np. (A figure shown in the balance-sheet of 1963-64 is Rs. 94,715.80 nP)	(Vide Ext. A-1
1963-64 ..	96,568.92 nP.	
1964-65 .. (Up to the date of Audit on 30-4-65).	48,735.00	

From the figures which I had mentioned above, it is absolutely clear that the bank had been earning fairly good profits each year. In this connection, I would also point out that in the different Auditors' reports, it has been pointed out that the different sums in the hands of the bank, which could have been wholly invested by the bank outside its business, had not been wholly invested, and inspite of the adverse criticisms of the different Auditors' firms, regarding the investment policy of the bank of the sums which could be so invested to earn higher income, the bank had continued in keeping part of the amounts in its hands. It is certainly not

for the tribunal to say how the money of the bank ought to be invested, but I do not see that the adverse criticisms of the Auditors for a number of years could have been neglected when there is the possibility of higher income for the bank, if proper investment policy was followed and the full amount had been invested. The bank had invested various amounts in the shares of the Bengal Provincial Bank, Central Finance Corporation, West Bengal Finance Corporation, Bengal Chemical and Pharmaceutical Works, Government Promisory Notes, Post Office National Planning and Savings Certificates, and Debentures and Trustee Securities. They have also given various amounts as loans to the affiliatd Societies and also deposited various sums in the post office, West Bengal Provincial Co-operative Bank, State Bank of India, Burdwan Branch, State Bank of India, Calcutta, and Asansol Peoples Central Co-operative Bank Ltd. The bank appears to have a bad debt of Rs. 2,43,378 which appears to have been deposited in various banks which are now in Pakistan. Shri Ash appearing for the employer had drawn my attention to the amount payable by the Pakistan Central Co-operative Bank. P. W. 1 has also admitted that in the amount which I have mentioned above, is lying in Pakistan but I do not think that the amount of bad debts is really very large in consideration of the investment and total income of the bank. It may also be mentioned here that the various reserve funds, like bad debt reserve, depreciation reserve and other reserves had been increasing year by year. The facts and circumstances which I have mentioned above certaily cannot show that the bank is not in a finacially sound position and has no financial capacity to pay enhanced wages to its employees.

Regarding the dividend declared by the bank, on which some reliance has been placed by Shri Ash appearing for the bank ; the figures are as under :—

1960-61	..	4½%
1961-62	..	4½%
1962-63	..	4%
1963-64	..	3½%

Mr. Ash has pointed out that the percentage of dividend has gone down in 1963-64. There is no doubt some decrease in the percentage of dividend of that year. But the average percentage for the years mentioned above, is about 4 per cent. and the difference is not a material difference. Shri N. Roy appearing for the employees had also pointed out that the number of shareholders who are to get the dividend, had increased in that year as a result of which the percentage of dividend became lower than the percentage in the previous year. The balance-sheets which had been produced tend to support the contention of Shri Roy.

Regarding the extent of business, the bank is not only carrying on the business of a co-operative bank, but has extended its activity in lending money in connection with the package programme which was brought into force sometime in 1962. In fact Ext. 1 would show that the work of the Central Bank and the affiliated societies had increased considerably after the package programme had brought into force in the district of Burdwan. Therefore the business of the bank which was fairly extensive previously, had been further extending in connection with the loans advanced on account of the introduction of the package programme in the district of Burdwan.

Regarding the number of employees, it appears from Ext. F that there are 94 employees including the clerical and subordinate staff. The evidence of P. W. 1 shows that Grade I comprises the Manager, Assistant Secretary, the Accountant and the Additional Accountant and excepting the menial staff, the other employees are in the second grade. Now the total wage bill for different years is as under :—

Year	Amount
1960-61 ..	.. 71,729.38 nP. (Ext.4)
	(Shown as Rs.71,929. 38 nP. in Ext. A)
1961-62 ..	.. 1,03,392.40nP.
1962-63 ..	.. 1,19,345.60 nP.
1963-64 ..	.. 1,50,133.52 nP.

The wage bill has no doubt increased as the above-mentioned figures show, but there had been previous increases of the wages of the employees. Ext. E shows the scales of wages before 20th July 1963, the wage increased afterwards and the wages as from 1st January 1965. It appears that the total wages of the employees of the bank do not exceed 1 per cent. of the total earnings of the bank.

Regarding the standing of the bank, it is admitted, as I have mentioned earlier, that it is one of the pioneer in the co-operative banks in the State of West Bengal.

On a careful consideration of the facts and circumstances which I have mentioned above, I have come to the conclusion that the submission of Shri Ash on behalf of the bank that the bank has no financial capacity to pay any increase wages to the employees, cannot be accepted. It is, of course, true that there is no clear and definite evidence regarding the wages paid in comparable concerns. Shri Roy appearing for the employees submitted that the evidence regarding wages in comparable concerns is not always be necessary and the tribunal can fix suitable wage scales having regard to the financial condition of the bank itself. As there is no reliable and cogent evidence regarding the wage scales of the comparable concerns, I think I will have to fix suitable wage scales taking into account the financial capacity of the bank itself. While fixing the wages, it is to be borne in mind that the employees had been paid previously and are liable to get certain extra remunerations which were really bonus, now two month's wages as bonus, D. A., gratuity whose qualifying period is 15 years and whose rate is half a month's

wages for every completed year of service subject to a maximum of 15 month's wages exclusive of D. A., and provident fund at the rate of 6¼ per cent. of the wages on both sides. It may, however, be pointed out that excepting the provident fund, the payment of other amounts had not been shown separately, and presumably, the other amounts are included in the figures which I have mentioned above. In fixation of the wages, however, these factors must be kept in mind, as the tribunal has to consider the total wage packet in determining what should be the proper wages. In my opinion, the proper wages would be as under :—

	Rs.
Assistant Secretary ..	300—10—400—15—550.
Accountant	250—10—350—15—500.
Additional Accountant ..	225—10—325—15—475.
Assistant Accountant ..	175—5—225—10—325.
Cashier	175—5—225—10—325.
Godown-Keeper ..	175—5—225—10—325.
Senior Assistant ..	200—5—250—10—300.
Ledger Keeper ..	150—5—200—10—300.
General Assistant ..	125—5—175—10—275.
Typist	125—5—175—10—275.
Poddar	125—5—175—10—275.
Supervisor	150—5—200—10—300.
Office Peon, Orderly, Caretaker, Durwan, Cleaner, Superior Peon.	90—2—110—3—140.

I shall now turn to discuss the question of D. A. In view of the wage scales as fixed above by me, I do not agree with Shri Roy that the D. A. should be allowed at Rs.25 with a provision for sliding scale for every rise and fall above 425 points. It appears to me that the D. A. should be enhanced to Rs.20 at the cost of living index of 500 points. For every rise and fall in the cost of living index of 5 points, the bank has to give or deduct Re. 1 as D. A. These are my decision regarding the question of the revision of the wage scales and D. A.

I shall now turn to discuss the remainng issue relating to Travelling Allowance of the supervisory staff. Before I discuss the other evidence, I shall refer to the rules (Ext. D). It has been provided, inter alia, that the first grade includes employees in receipt of actual pay of not less than Rs.150, that the second grade includes of other employees in superior service,that the third grade includes all employees in inferior service, that the different kinds of travelling allowance are mileage and daily allowance, the mileage allowance being calculated on the distance travelled which is given to meet the cost of particular journey and daily allowance being an uniform allowance for which each day of absence from headquarters which is intended to cover the ordinary daily allowance charges incurred by an employee in consequence of such absence,that the mileage allowance for journey by railway is one fare of the class to which the employees are entitled, plus, the allowance for incidental expenses at the rates each way, namely, 8 pies per mile for first grade employees and 4 pies per mile for second grade employees, and that the incidental expenses for journey on tour under 75 miles and on absence from headquarters of more than 24 hours, are to be calculated at 2½ times of the above rates. So far as the journey by road is concerned, the rates for first and second grade employees, are 6 annas, and 2 annas 6 pies in respect of mileage allowance. So far as the daily allowance is concerned, the rate for the first grade employees is 3 annas for every Rs. 1 of pay or fraction thereof, subject to a maximum of Rs. 5 and minimum of Rs.2/8- So far as the second grade employees are concerned, the rate is 3 annas for every Rs. 12/8 of pay or the fraction there of, subject to a minimum of Rs. 1/4 In certain cases, the daily allowance can be allowed to the second grade employees at the rate of Rs.2. So far as the journey on tour is concerned, it is said that the T. A. for journey on tour is drawn in the shape of daily allowance and that the maximum limit of the travelling allowance for outdoor staff of the bank is limited to Rs. 50 per month. It is also provided that in case of halt on tour, half the daily allowance ordinarily admissible may be drawn by an employee in addition to mileage allowance on the day of arrival at a place of halt, and on the day of the departure therefrom. It is not necessary to refer to other provisions in the rules. Now, on behalf of the Association, it has been stated that the maximum limit of Rs.50 is totally insufficient and that the supervisory staff should be paid Rs.100 per month by way of travelling allowance in addition to Rs.3 per diem. The Association has examined P. W. 2 Shri Ajit Kumar Sinha, who is a supervisor. His evidence substantially is that the supervisors have to invest the loan on behalf of the Society, to realise the loan advanced, to hold inspection, to inspect khatas of the Samities quarterly; to attend the auditing of the accounts of the Samity, to attend the mettings of the managing committee of the Society and to rectify the mistakes shown in the audits. The nature of the duties as spoken by P. W. 2 of the supervisory staff is not disputed on behalf of the bank. The evidence of P. W. 2 further shows that the supervisory staff is to go out for 25/26 days in a month, and have to cover a distance of 12/13 miles each day of an average, and that the average expenses for a month for going and coming back is Rs.75 and/or Rs.80 per month. He has also said that the average expenses of the other persons are higher and the area in their charge is larger and that the supervisory staff have to maintain tour diaries, and the tour diaries which are approved are to be submitted along with the bills. In this connection, he has referred to the copies of the tour diaries of the bill Exts. 6 and 7. There has not been any serious cross-examination of P. W. 2. He has, however,admitted that there are T.A. Rules of the bank and the supervisors are paid according to those rules, and that no T. A. is payable for going to a distance of 5 miles and coming back to the headquarters. On behalf of the bank, O. P. W. 1 Shri Rabindra Nath Goswami who had been appointed as the Manager of the bank on 16th March 1965, had said that the area of the each supervisor would be about 35 or 40 square miles and that the headquarters of the supervisors are in the respective thanas and in same cases, 2/3 supervisors

had got the same headquarters. It is further his evidence that the supervisors do not have to go out in connection with the work everyday. In view of the four diaries which are to be approved by the bank, it is not necesary for me to decide whether the supervisors have to go out everyday in connection with the work or whether the supervisors have to tour 25/26 days in a month, . These matters must appear from the approved four diaries which, I presume, are regularly checked in the office of the bank. Now, regarding the question of enhancement of the limit of Rs.50, it appears to me that in view of the scales of wages as fixed by me for the supervisors, they are to regard as to be in the first grade as mentioned in the rules, and therefore, the supervisors would be entitled to get the mileage allowance, and the daily allowance as per rules of the bank for officers of the first grade. In the circumstances, I do not think that the limit should be enhanced to Rs.100, as prayed for on behalf of the Association. In my opinion, the limit should be enhanced from Rs.50 to Rs.75. I do not think, in the circumstances mentioned above, that it is necessary to change the rate of mileage allowance and the daily allowance as provided in the rules. I decide this issue in the light of my above findings.

The grades and scales of pay are fixed in accordance with the grades and scales as mentioned by me in the body of the award with effect from the beginning of the co-operative year 1965-66, that is to say, from July 1965. In the matter of fixation in the new scales, the wages of the employees would be fixed in the next higher grade or scale, as fixed by me. With regard to the D. A., it is fixed at the rate of Rs.20 at the cost of living index of 500 points. For every rise and fall of 5 points, further D. A. at the rate of Re.1 for every 5 points must be given or deducted. This will also be from the same date as in the case of fixation of grades and scales of pay. With regard to the medical-aid, the bank will reimburse the employees up to the limit of Rs.100 per year for medical treatment of the employees themselves, provided the employees are treated by registered medical practitioner, as mentioned in the body of the award, and vouchers signed by such registered medical practitioners are produced by the employees concerned to the bank for payment. The medical expenses may also be paid to the legal representative or representatives of the deceased employees. This would come into force from the date of the publication of the award in the "Calcutta Gazette". With regard to the Travelling Allowance of the supervisory staff, the limit of Rs.50 is raised to Rs.75 and this would be from the date of publication of the award in the "Calcutta Gazette."

This is my award.

On receipt of the order of reference, usual notices were issued on the parties fixing 6th June 1966 as the date for their appearance as also for filing of the written statement by the Union.

On that date Shri T. P. Chatterji, Advocate, appeared for the union and filed a petition praying for 3 weeks' time to file the written statement. On this petition 27th June 1966 was fixed as the date for filing of written statement by the Union.

On 27th June 1966 the Union did not file any written statement but instead filed a petition informing the Tribunal that the industrial dispute under reference had already been settled between the Union and the Company on terms mentioned in the Memorandum of Settlement annexed to the petition. As no copy of the petition was served on the Company Union was directed to serve copy of the same on the Co mpany.

The petition was put up for order on 12th July 1966. On that date the Union and the Company filed a joint petition stating that the industrial disputes referred to this Tribunal for adjudication have already been settled on terms mentioned in the Memorandum of Settlement annexed to the Union's petition, dated 27th June 1966. The joint petition was signed by Shri P. C. Chaudhuri, Secretary of the Union as also by the proprietor of the Company and the parties' Advocate in the case.

I have heard the Advocates of both sides and I am satisfied that the industrial disputes referred to for adjudication, have been amicably settled between the parties and that there is no outstanding dispute between them. A "No-dispute" award in terms of the joint petition is accordingly passed in this case. The joint petition and only the terms of the Memorandum of Settlement relating to the industrial disputes under reference do form part of the award.

This is my award.

By Labour Department order No. 1800-I.R./IR/11L-18/64, dated 11th May 1964, the Government of West Bengal referred for adjudication under section 10 of the Industrial Disputes Act an industrial dispute between Messrs. R. S. N. Co. Ltd and their workmen represented by (i) Dock Engineering Mazdoor Sabha, shortened as Sabha and (ii) Natonal Union of R. S. N. Employees, shortened as 'Union'.

The issue is "Revision of the Incentive Bonus Scheme"

Parties were given notices. All of them appeared and filed statements. The Tribunal fixed 8th August 1966 for hearing of the matter. The Sabha by a petition stated on 8th August 1966 that the workmen were under lay-off for a considerable time and the issue of Production Bonus had, in the circumstances, lost all its significance. The Sabha prayed that the Tribunal might make a 'no dispute' award. The Union did not appear nor explained its failure to appear on the date of hearing. The Company was present. It is well known fact that this Company has, for some time past, not been doing any production business. The Tribunal, on a consideration of these, is satisfied that the industrial dispute under reference is no longer in existence. The parties, at whose instance the dispute was raised, do not want it to be adjudicated upon at pesent. Accordingly, the Tribunal makes a 'no dispute' award on the footing that the industrial dispute under reference is no longer in existence.

AWARD

By order No. 2438-I.R./IR/11L-153/61, dated the 10th May 1961, the Government of West Bengal, in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. Birbhum Talkies, Suri, Birbhum, and their workmen represented by the Birbhum Cinema Workers' Union, P. O. Suri, district Birbhum, regarding the matters specified in the schedule, to the Third Industrial Tribunal, constituted under section 7A of the Industrial Disputes Act, 1947, by notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication.

Issue

Whether the retrenchment of the following workmen is justified? To what relief, if any, are they entitled?—

(1) Shri Gulzar Hossain, (2) Shri Benimadhab Dutta, (3) Shri Bijoy Kumar Dutta, (4) Shri Lala Bijoy Prosad.

Union's case in short that the workmen of the Cinema House were not being paid proper remuneration and granted other facilities and amenities. Since the publication by the Government of West Bengal of the minimum rates of wages payable to the workmen of cinema industries in the "Calcutta Gazette", dated 16th May 1960, and since the receipt of the charter of demands submitted by the Union of the workmen, the management of the cinema house started victimising the workmen taking prominent part in trade unionism and have wrongly and illegally retrenched the four workmen without payment of compensation and without any justification. The management of the cinema house have not also followed the provisions of sections 25G and 25H of the Industrial Disputes Act. There was no conciliation possible because of the unsympathetic attitude taken by the management of the cinema house. Hence the dispute.

The management of the cinema house denied the allegation of violation of the provisions of sections 25G and 25H of the Industrial Disputes Act, 1947, and their case with respect to the retrenchment of the four concerned workers in short is that they have been retrenched as surplusage. The management also stated that they have observed all the provisions of the Act relating to retrenchment.

On a previous occasion this case was heard and decided by Shri J. N. Mandal, my Predecessor-in-Office, and he passed an award holding, inter alia, "the retrenchment of all these four persons were made for good and sufficient reason but the cinema authority having failed to comply with the legal provisions the impugned retrenchments are found to be illegal and as such unjustified till the provisions of section 25F of the Industrial Disputes Act are strictly complied with by the Cinema Authority". After this award of Shri Mandal an application under Article 226 of the Constitution was filed by the Union in the Hon'ble High Court for quashing of the award and the said application, which was registered and numbered as Civil Rule No. 303(W) of 1963 was heard by Basu, J. who allowed the petition, quashed the award and directed this Tribunal to make a fresh award in accordance with the law. In course of his judgment delivered in the case, Basu J. observed;

> "On the merits, the contention of the petitioners seems to be well founded. The Tribunal held that though the retrenchment as to which reference was made before the tribunal was justifiable on the grounds relied upon by the employer, the retrenchment was invalid as it was in contravention of the requirements of section 25F of the Industrial Disputes Act, 1947, in as much as the retrenchment compensation payable under clause (b) of that section was not paid to three of the workmen before the Tribunal and the wages payable in lieu of the notice under clause (a) of section 25F were not paid to the fourth workmen, before the order of retrenchment was made.

If this be the finding the only order that could be passed, according to the decision of the Supreme Court in the case of Straw Board Manufacturing Co. Ltd. (1962) 4 C.L.R. 403 (S.C.) was to strike down the order of retrenchment as if it did not take place in law, because the Supreme Court has held that the compliance with the conditions laid down in section 25F was a condition precedent to retrenchment of a workman to whom the section applies. What the Tribunal did was to say that the retrenchment was 'unjustified till the provisions of section 25F of the Industrial Disputes Act are strictly complied with by the Cinema Authority,' thereby implying that if the Cinema Authority paid the wages or compensation even subsequent to the award the retrenchment might be validated. This, however, was not intended by the Supreme Court in the Straw Board case as has been explained by later case of The State of Bombay v. Hospital Majdoor Sabha and others (1960) 1 L.L.J. 251 (S.C.), where it was observed by the Court that it could not be contended that the retrenchment effected without complying with the provisions of section 25F (b) of the act would be invalid but would give rise to the concerned workmen to recover the retrenchment compensation due to them. The invalidity which is due to a violation of the procedural requirement of section 25F goes to the root of the order of retrenchment so that in case of such non-compliance the retrenchment order should be struck down and the workmen should be entitled to their normal wages if no such order of retrenchment had taken place. It is evident that the award made by the Tribunal is vitiated by an error of law apparent on the face of the record.

In the result, this Rule is made absolute. The impugned award is quashed and opposite party No. 1 is directed to make a fresh award in accordance with the law."

The record was received back in this Tribunal from the Hon'ble Court on 24th February 1966 and fresh arguments were heard on 21st July 1966. In course of his argument before this Tribunal Shri P. K. Mukherji appearing for the company submitted that as at the time of the retrenchment the retrenchment compensation and one month's pay in lieu of notice has been tendered to the workers Shri Gulzar Hossain, Shri Benimadhab Dutta, Shri Bijoy Kumar Dutta and the 4th worker Shri Lala Bijoy Prosad was not entitled to any retrenchment compensation or one month's wages as he had not completed one year's service, the Tribunal must hold sufficient compliance with the provisions of section 25F by the management. Shri Mukherji's contention regarding the workers other than Shri Lala Bijoy Prosad cannot be upheld by me as there is no evidence on record indicating tender of one month's wages and retrenchment compensation to any of the three workers—Shri Gulzar Hossain, Shri Benimadhab Dutta, and Shri Bijoy Kumar Dutta. It is not disputed that all these three workers excepting Lala Bijoy Prosad was entitled to get compensation as mentioned in section 25F of the Act This section provides—

"No workman employed in any industry who has been in continuous service for not less than one year under an employer shall be retrenched by that employer until—

(a) the workman has been given one month's notice in writing indicating the reasons for retrenchment and the period of notice has expired, or the workman has been paid in lieu of such notice, wages for the period of the notice:

Provided that no such notice shall be necessary, if the retrenchment is under an agreement which specified a date for the termination of service;

(b) the workman has been paid, at the time of retrenchment, compensation which shall be equivalent to fifteen days' average pay for every completed year of service or any part thereof in excess of six months; and

(c) notice in the prescribed manner is served on the appropriate Government."

Though under clause (b) the employer cannot retrench a workman of the class mentioned in this section unless the latter has been paid at the time of the retrenchment, compensation mentioned in the clause, it is well-established that tender of the compensation at the time of the retrenchment in sufficient compliance with the provisions of this clause. In the instant case it is not disputed that at the time of the retrenchment no compensation has been paid, still, however, retrenchment will be upheld if on the evidence on record it can be hold that the compensation was tendered to the three employees —Gulzar Hossain, Benimadhab Dutta and Bijoy Kumar Dutta at the time of the retrenchment. It appears from the record that before Shri Mandal, the management has examined only one witness viz., D.W. 1 Shri Kali Sadhan Banerji, Manager of Birbhum Talkies, from 1955 November. In course of his cross-examination this witness stated "The retrenchment notice of Beni Madhab Dutt is dated 3rd September 1960. Bejoy Kumar Dutt and Gulzar Hossain also were given notice on the same date and they were retrenched on 4th September 1960. These notices were served on the workmen by registered post. They received the letters on 7th September 1960." The retrenchment notices served on these workers are Exts. 3(b), 3(c) and 3(d). By these notices which were all dated 3rd September 1960, these three workers were retrenched with immediate effect from that date. These notices contained the tender of one month's wages and retrenchment compensation but this offer had reached the three workers only on 7th September 1960, i.e., the date of service of letters on them according to D.W. 1. As this D.W. 1 has not in his evidence before this Tribunal mentioned of any other mode of service of retrenchment notices to the workers and has not also made any statement

indicating that on 3rd September 1960 the management had offered to these workers retrenchment compensation and one month's wages in lieu of notice, it must be held that retrenchment compensation and one month's wages was tendered to these workers only on 7th September 1960, i.e., after the retrenchment. Accordingly it must be held that these three workers have neither been paid nor tendered any retrenchment compensation and one month's wages in lieu of notice as prescribed in section 25F of the Act. In support of my conclusion that the tender on the 7th September 1960 was no compliance with the provisions of section 25F. I will refer to the case of National Iron & Steel Co., Ltd., and Third Industrial Tribunal, West Bengal, and others reported in 1964 I L.L.J, at page 525. In that case the notice called upon the retrenched workmen to receive payment following the retrenchment. The notice of retrenchment was posted on 1st September 1960, the very date when the retrenchment was to take effect and the workmen were asked to call at the office to receive payment either on the same date or any subsequent date. There was little chance to receive the letter on 1st September 1960 and call for payment. It was held, "the notice really amounted to call to receive payment subsequent to retrenchment. That makes the offer bad and consequently retrenchment order becomes incompetent". In the instant case also the retrenchment notices by which the three workers—Shri Gulzar Hossain, Shri Benimadhab Dutta and Shri Bijoy Kumar Dutta were retrenched called upon them to receive retrenchment compensation subsequent to their retrenchment. Hence the offer of retrenchment compensation was not in compliance with the provisions of section 25F and was accordingly bad in law. After the close of the argument of both sides before this Tribunal, company filed a petition for permission to adduce further evidence to prove tender of retrenchment compensation to the workers personally on the date the retrenchment order was passed. The petition was rejected as the Hon'ble Court's remand order left no scope for further evidence in this case and the written statement of the company also did not mention of any tender of the retrenchment compensation excepting otherwise then by the retrenchment notices already referred to in this award. The only witness examined for the company also did not mention of any tender of compensation to the workers on the date of the retrenchment.

In this view of the matter, it must be held that the company has miserably failed to establish that at the time of the retrenchment the three workers aforesaid have been paid or tendered the retrenchment compensation. For this non-compliance with the mandatory provisions of section 25F, the retrenchment order of these three workers becomes incompetent and the order must be struck down and the workers reinstated to their posts.

Shri Lala Bijoy Prosad was the 4th workman mentioned in the order of reference. It is admitted that this worker has not completed one year's service under the Birbhum Talkies when he was retrenched. As under section 25F, workers who are of less than one year's service are not entitled to the compensation as mentioned in clauses (a) and (b) of the section and it has already been held by my Predecessor-in-office Shri J. N. Mandal that the retrenchment has been made for good and sufficient reason, this Tribunal should not interfere with the order of his retrenchment. The learned Advocate for the Union also submitted before this Tribunal that the Union has no case for his reinstatement.

In view of the foregoing discussions and findings, retrenchment order of the workers—Shri Gulzar Hossain, Shri Benimadhab Dutta, and Shri Bijoy Kumar Dutta be struck down and they be reinstated to their services with full wages for the period from the date of retrenchment to the date of reinstatement.

Retrenchment of Shri Lala Bijoy Prosad do stand.

This is my award which is to be implemented with respect to workers—Shri Gulzar Hossain, Shri Benimadhab Dutta and Shri Bijoy Kumar Dutta—within 15 days of the date of the publication of the award in the "Calcutta Gazette".

And whereas the Hon'ble High Court by a judgment, dated the 27th September 1965, made the Rule absolute to this extent that the respondent State Government shall appoint another Arbitrator with direction upon him to determine the compensation payable in the share of the petitioner, which share the petitioner must establish before the Arbitrator and if for this purpose it is necessary to add to the reference other parties, the Arbitrator shall be given liberty so to do or the respondent must itself do so;

And whereas the said Arbitrator Shri M. K. Roy, who heard the case previously, is not available at present for rehearing the case and a fresh appointment of another Arbitrator is necessary in terms of the directions issued by the Hon'ble High Court;

Now, therefore, in exercise of the power conferred by clause (b) of sub-section (1) of section 8 of the Requisitioning and Acquisitioning of Immovable Property Act, 1952 (XXX of 1952), read with section 24 of the said Act and section 6 of the Requisitioned Land (Continuance of Powers) Act, 1947 (XVII of 1947), and with the Government of India, Ministry of Works, Housing and Supply notification No. 1608-EII/53 (SRO 904), dated the 9th May 1953, the Governor is pleased to appoint Shri D. Issues

1. Revision of grades and scales of pay.

3. Retiring gratuity.
4. Improvement in leave facilities.
5. Medical facilities.
6. Accommodation-Quarter allowance.

On receipt of the order of reference, notices were issued on the parties fixing 8th June 1966 for appearance and for filing of written statement by the union. The parties appeared before this Tribunal on that date and the union took time to file written statement. On 8th July 1966 parties filed a joint petition stating that they have reached an amicable settlement on all the six issues referred to this Tribunal as per terms of agreement annexed to the joint petition and praying for an award in respect of all the six issues in terms of the said agreement.

I have perused the terms and also heard the company's lawyer and the union's representative present in Court. The terms appear to me fair and reasonable and I am satisfied that the parties have settled the industrial dispute referred to this Tribunal for adjudication no terms mentioned in the agreement annexed to the joint petition. Accordingly a compromise award in terms mentioned in the agreement is passed. The joint petition together with the agreement annexed to it do form part of the award.

(1) **Revision of grades and scales of pay :**

It was agreed that a new rate of dearness allowance will be introduced with retrospective effect from 1st April 1966, in accordance with a bipartite agreement reached between the Management and the Union. Under this agreement, the dearness allowance will be linked with the Cost of Living Index as published by the Government of India, Labour Bureau's New Series of Consumer Price Index Numbers for Industrial Workers for Asansol. A copy of the bipartite agreement is annexed hereto and marked as Annexure "A" and should be treated as a part of this agreement.

The existing Cash Subsidy in lieu of cereal rations will be withdrawn with effect from 1st April 1966 and necessary adjustment will be made for any amount which has been paid to the employees after 1st April 1966 against the enhanced rate of dearness allowance which will be effective from the abovementioned date.

It was also agreed that the following new grades will be introduced in the Company's existing Scales of Pay noted against the respective designations without any increase in the present number of permanent operatives and workmen. The existing employees who meet the qualifications for these posts, as fixed by the Company in respect of Dishergarh Power Station will be considered for promotion to the new grades.

(a) Four posts of Senior Switchboard Attendants in the scale of pay of Rs. 75—5—130.

(b) Two posts of Senior Linesmen in the scale of pay of Rs. 115—5—180.

At the request of the Union, the Management agreed to grant one ad hoc annual increment to all employees of Associated Power Co., Ltd., in the existing scale of pay with effect from 1st April 1966. The employees who have reached the top of their scale will not be eligible for an ad hoc increment.

(2) Profit Sharing Bonus for 1964-65 :

Since the Company has paid the bonus for theyear 1964-65 strictly in accordance with the Payment of Bonus Act, 1965, the Union does not want to press this issue.

(3) Retiring Gratuity:

The existing scale of Retiring Gratuity is considered reasonable by both the Management and the Union but it was agreed that, if the Company introduces a new scale of Retiring Graturity for the employees of Dishergarh Power Supply Co. Ltd. and the Central Office, the same scale will be offered to the employees of Associated Power Co. Ltd.

(4) Improvement in leave facilities :

It was agreed that leave with pay for non-shift workers in the permanent roll, excepting clerical staff and drivers, will be raised from 15 days to 18 days per annum. This will be effective from the date of the agreement and the increased leave for the current year will be given on a pro rata basis.

(5) Medical facilities :

The existing medical facilities are considered satisfactory by both the Union and the Management and the Union does not wish to press this issue. It was, however, agreed that the Union will discuss with the Management any specific difficulties encountered by an employee in respect of medical facilities as and when such a case arises.

(6) Accommodation/Quarter Allowance :

The present position of accommodation provided by the Company was reviewed and it was found that approximately 75 per cent. of the employees are living in Company's quarters. Taking into consideration that a few employees come from the neighbouring villages, approximately 16 employees are without quarters at present. It was agreed that the Company will endeavour to arrange for accommodation for these workmen gradually. Until such time as the employees are not provided with accommodation, they will be given the full House Rent Allowance if they obtain written permission from the Resident Engineer or the District Engineer, as the case may be, for sharing a quarter with another employee. This full house rent allowance will be payable from the month immediately succeeding the month in which the permission is given.

The above agreement will be effective from 1st April 1966, and will be binding on the parties for a period of three years from that date.

AWARD

By order No. 5491-I.R./IR/11L-425/63, dated the 24th December 1963, the Government of West Bengal, in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial disputes between Messrs. Calcutta Clinical Research Association Ltd., 6 Chowringhee Road, Calcutta-13, and its unit office at 10 Rowdon Street, Calcutta-16, and their workmen represented by Calcutta Clinical Research Association Mazdoor Union, 1 Joy Bhattacharji Lane, Calcutta-3, regarding the matters specified in the schedule, to the Third Industrial Tribunal, constituted under section 7A of the Industrial Disputes Act, by notification No. 808-IR./IR/3A-2/57, dated the 11th March 1957, for adjudication.

Issues

(1) Dearness allowance.

(2) Puja Bonus for 1957.

The Union's case in short is that since the year 1950, the employees of Messrs. Calcutta Clinical Research Association Limited were getting dearness allowance at Rs. 30 per capita per month. In July 1956 the Union pressed for enhancement of the dearness allowance, but the said demand was not met by the company. Thereafter, the matter was taken up by Shri S. K. Bhattacharji, one of the then Assistant Labour Commissioners of West Bengal. All his attempts to bring about a compromise proved to be futile and by order No. 4989-I.R./IR/11L-279/57, dated the 19th December 1957, as amended by order No. 834-I.R./IR/11L-279/57, dated the 7th March 1958, the Government of West Bengal, in the Labour Department, referred the dispute to the Third Industrial Tribunal, West Bengal, for adjudication of (1) Dearness allowance, (2) Puja bonus for 1957, and (3) dismissal of Sm. Sudha Dutt, an employee. The award as passed by the Third Industrial Tribunal, in that case, was published in the "Calcutta Gazette", dated the 29th January 1959. Against the said award, a petition was filed by the workmen of the Calcutta Clinical Research Association, Ltd., before the Calcutta High Court, on the basis of which, a Writ in the nature of Certiorari was issued by the High Court. The said Writ quashed the award of the Third Industrial Tribunal on the issues (1) Dearness allowance, and (2) Puja bonus for 1957, Thereafter these two issues regarding dearness allowance and Puja bonus were referred afresh to this Tribunal for adjudication. The Union prays that the workmen of the Calcutta Clinical Research Association Limited may be granted Rs. 60 per capita as monthly dearness allowance and two months' total wages as Puja bonus for the year 1957.

In reply to the Union's statement, Calcutta Clinical Research Association, hereinafter referred to in this award as the company filed its own written statement on 7th February 1964 and therein it inter alia, pleaded that as the Union has not shown any grounds for the increased dearness allowance, or for the payment of two months' wages as Puja bonus for 1957, this Tribunal should decide both the issues agains tthe Union and dispose of the reference in its favour. The Company stated further that the claim for increase of dearness allowance cannot be sustained as the total wages paid by it to its workmen at present compare favourably with the total wages paid by the industry in the region. It also took up the plea that its critical financial position will not permit any increase whatsoever in the amount of dearness allowance or grant of any Puja bonus for 1957.

The issues for adjudication have already been set fort hin the beginning of this award.

Issue No. 2

Of the two issues under consideration, issue No. 2 relating to Puja bonus for 1957 is taken up first for consideration. It has already been indicated above in this award that over the two issues as also over the issue regarding dismissal of the employee Sm. Sudha Dutt, there was a previous award by this Tribunal. By that award all the three issues were decided against the Union. Thereafter the Union filed an application under Article 226 of the Constitution of India and the said petition which was heard by Banerji, J., was

allowed in part and the findings of the Tribuna regarding the two issues for adjudication in the instlant cases was quashed. In course of his order on the Mandamus petition, Banerji, J., observed :

"****The Tribunal was also wrong in dismissing the claim for Puja bonus for the year 1957 on the ground that the company had made no profit during the years 1956 and 1957. Puja bonus or Festival bonus is normally not profit sharing bonus. It has to be paid irrespective of profit, more or less on the basis of condition of serivce. In the instant case, however,the issue as to bonus was complicated, by the parties, by attempting ing to distinguish Puja bonus from customary bonus and, at the same time by trying to link it up with profit sharing bonus. The distinction between Festival bonus, Customary bonus and Profit sharing bonus or traditional bonus have been emphasised by the Supreme Court in the trilogy of decision, namely Messrs. Ispahani Ltd.vs. Ispahani Employees Union (A. I. R. 1959 S.C. 1147), Messrs. Graham Trading Co. (India) Ltd. vs. Their Workmen (A.I.R. 1959 S.C. 1151) and B. N. Ellias & Co., Ltd. vs. Employees' Union (A.I.R. 1960 S.C. 886) and has been reiterated by this Court in Compagnie Nationale Air France vs. The First Industrial Tribunal 1962[(4)F.L.R. 97] From the decisions above referred to the following propositions appear :—

(a) A Festival bonus like Puja bonus. is not a Profit sharing bonus but is a matter or right with the workers, based either or express or implied agreement between the workers and their employers.

(b) So as to imply such an agreement the payment must be unbroken, spared over a sufficiently long period and the circumstances under which such payment was made should be such as to exclude the the theory of payment out of bounty. The fact that the payment was made also in a year of loss would be an important factor in excluding the hypothesis that the payment was out of bounty.

(c) Even though there may not be any express agreement and implied agreement may not be inferred, Puja or Festival bonus may be payable as customary bonus.

(d) Although Puja or Festival bonus may be payable as customary bonus, Customary (or Traditional) bonus is, however. distinguishable from Puja or Festival bonus. The tests for Customary bonus are (i) payment for an unbroken series of years, (ii) spread over a sufficiently long period, normally longer than the period that would justify an inference of Puja bonus payable as Traditional or Customary bonus, (iii) payment irrespective of profit, even in years of of loss, and (iv) payment at a uniform rate throughout, justifying an inference that a payment at such and such rate had become Customary and Traditional in a particular concern.

(e) It is difficult to introduce a Customary payment of bonus between the employer and the employee where terms of service are governed by contract, express or implied, except where the bonus may be connected with a festival whether Puja in West Bengal or some other equally important festival in any other part of the country.

In the instant case the Tribunal did not advert to the question whether the Puja bonus was payable to the workmen on the basis of express or implied contract of service. The Tribunal merely noticed that the Puja bonus was being claimed differently from customary bonus, without being circumspect as to the difficulties in distinguishing between the two. It considered the claim for the Puja bonus on the basis of profit sharing bonus without being alive to the fact that the one could not be claimed on the basis of the other. In my opinion the Tribunal has not properly considered the claim as to Puja bonus on its merits. If the aforesaid bonus can on evidence be justified as a claim for festival bonus, its disallowance on the plea that the company had incurred loss during the material year was improper.

For the reason aforesaid I quash the award on the issue as to Puja bonus."

In the light of the above quoted observations of Banerji. J., regarding Puja bonus and on the evidence led by the contending parties, this Tribunal will have to examine and decide Unions' claim for Puja bonus. On behalf of the Union two witnesses were examined and they were P.W. 1 Shri Sachindranath Kundu, ex-employee of the Company, and P.W. 2, Shri Gouri Sankar Roy, another employee of the Company. In his evidence before this Tribunal Shri Gouri Sankar Roy, stated that from 1948 up to the year 1955, he had received Puja bonus from the company equivalent to one month's basic wages. The other witness, P. W. 1, stated in cross-examination that he had received Puja bonus for the years 1953, 1954 and 1955 and previous thereto and received some bonus from the company but did not know whether it was Puja bonus or some other bonus. The evidence of P.W. 1 was not, therefore, sufficient to substantiate the Union's contention that since 1948 the workers are getting Puja bonus and the award marked Ext. C, indicates that the Union had previously raised an industrial dispute over the question of Puja bonus for 1949 but had lost the case. In the face of the award P.W. 2's evidence that since 1948 the workers were getting Puja bonus cannot be believed and it must be held on the evidence of P.W. 1 Shri Subimal Chandra Roy that only during the years from 1952-53 up to 1954-55 the workers got Puja bonus. P.W. 2 has no doubt said of payment of such bonus even in 1950 and 1951 but as this statement was not

supported by any other evidence and the credibility of his evidence regarding payment of bonus in 1948 and 1949 has been greatly shaken by the award, marked Ext. C, on his statement of payment of bonus in 1950 and 1951, no reliance can be placed. It must accordingly be held that only in 1952-53, 1953-54 and 1954-55, the workers had been paid puja bonus at the rate of one month's wages but this payment for only three years cannot, in the opinion of this Tribunal justify the inference of an implied term of employment for payment of Puja bonus at the rate of one month's wages every year. It has already been indicated in this award that the following are the tests for inferring that there was an implied agreement for grant of Puja bonus and that they should all be satisfied before the bonus is granted :—

(i) the payment must have been made unbroken;

(ii) the payment must be for a sufficiently long period;

(iii) the circumstances in which the payment was made should be such as to exclude that it was paid out of bounty due to profits having arisen. Two of the tests, viz. (i) and (iii) are no doubt satisfied in the instant case but the period during which the bonus has been paid, viz., the years from 1952-53 up to 1954-55, is too short for an inference of an implied agreement for grant of Puja bonus. In this view of the matter the workers' claim for Puja bonus for 1957 cannot be allowed.

Issue No. 1

It is not disputed that at present the workers are getting dearness allowance at a flat rate of Rs. 30 per month irrespective of pay. The Union contends that this amount is insufficient and should be raised at least to Rs. 60 per month. Company resisted this claim and submitted inter alia ; that its financial position will not permit of any increase in the dearness allowance. Company's ability to pay is undoubtedly an important factor to be taken into consideration while determining the quantum of dearness allowance. In the instant case comparative figures marked Ext. E indicate that excepting for the preiod from 1955-56 to 1959-60 the company was always making a profit and that in 1962-63 the profit earned by the company amounted to Rs. 19,669. Ext. B further indicates that the company's profit in 1962-63 was 20 times the profit of 1960-61 and about five times that of 1961-62. This profit earned in 1962-63 not only indicates the frivolity of the company's assertion that its financial position will not permit of any increase in dearness allowance but also establishes the elasticity of demand for its products in the market. Company's financial position will, therefore, be no bar to increase the dearness allowance if the other facts and circumstances of the case require that the dearness allowance should be increased.

It has already been said that the workers are at present getting dearness allowance at the flat rate of Rs. 30 and it is not disputed that they are getting this dearness allowance on the basis of the award marked Ext.C. in the case. This award was given by Shri G. Palit, Judge, Industrial Tribunal, on 17th March 1950 and it is not disputed that since the award—cost of living index has greatly increased. As a matter of fact, the "Calcutta Gazette," dated 10th February 1966, shows that taking November 1950 as the base year, in week ending 22nd January 1965 was 146·6 for all items. As dearness allowance is paid to fill up the gap between basic wages and minimum wages where the workers are paid below the minimum wages or to bring the wages nearer the standard of living wages where workers are paid the minimum wages, and compared to the price index of the year in which the award Ext. C was given, the present cost of living index is much higher, the existing rate of dearness allowance must be increased It is true that the Union has not led evidence to show that on the region-cum-industry basis the workers of the Calcutta Clinical Research Association are not getting the minimum wages or has not also averred in its written statement that the workers are getting wages below the miminum, but still the dearness allowance must be enhanced to compensate them for the increase in the cost of living index by ·46. For this ·46 increase the workers can claim an increase in dearness allowance by about Rs.10, i.e., at the rate of Re.1 per 5 points to neutralise the increase of price. As, however, it is now well-established that dearness allowance must not be granted such as to fully neutralise the rise of price of living index and that 60 per cent. to 90 per cent. is the allowable percentage of neutralisation, the concerned workers shall get an increase of the dearness allowance by only Rs. 6, i.e., they will get dearness allowance at the rate of Rs. 30+6=Rs. 36.

In view of the findings and discussions made above the workers' claim for Puja bonus for 1957 is disallowed and they do get dearness allowance at the rate of Rs. 36 per month with effect from the date the award is published in the "Calcutta Gazette".

This is my award.

ANNEXURE I

MEMORANDUM OF SETTLEMENT

(Form J : Rule 68 of West Bengal Industrial Disputes Rules, 1958)

1. **Name of parties** : (1) Andrew Yule & Company Limited and /or their successors in business, 8 Clive Row, Calcutta-1. (hereinafter referred to as the Company).

(2) Their clerical and subordinate staff employed at the Company's Head Office, 8 Clive Row, Calcutta-1, represented by Andrew Yule & Co. Ltd. (Calcutta Branch) Employees' Union (hereinafter referred to as the Union).

2. **Representing Employers** : Mr. C. I. Turcan, Chairman, Andrew Yule & Co., Ltd.

3. **Representing Employees**: President : Shri Pasupati Nath Ghose. Secretary : Shri Chitta Ranjan Roy, Andrew Yule & Co. Ltd., (Calcutta Branch) Employees, Union.

4. **Short recital of the Case :**

A charter of demands, dated 28th March 1966 (attached hereto as Annexure 'A'), was placed before the Company and series of meetings were held with the Union at various levels in order to arrive at a settlement. Bipartite negotiations having failed, conciliation proceedings were taken up by the Deputy Labour Commissioner, Government of West Bengal. The last of these conciliation proceedings was on 6th July 1966 and, having failed to get satisfactory agreement between the two parties, the Deputy Labour Commissioner recommended to Labour Department, Government of West Bengal, that the matter should go to Tribunal. By their order No. 2698-I.R./IR/11L-84/66, of 11th July 1966, the Labour Department. Government of West Bengal, referred the dispute between the parties relating to the four issues specified therein to the Fourth Industrial Tribunal.

Meanwhile further discussions took place between the Company and the Union, resulting in an overall settlement on the basis of a 4-year agreement together with acceptance of Terms and Conditions of Service.

5. **Terms of Settlement** : (i) Bonus is payable in accordance with the Payment of Bonus Act, 1965. Although bonus payable by the Company is in accordance with the provisions of that Act, it is appreciated that a number of members of the staff may receive less bonus in 1967 and subsequently than what they would have done under the agreement previously in force between the Company and its employees; this position is not applicable to bonus payable during the current year, since all but a very few members of the staff receive more from the equivalent of 15·52 per cent. of basic plus dearness allowance earned in 1965 than they would have done under the old agreement. Accordingly, the Company has compensated any shortfall in bonus by granting an increment to all members of the staff from varying dates in 1966.

(ii) In addition every employee has received an ad-hoc increment from 1st July 1966 at his present scale rate.

(iii) At the request of the employees, the ceiling of Grade B has remained unaltered at Rs. 209. Accordingly, although the two increments referred to above were offered to each and every member of the staff, they have not become applicable to those members of clerical staff who are not being upgraded to Grade A at the present time. Such individuals, therefore, lose the benefit of these increments.

(iv) As from 1st September 1966, therefore, the new scales of basic salary are as follows :—

(a) Clerical Staff :

Grade B	.. Rs. 85—5—110—7—145—8—209.
Grade A	..Rs. 160—10—260—12—380.
Special Grade	.. Rs. 270 and up.
Grade for Sircars and Outdoor Clerks	Rs. 85—5—110—7—145—E.B.—8—233.

(b) Subordinate Staff :

Bearers	Rs. 32—1—35—1½—50—2—80.
Durwans ..	Rs. 32—1—35—1½—50—2—80.

(v) By the attached copies of Terms and Conditions of Service (attached hereto as Annexures 'B' and 'B1') and Standard Office Procedure (attached hereto as Annexures 'C' and 'C1') in the case of both clerical and subordinate staff, it is detailed that improved terms have been given to employees with effect from 1st July

1966 under the headings of Leave Allowance, Hospitalisation, etc. These Terms and Conditions of Service, read in conjunction with Standard Office Procedure, now govern the Terms of Service to employees of the Company. Except as included therein, other demands contained in the Union's letter, dated 28th March 1966, have received detailed consideration but have not been pressed on the understanding that they will not be raised again during the tenure of this agreement.

(vi) In their charter of demands the Union raised two points towards which the Company are basically sympathetic. With regard to the creation of a Pension Fund the Company is considering means of providing such a fund from which pensions would be paid on the scales as laid down, in substitution of the pensions being paid direct by the Company. These investigations will continue.

The Company agrees in principle to the establishment of a Consumer's Co-operative, although suitable premises will have to be located and the Union will have to show its ability to provide an organisation therefor.

(vii) This agreement will remain in force for a period of four years from the date of signature thereof, during which period the Union agrees to make no further demands upon the Company with regard to any items covered by this overall settlement. This does not preclude any mutually agreed changes which may be found desirable in the light of changed circumstances then pertaining.

(viii) Existing benefits and Terms and Conditions of Service not specifically covered by this settlement will continue as at present.

The parties wish to record that these negotiations were finalised in spirit of Co-operation and mutual goodwill and that they have every confidence that the spirit of co-operation will continue in the future on both sides.

ANNEXURE 'A'

Andrew Yule & Co. Ltd. (Calcutta Branch) Employees' Union, 8 Clive Row, Calcutta-1.

Dated, 28th March'66

President : Shri P. N. Ghose.

Secretary : Shri C. R. Roy.

The Senior Managing Director,
Andrew Yule & Co. Ltd.
8 Clive Row,
Calcutta-1.

(Through D. C. W. Watkin, Esq.)

Dear Sir,

We, the employees of this firm, having been confronted with the burden of present hardship caused by abnormal rise in prices of all the essential commodities, met at an extraordinary General Meeting of the Union, held on the 4th March 1966, and having considered the various aspects, are of the unanimous opinion that the present pay-scales and other emoluments, etc., hardly meet the bare necessities of our daily life when the soaring prices of every day commodities in the market are absolutely beyond our means. Hence, the pay-scales need immediate revision.

We are accordingly placing before you a very fair and reasonable revised pay-scales and a few other points as per attached, and shall be grateful, if they effectively meet your kind and sympathetic consideration.

We also expect that all these points will be settled in the same spirit of mutual understanding across the table, in a friendly and co-operative manner, through negotiation, at an early date, to maintain the tradition of cordiality that has been built up between the Management and the Union, over the past years.

Yours faithfully,

C. R. Roy,
Secretary.

(*ii*) The maximum monthly amount which may be commuted by any retiring employee shall be 50 per cent. of the figure calculated under (*a*) above and in no circumstances shall commutation in excess of that proportion be allowed.

(*iii*) The amount which shall be paid on commutation shall not exceed in any case 100 times of 25% of the basic salary at the date of retirement.

(*iv*) The commuted value of pension shall, however, be determined having regard to the age of the payee, the state of his health, the rate of interest and officially recognised tables of mortality. The commuted value so determined shall be paid to the employee upon retirement.

8. **Premature Death**: Since January 1964 payments of allowances to the dependents of employees who died in service have been decided on the circumstances of each case and settlement has been on the following lines:

(*a*) Where the deceased was a bachelor, no allowance will be paid.

(*b*) Where the deceased was married, the widow will normally receive an allowance calculated as follows, payable as long as she remains a widow and payable at the Company's discretion should she remarry:

The pension to which the deceased would have been entitled had he retired at the age of 58 earning the basic salary which he was receiving at the time of his death will be calculated. The capital cost of purchasing of life pension from the Life Insurance Corporation of India equal to half of the pension calculated as above will be determined for a male aged 58. The widow's allowance will be what the foregoing capital sum would purchase as a life annuity for a female of her age.

(*c*) In cases where the deceased was married or a widower and left dependent children, the Company may pay such extra allowances at its discretion as it considers appropriate to the circumstances of each case.

(*d*) The payment of an allowance to a widow will not normally be conditional on the deceased's Provident Fund money being retained in a blocked account with a scheduled bank in Calcutta; the payment of supplementary allowance for dependents may, however, be conditional on sums being retained in a account, the purpose of the blocked account being to supplement the allowance when required and to provide financial assistance for the marriage of daughters.

In the event of any State Scheme for the payment of pensions to widows being introduced, the payment of allowances to widows and dependents will be reviewed and will be subject to alteration in the light of the circumstances then prevailing; the overall position of the widow should be maintained as far as possible.

An individual who retires at the age of 58 has completed 25 years service is entitled to receive maximum retirement benefits on retirement.

While the normal retiring age is 58, the Company retains the right to retire an individual between the age

of 55 and 58 if, in the Company's sole opinion, circumstances warrant such a decision. In such a case an individual is allowed the same retirement benefits as if he had retired at the age of 58, such benefits being calculated on the basic salary which he was receiving at the time of retirement.

The date of birth of each individual is recorded in the Office Manager's Section.

(*iv*) The balance of the monthly pension not commuted shall paid to the retiring employee monthly.

(*v*) The Company shall not at any time be reasonble for any liability to taxation on retirement benefits (including commutation) to which the retiring employee may be subjected.

The pension to which the deceased would have been entitled had he retired at the age of 58 earning the basic salary which he was receiving at the time of his death will be calculated. The capital cost of purchasing a life pension from the Life Insurance Corporation of India equal to half of the pension calculated as above will be determined for a male aged 58. The widow's allowance will be what the foregoing capital sum would purchase as a life annuity for a female of her age.

(*c*) In cases where the deceased was married or a widower and left dependent children, the company may pay such extra allowances at its discretion as it considers appropriate to the circumstances of each case.

(*d*) The payment of an allowance to a widow will not normally be conditional on the deceased's Provident Fund money being retained in a blocked account with a scheduled bank in Calcutta; the payment of supplementary allowance for dependents may, however, be conditional on sums being retained in a blocked account, the purpose of the blocked account being to supplement the allowance when required and to provide financial assistance for the marriage of daughters.

In the event of any State scheme for the payment of pensions to widows being introduced, the payment of allwances to widows and dependents will be reviewed and will be subject to alteration in the light of the circumstances then prevailing; the overall position of the widow should be maintained as far as possible.

ANNEXURE C

(To be read in conjunction with the Company's Terms and Conditions of Service)

1. **Office Hours :**

(i) The office is entirely closed from 3 p.m. on Saturdays for half day and on Sundays.

(ii) The working week for clerical staff is of 36 hours and the present office hours are :—

Mondays—9-15 a.m. to 4-45 p.m. with a break of half an hour for tiffin;

Tuesdays to Fridays—9-15 a.m. to 5-00 p.m. with a break of half an hour for tiffin.

(iii) On arrival in the office clerks are required to sign the attendance registers which are kept in departments. Clerks are accordingly required to sign the attendance registers by 9-15 each morning. However, a grace period of ten minutes is allowed, and no action is taken if the attendance registor is signed before 9-25 a.m.

(iv) A clerk who signs the attendance register after 9-25 a.m. but before 9-40 a.m. will be deemed "late", but such lateness will be condoned provided it is not habitual. Up to 4 times "late" in any month, or up to 36 times "late" in a calendar year (or pro rata for shorter service) will not be deemed to be habitual.

(v) At 9-40 a.m., or twenty-five minutes after the official opening time of the office, the attendance sheets are collected and sent to the Head Clerk of the Department. Clerks wishing to sign the attendance sheets thereafter may do so in the presence of the Head Clerk to whom they may explain the reason for lateness. If he so wishes the person concerned may proceed with the Head Clerk to see his Departmental Head, or nominated executive, and explain the reason for his being late. The executive may condone such lateness.

(vi) A clerk who fails to sign the attendance register by 11-15 a.m. will be treated as absent for the day, unless there are exceptional circumstances which, in the opinion of his departmental head, justify otherwise.

(vii) The grace period of ten minutes only is allowed to those individuals whose duty commences after 9-15 a.m.

(viii) A clerk whose lateness is habitual, or who is unable to produce a satisfactory explanation if he signs the attendance register after 9-40 a.m., will be given a warning; this will normally be verbal on the first occasion. After three written warnings for late attendance the Management will take such action as may be deemed necessary.

(ix) During office hours, staff are not permitted to leave the office premises without permission from a member of the executive staff or from the head clerk of the department concerned through his section-in-charge. Heads of Departments may delegate his authority to some other persons also.

2. **Overtime :**

Clerks may be required to work outside normal office hours at times when there is a rush of work and when work cannot be completed within the normal office hours. Notice of such overtime requirement should be given to the clerks concerned 24 hours in advance, as far as possible.

On weekdays a clerk working overtime must sign on the time recording machine by the Gate Enquiries clerk's desk at the end of the period of overtime. On Saturdays and other holidays a clerk must sign on the time recording machine at the beginning and at the end of the overtime period. Failure to sign the time recording machine disqualifies a clerk from being paid overtime unless it is certified by his departmental executive.

Overtime pay due to a clerk is calculated on the basis of actual time worked as recorded by the time recording machine subject to the period of time worked being duly authorised.

Authority for drawing overtime pay for work done outside office hours must be obatined from the individual's Head of Department on the form provided before working overtime. These forms are required to be handed to the Establishment Section in the Finance Department on the next working day after the overtime is worked so that the overtime payment due may be calculated.

Applications for overtime pay in respect of unauthorised overtime will not be considered. Authorised overtime forms submitted to the Establishment Section more than three working days after the overtime period will not normally be accepted.

3. **Salary Mandate :**

A clerk on authorised leave on pay day, if he is unable to come to the office himself to draw his pay submit a salary mandate on the firm provided authorising another member of the staff to receive his pay on his behalf.

4. **Leave :**

Privilege Leave : Although a clerk does not become entitled to privilege leave until after the exprity of the period in respect of which it is granted, it is the practice to allow leave to be taken during the year in respect of which the leave is granted subject to the clerk having worked for not less than one full day in the year in respect of which privilege leave is taken. Privilege leave may, however, not be taken by new staff until a period of twelve months has elapsed after the date of appointment as a probationer.

Privilege leave must normally be taken in one unbroken period equivalent to a clerk's annual entitlement. In special circumstances leave may be allowed for a period not less than half a clerk's annual entitlement, although the broken periods should not be within three months. Such broken periods should be applied for at the time of perparation of the leave rosters.

Privilege leave is regulated by leave rosters which are necessarily prepared according to the convenience of work of the Company in such a manner as to ensure that approximately the same number of clerks in a Department are on leave at the same time throughout the year. Rosters for privilege leave for the following year are prepared departmentally at the end of each year except for Stenographers, Comptometer Oprators and Typists for which the rosters are prepared centrally by the Finance Department.

Changes in leave rosters are only allowed with the prior consent of a clerk's Head of Department or, in the case of Stenographers, Comptometer Operators and Typists, the Head of the Finance Dapartment.

During a clerk's last year of service privilege leave is normally only taken immediately prior to retirement. For leave taken immediately prior to retirement each full annual leave quota of 28 days is converted into a calendar month.

An extension of leave for a clerk who is on privilege leave is not normally allowed; but, an extension may be allowed if leave is due—

(a) if the application for the extension is received not less than three working days before the sanctioned leave is due to expire;

(b) if the Company is satisfied that hardwhip would otherwise result;

(c) if by granting the application the Company's work will not suffer.

5. Accumulation of Privilege Leave :

A clerk may accumulate his privilege leave entitlement for two consecutive calendar years. Except as is set out below under the heading "Blocked Leave Account" accumulations in excess of two years entitlement, automatically lapse.

Where leave has accumulated up to 28 days or 56 days it may be taken in two periods of 14 days or two periods of 28 days as the case may be.

6. Blocked Leave Account :

A clerk may transfer up to 28 days of his privilege leave entitlement into a Blocked Leave Account. To this extent he may accumulate up to 84 days out of his privilege leave entitlement. The privilege leave entitlement once transferred into a Blocked Leave Account may only used :—

(a) as sick leave, against the Office Doctor's recommendation, when the sick leave entitlement has been fully used; in cases when a clerk is taken ill at home and is not able to come to the office to see the office doctor a medical certificate will have to be produced ;

(b) as privilege leave immediately prior to retirement.

A clerk wishing to transfer all or part of his privilege leave quota to his "Blocked Leave Account" may only do so at the time when his departmental leave roster is prepared. If a clerk who has already accumulated two quotas of 28 days privilege leave does not choose, at the time the leave roster is prepared, to take privilege leave in the following year, the whole of his third quota, or the balance due if there has been a previous transfer to it, will authomatically be transferred to his "Blocked Leave Account".

Transfers to the "Blocked Leave Account" will only be in lots of 14 or 28 days.

Transfers to "Blocked Leave Account" in cases where privilege leave transferred to the "Blocked Leave Account" may have been used as sick leave, will be allowed provided that accumulation does not exceed 84 days and provided that such transfers for use as sick leave are allowed up to a total of 84 days during a clerk's career.

Transfers to the "Blocked Leave Account" will not be permitted in cases where an individual has less than five calendar years confirmed service with the Company.

It is appreciated that at the outset there may be cases of clerks whose sick leave entitlement is already almost exhausted and who cannot arrange transfer to blocked leave account until they have accumulated sufficient privilege leave, as detailed above. Accordingly, in respect of such clerks who now have less than 28 days sick leave to their credit, privilege leave at the rate of 28 days for 1967 or 1968 may be transferred to blocked leave account for use as detailed above. It is understood that such transfer at this stage will have to be regularised immediately hereafter by the accumulation of privilege leave as detailed. It must be remembered of course that there will be no leave allowance payable in respect of the privilege leave entitlement which is not so utilised but transferred to blocked leave account.

7. Privilege Leave Allowance :

A clerk wishing to draw this allowance has to submit a Leave Allowance Form with his Leave Pass to his Head of Department through his Head Clerk seven clear working days prior to his last working day before his leave. The allowance should be collected by the clerk concerned from the Cashier before he goes on leave.

8. Casual Leave :

Casual leave is intended to cover special, emergent or unforseen circumstances and cannot be taken on the voting that it is the right of the staff to take it up to the maximum limit provided, whether such circumstances exist or not.

If circumstances arise which compel an individual to absent himself from his work on a day which is in continuation of a gazetted holiday or privilege leave, casual leave (if any casual leave is due) may at the Company's discretion be allowed and may be treated as a special case not in extension of the gazetted holiday or privilege leave, provided that the individual can satisfy the Company as to the genuineness of the emergency. Requests for special consideration must be made to and approved by the Head of the Finance Department, or in his absence, the Secretary of the Company, before the person concerned takes his leave. The following needs will normally be treated as special cases under this heading :—

(i) Legal and Court matters directly concerning a member of the staff.

(ii) Sradh Ceremony of a near relative viz. grand-father, grand-mother, parents, brother, sister.

(iii) Marriage Ceremony (brother, sister, daughter, sons).

(iv) Sacred Thread Ceremony of Brother.

(v) Family Puja performance.

(vi) On occasion of sudden death of a very near relative.

In very special cases and subject to the approval by the Head of the Finance Department, individuals may be permitted to take half day's casual leave as from 1-30 p.m. In such cases only a half day will be debited to the individual's allowance of casual leave, and it will normally not be granted unless the Head of the Department confirms that the work of the individual is up to date.

The signing of the attendance register by itself does not create a break between a gazetted holiday and a casual leave day.

9. Sick Leave :

A clerk who becomes sick at his home and is unable to report to the office doctors at the office should send to the Head of the Department a medical certificate from his own doctor and he should report to the office doctor as soon as he is well enough to do so. The medical certificate should state what his illness is and the approximate period the clerk will be away from his work.

A clerk who is sick and is able to report to the office doctor at the office should write his name in the Medical Attendance Register in the Finance Department.

After examining a clerk who is or has been sick the office doctor will make such recommendation as regards sick leave which he considers necessary on the form provided for the purpose. This form will then be handed to the clerk concerned.

[*Note* : (i) The Office Doctor may at his discretion recommend the grant of sick leave without the production of a medical certificate if a clerk is taken ill at his home and is unable to report to him provided that the clerk's absence is not for more than three consecutive working days.

(ii) If there should be a difference of opinion between the Office Doctor and a Private Doctor, the Company will accept the Office Doctors' view.]

10. Sick Leave for Tuberculosis and Cancer :

When a clerk is suffering from tuberculosis or cancer and is away from the office for a prolonged period, the amount of unabsorbed sick leave to his credit when he is first granted this sick leave for tuberculosis or cancer remains to his credit when he returns to duty from that particular illness.

11. Application for Leave and Leave Passes :

(a) *Privilege Leave* : A clerk due to go on privilege leave is required to submit a Leave Pass to his Head of Department through his Head Clerk seven clear working days prior to his last working day before his leave. Duly sanctioned leave passes are issued by the Finance Department and should be collected by the clerk concerned from the Gate Enquiries clerk before going on leave.

(b) *Sick Leave* : When the Office Doctor recommends sick leave the clerk concerned is required to submit a Leave Pass (with the Office Doctor's recommendation attached) to his Head of Department through his Head Clerk on the same day as the Office Doctor's recommendation is issued. If sick leave is granted retrospectively, the clerk concerned should collect his leave pass from the Gate Enquiries clerk four working days hence. If sick leave is recommended following the consultation with the office doctor, the leave pass will be posted to the clerk concerned at the address noted on the leave pass.

(c) *Casual Leave* : A clerk wishing to take casual leave will submit an application, in the form provided for the purpose, to his Head of Department through his Head Clerk. Leave Passes are not issued for casual leave. Application will be submitted beforehand, except in cases of emergency when the application must be submitted as soon as possible and in any event not later than the day on which the clerk returns to office.

12. Unauthorised absence :

Unauthorised absence is treated as absence without leave and consequently without pay. This is without prejudice to any disciplinary action that may be taken.

13. Staff Canteen :

There is a canteen on the roof of 8 Clive Row, which provides tiffin for staff on all working days. The canteen is not open on Saturdays, Sundays and Holidays. The canteen is managed by a committee of employees selected through the Staff Union. The Company provides funds on a set scale to the committee for the provision of tiffin for staff.

14. Medical Aid :

A clerk is only visited by th Office Doctor at his residence when he is seriously ill and the Company requires a report on his health.

15. Claims for Reimbursement of Expenses :

All applications for reimbursement of medical expenses must be submitted as soon as possible after they have been incurred. Applications submitted more than two weeks after the completion of a course of treatment are time-barred and cannot be considered.

16. Special Medical Aid :

Applications for ex-gratia special medical aid are considered in cases where a member of the staff is involved in substantial expense as the result of his own severe or prolonged illness, subject to his departmental head recommending it as deserving of assistance in the particular circumstances of the case and subject also to the applicant having first consulated the Office Doctor, and having—

(i) followed the line of treatment approved or recommended by him, and,

(ii) attended the place of treatment recommended by him.

When a member of the staff, who is sick at home and is unable to come to the office to see the Office Doctor, considers his illness is such that the may eventually have to apply for special medical aid, he must, except in a case of emergency, send a certificate giving the information datailed at the end of this paragraph to the Head of the Finance Department. In emergency cases the certificate must be submitted within three working days after admission into a hospital or as soon as the seriousness of his illness becomes apparent. The Office Doctor and the Head of the Department concerned will then advise the Head of the Finance Department whether the illness is one which might qualify for consideration under the special medical aid scheme; if necessary, the Office Doctor may visit the applicant at his home to check the diagnosis and enable him to advise the Finance Department as described above. In the case of a person whose home is more than seven miles from the office, a medical certificate issued by an Assistant Civil Surgeon, or some other doctor of no less a qualification than M.B.B.S must be sent through the Office Doctor to the Head of the Finance Department. The Certificate for this purpose must state the diagnosis, the line of treatment proposed, indicating if possible the approximate cost thereof, and the name, registered number, qualificatio and designation of the certifying doctor. Applications for special medical aid will normally only be considered after the treatment has been completed and the applicant has resumed his duties. For cases of tuberculosis applications must be processed either immediately before or immediately after a patient enters hospitals.

17. Family Subsistence Allowance :

In cases where special medical aid is given, if the clerk concerned is on sick leave without pay and where there is destitution as a result of prolonged and severe illness, applications for family subsistence allowance will be considered.

18. Employees' State Insurance Act :

In the event of medical benefits becoming available under the Employees' State Insurance Act, or under any other Act or Ordinance the provision of Special Medical Aid and Family Subsistence Allowance shall be reviewed and shall be subject to alteration in the light of the circumstances then obtaining. It is not the intention that the overall medical benefits to employees, after implementation of any State Scheme will be materially less than at present.

19. Vaccination and Inoculation :

All members of the staff are expected to take proper care to safeguard their health and avoid disease or illness as a result of their own carelessness. They should be vaccinated against small pox and inoculated against typhoid and cholera at the proper intervals and against plague whenever this disease becomes epidemic in Calcutta. The Company arranges for Calcutta Corporation inoculations and vaccinators to call at the office from time to time. No sympathy will be shown by the Company where illness results from neglect of these precautions

1. **Office Hours :** The office is entirely closed from 3 p m. on Saturdays for a half day and on Sundays.

Subordinate staff are required to sign the attendance register at the time they come on duty. Those who are unable to sign their names report to a nominated fellow employee who will make the appropriate entry on their behalf.

An individual who signs the attendance register after the time when he should start his duty and who is unable to produce a satisfactory explanation for his lateness will be given a warning, which will normally be verbal on the first occasion. After three written warnings an Officer will be instructed to hold an enquiry and submit his report on the basis of which such action as may be decided by the Management will be taken.

During office hours subordinate staff whose duties do not take them outside the office are not permitted to leave the premises without Executive permission.

2. **Bonus :** Bonus is paid in accordance with the Bonus Act, 1965, to all staff covered by that Act.

3. **Overtime :** Subordinate staff may be required to work outside normal office hours at times when there is a rush of work and when work cannot be completed within the normal office hours.

Overtime pay due to an individual is calculated on the basis of actual time worked as recorded by the Time Recording Machine subject to the period of time worked being duly authorised. Those who are unable to write their names will ask another individual to make the necessary entry.

Authority for drawing overtime pay for work done outside office hours must be obtained from the office Manager or a Head of Department on the form provided before working overtime. These forms are required to be handed to the Office Manager's Section on the next working day through their head man after the overtime is worked so that the overtime payment due may be calculated.

Applications for overtime pay in respect of unauthorised overtime will not be considered. Authorised overtime forms submitted to the Office Manager's Section more than three working days after the overtime period will not normally be accepted.

4 **Salary Mandate :** An individual on authorised leave on pay day may, if he is unable to come to the office himself to draw his pay, submit a salary mandate on the form provided authorising another member of the staff to receive his pay on his behalf.

5. **Leave :**

Privilege Leave : Although an individual does not become entitled to privilege leave until after the expiry of the period in respect of which it is granted, it is the practice to allow leave to be taken during the year in respect of which the leave is granted subject to the individual having worked for not less than one full day in the year in respect of which privilege leave is taken. Leave can, however, only be taken after a lapse of twelve months since the employee returned from his last privilege leave. Privilege leave may, however, not be taken by new staff until a period of twelve months has elapsed after the date of appointment as a probationer.

Privilege leave must normally be taken in one unbroken period equivalent to an individual's annual entitlment. In very special circumstances leave may be allowed for lesser periods; but, this is only allowed in cases where a department's work so requires or where it is considered by the Company that hardship may otherwise result and the circumstances justify relaxation of the rule. Except as provided below in the paragraph headed "Accumulation of Privilege Leave", in no case is privilege leave granted for a period of less than half an individual's annual entitlement.

Privilege leave is regulated by leave rosters which are necessarily prepared according to the convenience of work of the Company in such a manner as to ensure that approximately the same number of individuals are on leave at the same time throughout the year. Rosters for privilege leave for the following year are prepared by the Office Manager's Section at the end of each year.

Changes in leave rosters are allowed with the consent of the Office Manager, provided that more than one-third of the category are never on leave or absent at any one time.

An extension of leave for an individual who is on privilege leave is not normally allowed; but, an extension may be allowed if leave is due—

(*i*) if the application for the extension is received not less than three working days before the sanctioed leave is due to expire;

(*ii*) if the Company is satisfied that hardship would otherwise result;

(*iii*) if by granting the application the Company's work will not suffer.

Advance against Privilege Leave Wages : An advance aproximately equivalent to the net wages that will become due in respect of a period when an individual is on privilege leave may be drawn immediately prior to going on such leave.

Reporting for duty on return from leave : Staff must report for duty at their normal duty hour on the day after expiry of leave. An individual who returns to Calcutta by a train which, had it arrived in Calcutta on schedule, would have given him time to report for duty at his normal duty hour, is allowed to work and is marked present on that day provided that he reports to the Office Manager not later than 2 o'clock on that day and in any case not more than 45 minutes after the train actually arrives at Howrah station.

6. **Accumulation of Privilege Leave :** An individual may accumulate his privilege leave entitlement for two consecutive calendar years. Except as is set out below under the heading "Blocked Leave Account". accumulations in excess of two years entitlement automatically lapse.

Where leave has accumulated up to 56 days it may be taken in two periods of 28 days.

7. **Blocked Leave Account :** During his career with the Company an individual may transfer up to 28 days of his privilege leave entitlement into a Blocked Leave Account. To this extent he may accumulate up to 84 days out of his privilege leave entitlement. The privilege leave entitlement once transferred into a Blocked Leave Account may only be used :—

(*a*) as sick leave, against the Office Doctor's recommendation, when the sick leave entitlement has been fully used; in cases when an individual is taken ill at home and is not able to come to the office to see the Office Doctor a medical certificate will have to be produced;

(*b*) as privilege leave immediately prior to retirement.

An individual wishing to transfer all or part of his privilege leave quota to his "Blocked Leave Account" may only do so at the time when his departmental leave roster is prepared. If an individual who has already accumulated two quotas of 28 days privilege leave does not choose, at the time, the leave roster is prepared, to take privilege leave in the following year, the whole of his third quota, or the balance due if there has been a privious transfer to it, will automatically be transferred to his "Blocked Leave Account".

Transfers to the "Blocked Leave Account" will only be in lots of 14 or 28 days.

If an individual does not take his privilege leave at the time allotted to him in the leave roster, and if thereby his accumulation at the beginning of the following year exceeds 56 days, the accumulation in excess of 56 days will automatically lapse if he has not applied in accordance with the above for transfer to "Blocked Leave Account".

Transfer to "Blocked Leave Account" in cases when privilege leave transferred to the "Blocked Leave Account" may have been used as sick leave, will be allowed provided that accumulation does not exceed 84 days and provided that such transfers for use as sick leave are allowed up to a total of 84 days during an individual's career.

Transfer to the "Blocked Leave Account" will not be permitted in cases where an individual has less than five calendar years confirmed service with the Company.

8. **Privilege Leave Allowance :** An individual wishing to draw this allowance has to apply for it at the time when his Leave Pass is issued by the Office Manager. The allowance should be collected by the individual concerned from the Cashier before he goes on leave.

9. **Casual Leave :** In the case of individuals living more than 100 miles from Calcutta, casual leave may be taken for a period of up to ten days at a time provided that the individual has not overstayed his privilege or casual leave for any reason whatsoever in the previous years.

If circumstances arises which compel an individual to absent himself from his work on a day which is in continuation of a gazetted holiday or privilege leave, casual leave (if any casual leave is due) may at the Company's discretion be allowed and may be treated as a special case not in extension of the gazetted holiday or privilege leave, provided that the individual can satisfy the Company as to the genuineness of the emergency. Requests for speical consideration must be made to and approved by the Office Manager before the person concerned takes his leave.

The signing of the attendance register by itself does not create a break between a gazetted holiday and a casual leave day.

Casual leave is intended to cover special, emergent or unforeseen circumstances and cannot be taken on the footing that it is the right of the staff to take it up to the maximum limit provided, whether such circumstances exist or not.

10. **Sick Leave :** An individual who becomes sick at his home and is unable to report to the Office Doctor at the office, should send to the Office Manager a medical certificate from his own doctor and he should report to the Office Doctor as soon as he is well enough to do so. The medical certificates should state what his illness is and the approximate period the individual will be away from his work.

An individual who is sick and is unable to report to the Office Doctor at the office should report to the Office Manager's clerk who will write his name in the medical attendance register.

After examining an individual who is or has been sick the Office Doctor will make such recommendation as regards sick leave which he considers necessary on the form provided. This form will then be handed to the individual concerned and he hands it to the Office Manager's clerk for such action as may be necessary.

[*Note*: (*i*) The Office Doctor may at his discretion recommend the grant of sick leave without the production of a medical certificate if an individual is taken ill at his home and is unable to report to him provided that the individual's absence is not for more than three consecutive working days.

(*ii*) If there should be a diference of opinion between the Office Doctor and a private doctor, the Company will accept the Office Doctor's view).

11. **Sick Leave for Tuberculosis and Cancer**: When an individual suffering from tuberculosis or cancer is away from the office for a prolonged period, the amount of unabsorbed sick leave to his credit when he is first granted this sick leave for tuberculosis or cancer remains to his credit when he returns to duty from that particular illness.

12. **Application for Leave and Leave Passages**:

(*a*) *Privilege Leave*: A leave pass will be issued to an individual due to go on privilege leave by the Office Manager not less than two clear working days prior to his last working day before his leave.

(*b*) *Sick Leave*: When the Office Doctor recommends sick leave the individual concerned will be given a leave pass by the Office Manager on the same day as the Office Doctor's recommendation is issued.

(*c*) *Casual Leave*: An individual wishing to take casual leave will submit an application, in the form provided to the Office Manager. Leave passes are issued for casual leave of ten days but not otherwise. Application will be submitted beforehand.

13. **Unauthorised absence**: It is treated as absence without leave and consequently without pay. This is without prejudice to any disciplinary action that may be taken.

14. **Staff Canteen**: There is an canteen on the roof of 8 Clive Row which provides tiffin for staff on all working days. The canteen is not open on Saturdays, Sundays and holidays. The canteen is managed by a committee of employees selected through the Staff Union. The Company provides funds on a set scale to the committee for the provision of tiffin for staff; the present scale is 99P. per head per working day, and this is subject to revision by the Management. Certain categories of employees (Durwans) receive a cash allowance at the rate of Re. 1 per head per working day without any further benefits.

15. **Medical Aid**: An individual is only visited by the Office Doctor at his residence when he is seriously ill and the Company requires a report on his health.

16. **Claims for Reimbursement of Expenses**: All applications for reimbursement of medical expenses must be submitted to the Office Manager as soon as possible after they have been incurred. Applications submitted more than two weeks after the completion of a course of treatment are time-barred and cannot be considered.

17. **Special Medical Aid**: Applications for ex-gratia special medical aid are considered in cases where a member of the staff is involved in substantial expense as the result of his own severe or prolonged illness, subject to his departmental head recommending it as deserving of assistance in the particular circumstances of the case and subject also to the applicant having first consulted the Office Doctor, and having—

(*i*) followed the line of treatment approved or recommended by him, and,

(*ii*) attended the place of treatment recommended by him.

When a member of the staff, who is sick at home and is unable to come to the office to see the Office Doctor, considers his illness is such that he may eventually have to apply for special medical aid, he must, except in a case of emergency, send a certificate giving the information detailed at the end of this paragraph to the Office Manager. In emergency cases the certificate must be submitted within three working days after admission into a hospital or as soon as the seriousness of his illness becomes apparent. The Office Doctor and the Office Manager will then advise the Head of the Finance Department whether the illness is one which might qualify for consideration under the special medical aid scheme; if necessary, the Office Doctor may visit the applicant at his home to check the diagnosis and enable him to advise the Office Manager as described above. In the case of a person whose home is more than seven miles from the office, a medical certificate issued by an Assistant Civil Surgeon, or some other doctor of no less a qualification than M.B.B.S and approved by the Office Doctor, must be sent to the Office Manager. The certificate for this purpose must state the diagnosis, the line of treatment proposed indicating if possible the approximate cost thereof and the name, registered number, qualification, and designation of the certifying doctor. Applications for special medical aid will normally only be considered after the treatment has been completed and the applicant has resumed his duties. For cases of tuberculosis applications must be processed either immediately before or immediately after a patient enters hospital.

18. **Family Subsistence Allowance**: In cases where special medical aid is given, if the individual concerned is on sick leave without pay and where there is destitution as a result of prolonged and severe illness, applications for family subsistence allowance will be considered.

19. **Employees' State Insurance Act**: In the event of medical benefits becoming available under the Employees' State Insurance Act, or under any other Act or Ordinance the provision of Special Medical Aid and Family Subsistence Allowance shall be reviewed and shall be subject to alteration in the light of the circumstances then obtaining.

20. **Vaccination and Inoculation :** All members of the staff are expected to take proper care to safeguard their health and avoid disease or illness as a result of their own carelessness. They should be vaccinated against small pox and inoculated against typhoid and cholera at the proper intervals and against plague whenever this disease becomes epidemic in Calcutta. The Company arranges for Calcutta Corporation inoculators and vaccinators to call at the office from time to time. No sympathy will be shown by the Company where illness results from neglect of these precautions.

Staff who propose travelling to areas where malaria is prevalent are obliged to obtain from the Office Doctor the appropriate prophylactic medicines.

Apart from the provisions of the Mercantile Award, it has been the practice of the Company for many years also to issue written warnings for cases of minor misconduct where satisfactory explanations are not forthcoming. In cases where three written warnings have been issued an enquiry is held if there should be a fourth occasion.

For serious misconduct an enquiry is always held.

In the ordinary way punishment for a proved case of misconduct takes the form of a reprimand, withholding annual increment or, in a most serious case, discharge or dismissal.

ANNEXURE

In the matter of an application under section 33A of the Industrial Disputes Act, 1947, filed by Shri Jogendra Kumar Bardhan, 3/125 Jatindas Nagar, P.O. Belgharia, 24-Parganas, an employee of Messrs. Gluconate Ltd., 70A Princep Street, Calcutta-13, against the said Company in connection with G.O. No. 3154-I.R./IR/11L-177/65, dated the 14th July 1965. (Case No. 1 of 1966 under section 33A.)

BEFORE THE SIXTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present :

Shri P. BASU, Bar-at-law, Judge.

AWARD

Shri Jogendra Kumar Bardhan, who is a permanent employee of Messrs. Gluconate Ltd., had filed on 4th January 1965 this complaint under section 33A of the Industrial Disputes Act. It appears that the main reference had been made by the Government of West Bengal, to this Tribunal by order No. 3154-I.R./IR/11L-177/65, dated 14th July 1965 and that reference is pendihg. The allegation of the complainant is that regarding the issue of payment of bonus, he and 208 other workmen of the Opposite Party, had submitted a joint petition on 1st November 1965 to the Labour Commissioner. Subsequently, the Opposite Party had written a letter to the complainant on 9th December 1965 asking him to answer certain querries. The complainant, however, did not answer as there was really no order on the complainant to do so. Thereafter, on 23rd December 1965, the Opposite Party had suspended the complainant. The order of suspension

is really illegal, malafide and an instance of unfair labour practice and victimisation, and the complainant is entitled to wages for the period of unemployment, and also to the withdrawal of the order of suspension.

In the written statement submitted on behalf of the Opposite Party, it is not disputed that the main reference is pending for adjudication before this Tribunal, and that the Opposite Party had received from Shri S. K. Bhattacharjee, Assistant Labour Commissioner, Government of West Bengal, a Memo., dated 20th November 1965, enclosing a copy of the letter, dated 1st November 1965, purported to be signed by Shri Bardhan and 208 other workmen. As very serious allegations have been made, the Opposite Party thought that some investigation ought to be made. As, however, only the name of the complainant appeared in the letter, the Opposite Party by its letter, dated 9th December 1965, had asked the complainant to give certain particulars or answer to certain querries regarding the allegation made in the representation, dated 1st November 1965, within 3 days of the receipt of the letter. The complainant was absenting from his duty from 9th December 1965 and hence the office memo. was posted on 10th December 1965 to the known address of the complainant under registered post with A/D with an extra copy under certificate of posting. The registered letter was eventually returned by the post office with the endorsement 'not claimed'. The complainant, however, resumed his duty on 13th December 1965 and then a copy of this memo. was delivered to him at the factory. Inspite of the receipt of this letter from the Opposite Party, the complainant did not submit the particulars or answers to the queries within the time fixed. Therefater, the Oppsite Party had issued the letter, dated 23rd December 1965, by which the complainant was informed that his failure and/or refusal to comply with the direction contained in the office memo dated 9th December 1965, amounted to wilful insubordination or disobedience to the wilful and reasonable order of the Opposite Party. The complainant was asked to show cause within 3 days why he shall not be dealt with and suitable punishment should not be given to him in accordance with the provision of the certified standing orders of the Opposite Party. Pending the enquiry, the complainant was suspended. Subsequently on 25th December 1965 the Opposite Party received a letter puported to be the show cause letter. The Opposite Party by the letter, dated 29th December 1965, informed the complainant that the explanation has been found to be unsatisfactory and that even in his explanation, he had not only used intemperate expressions but had made false statements. Subsequently, the Opposite Party, decided to hold a domestic enquiry by the Personnel cum-Administrative Officer of the Opposite Party. Thereafter, a notice from this Tribunal was received by the Opposite Pary, and the enquiry had been kept in abeyance. Lastly, it is stated that there has been no violence of the provision of section 33 of the Industrial Disputes Act, and that the matter of suspension in connection with the disciplinary proceeding is not in any way connected with the dispute relating to Bonus or dearness allowance. It is not necessary to refer to the other allegations in the written statement because the matter appears to have been ultimately settled between the parties.

It would appear that in respect of certain orders which were passed by this Tribunal in the main reference case, there had been applications under section 226 of the constitution in matter Nos. 250 of 1966 and 279 of 1966. Letters of the learned Advocate Sri Manash Nath Roy, dated 16th August 1966, show that those matters appeared before his Lordship Shri B. C. Mitra, J., and the Rules have been discharged, as they were not pressed, on 1st August 1966. Before this date, the complainant had filed a petition on 27th July 1966 alleging that the complaint had been settled amicably and the complainant had been allowed to resume duty on and from 18th July 1966 with full wages for the period of suspension by the Opposite Party. Accordingly the complainant had prayed that he may be allowed to withdraw the complaint under section 33 of the Industrial Disputes Act. It appears to me that in the circumstances, the complaint under section 33A of the Act, should be allowed to be withdrawn and the case should be disposed of accordingly. I, therefore, pass a 'no-dispute' award making the petition an annexure to this award. This is my award

Dictated and corrected by me.

AWARD

By order No. 4167-I.R./IR/10L-90/64, dated the 11th September 1964, the Government of West Bengal, in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. National Iron & Steel Co. Ltd. and their allied concerns viz., Messrs. Britannia Building and Iron Co. Ltd. and Messrs. Tatanagar Foundry Co. Ltd., all of Belur, Howrah, on the one part and their workmen represented by NISCO Karmachari Sangha, 38 Ramnabamitala Lane, Bally, Howrah, on the other, regarding the matter specified in the Schedule to the Third Industrial Tribunal constituted under section 7A of the Industrial Disputes Act, by notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication.

Issue

Age of superannuation of the Clerical and Subordinate Staff.

Union's case in brief is that Messrs. National Iron & Steel Co. Ltd., and their allied concerns viz., Messrs. Britannia Building & Iron Co. Ltd. and Messrs. Tatanagar Foundry Co. Ltd., all of Belur, Howrah, are firmly established in their respective industries and have in their employment a large number of clerical and subordinate staff at Factory Offices. The said companies, however, have no definite rule regarding the age of superannuation and the workers are retired according to the convenience and pleasure of the management. In view of the nature of work, the clerical and subordinate staff working under the companies are fully fit and competent to discharge their duties at the age of 60 years. Union accordingly prays for fixing 60 years as the age of superannuation of the clerical and subordinate staff.

In their written statement filed in objection to the union's written statement in the case, the companies stated that the present age of retirement of the employees and the members of the staff is 55 years and there is no reason to extend the age of superannuation.

In the written statement filed the companies also took preliminary objections regarding the jurisdiction of the Tribunal to try the case and the maintainability of the reference in its present form, but none of these objections was pressed during trial.

The only question for decision, therefore, is—What shall be the age of superannuation of the clerical and subordinate staff?

It will appear from the evidence of D.W. 2 Shri Tarini Prosad Jha, Labour Officer of National Iron & Steel Co. Ltd. and Adviser to Tatanagar Foundry and Britannia Building & Iron Co. Ltd. in labour matters, that none of these three companies has any standing orders for the clerks and subordinate staff and that whatever standing orders they have, they have only with respect to the labourers. In the light of this evidence of this witness it can be said that the company has no fixed rule for the retirement of the clerical and subordinate staff. In support of this observation, Ext. A, "retirement since 1956" may be referred to. It is not disputed that the standing orders referred to by D.W. 2 was certified in February 1956 and Ext. A shows that even after this standing order, some workmen had retired at ages above 55 years. It must accordingly be held that the company has no rule fixing the age of superannuation of the clerical and subordinate staff at the age of 55 years and this Tribunal will have to decide at what age the clerical and the subordinate staff should retire.

In course of his judgment delivered in the Supreme Court Case Guest, Keen, Williams (Private) Ltd. and Sterling (P. J.) and others reported in 1959 (II) L.L.J. 405 Gajendragadkar, J. observed "In fixing the age of superannuation industrial tribunals have to take into account several relevant factors: What is the nature of

the work assigned to the employees in the course of their employment? What is the nature of the wage structure paid to them? What are the retirement benefits and other amenities available to them? What is the character of the climate where the employees work and what is the age of superannuation fixed in comparable industries in the same region? What is generally the practice prevailing in the industry in the past in the matter of retiring its employees? These and other relevant facts have to be weighed by the Tribunal in every case when it is called upon to fix an age of superannuation in an industrial dispute."

This Guest, Keen, Williams (Private) Ltd. is a company incorporated with limited liability under the Indian Companies Act. Its business is engineering and manufacturing of engineering products, and it has a factory at Howrah where about 5000 workmen are employed. (Vide page 408—1959 L.L.J. II). In the case just referred to above the age of superannuation of employees in service from before introduction of the standing orders by the company was fixed at 60 years. This Guest, Keen, Williams was also one of the engineering concerns mentioned in the award made by the 3rd Omnibus Engineering Tribunal and referred to in paragraph 5 of the written statement of the company. (Vide Schedule II of Annexure A to company's petition, dated 9th February 1966, before this Tribunal). In this paragraph company has stated that the wages, grades and scales of pay, etc. of the employees concerned in the present order of reference is the same as with other engineering concerns who were parties to the aforesaid award, on these averments in paragraph 5 of the company's written statement it can be said that the clerical and subordinate staff under reference enjoy the same amenities and also get the same wages, scale as their counter-parts in the Guest, Keen, Williams. The Guest Keen factory is at Howrah not far off from Belur where the present concerns are situated. At Belur there is no company like the three companies mentioned in the order of reference. In this connection may be referred the evidence of P. & W. 1 Ramkrishna Bhaduri that in Belur and Bally there is no Rolling factory adjacent to the factory of National Iron & Steel Co. Ltd. at Belur. This witness P.W. 1 also stated that among clerical and subordinate staff there are some workers aged about 60 years and it appears from Ext. A that some clerks who have retired at the age of 55 years are still working on extension. It can, therefore, be said that under the working conditions prevalent in the company the workers can work at least up to the age of 60 years, and it has already been stated that for pre-standing orders factory staff of Guest, Keen, Williams (Private) Ltd., an engineering concern, the age of retirement, has been fixed at 60 years. For new entrants to this company, the age of superannuation has no doubt been fixed at 55 years and this was because the standing order of the company provides for retirement at this age. The companies under reference have no such standing order, and there is no reason why on the basis of the decision in the Guest, Keen, Williams case, the age of retirement of the clerical and subordinate staff of the three companies should not be fixed at 60 years. They no doubt work in factory but the evidence of P.W. 2 Shri Tarini Prasad Jha, indicates that the factory atmosphere is not incongenial to their health. They have not also to do arduous works. In consideration of all these facts and circumstances, the age of superannuation of the clerical and subordinate staff must be fixed at 60 years. In support of this conclusion, reference may also be made to the Supreme Court case of British Paints (India) Ltd., and its workmen, reported in 1966 L.L.J. Vol. I, page 407. In course of his judgment delivered in the case Wanchoo, J., observed:

> "Considering that there has been a general improvement in the standard of health in this country and also considering that longivity has increased, fixation of age of retirement at 60 years appears to us to be quite reasonable in the present circumstances. Age of retirement at 55 years was fixed in the last century in Government service and had become the pattern for fixing the age of retirement everywhere. But time, in our opinion, has now come considering the improvement in the standard of health and increase in longivity in this country during the last fifty years that the age of retirement should be fixed at a higher level, and we consider that, generally speaking, in the present circumstances, fixing the age of retirement at 60 years would be fair and proper, unless there are special circumstances justifying fixation of a lower age of retirement."

As evidence has come, it can be said without hesitation that in the instant case there is no reason for fixing the age of retirement at an age below 60 years.

The age of superannuation for the clerical and the subordinate staff is accordingly fixed at 60 years.

This is my award which is to be effective from this day.

Issue

Whether the termination of employment of Shri Gouranga Mazumdar is justified? To what relief, if any, is he entitled?

On receipt of the order of reference usual notices were issued on the parties and they appeared and filed their respective written statements.

In its written statement filed, the union stated that the concerned worker Shri Gouranga Mazumdar, a Calender Mistry of the company, with a clear and meritorious record of two years' service, and an active member of the union, was illegally dismissed from service on false and malicious charges and prayed for reinstatement with all back wages.

In reply to the union's written statement, the company filed its own statement on 7th May 1965 and therein it inter alia pleaded that as Shri Mazumdar had been dismissed from service after a proper and fair domestic enquiry into charge of gross misconduct viz., causing intentional loss and damage to the company on 25th December 1961, he is not entitled to any relief in this case.

Thereafter the parties filed their list of documents and the case was fixed for peremptory hearing. After several adjournments at the instance of the parties to the proceeding, the case was taken up for hearing on 8th August 1966 when the parties filed a joint petition stating that the industrial dispute referred to this Tribunal for adjudication has been settled on terms mentioned in the petition. The petition was signed by the concerned worker and his Advocate Shri Anil Das Chaudhury as also by Shri Samarendra Bhattacharji, representative of the company and by Shri K. K. Maitra, Advocate of the company. In terms of the joint petition the company paid Rs. 650 to the concerned worker Shri Gouranga Mazumdar before this Tribunal on 16th August 1966 and the latter gave to the company a receipt in token of the payment to him. A "no dispute" award is accordingly passed. The joint petition and the receipt do form part of the award.

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri SACHINDRA KUMAR BHATTACHARJEE,
Presiding Officer, Second Industrial Tribunal.

By order No. 4718-I.R./IR/11L-23(B)/65, date Calcutta, the 2nd November 1965, Government of West Bengal, in the Labour Department, referred an industrial dispute between Messrs. Martin Burn Ltd., Messrs. Indian Iron & Steel Co.,Ltd., and Messrs. Burn & Co.,Ltd., all of 12 Mission Row, Calcutta and their

workmen represented by Martin Burn Indian Employees' Union for adjudication to this Tribunal on the following issue :

Issue

Whether the companies are justified in requiring the Motor Car Drivers to give their daily 8 hours work at the wheel over a period up to 10½ hours instead of 8½ hours? What relief, if any, are the workmen concerned entitled to?

After receipt of the reference, notices were issued on the companies concerned and the Union and they entered appearances and filed separate written statements.

Union in their written statement filed on 23rd December, 1965 *inter alia* stated that all the Companies were prosperous concerns having their head offices located in the Martin Burn House, at 12 Mission Row, Calcutta and Messrs. Martin Burn Ltd., were the Managing Agents of the other two Companies. The workmen employed in all the three concerns were in fact employees of Messrs. Martin Burn Ltd., who appointed, controlled or otherwise regulated their service conditions. Some of the departments of the three companies are common, such as cash, share department, purchasing secretariat and office maintenance department and the drivers cater to the needs of all the companies situated in the said premises. In the above context the drivers, in particular are to be considered as the employees of Messrs. Martin Burn Ltd., and it was not known which driver was employed by which of the concerns and all of them had to take orders from the office Manager of Messrs. Martin Burn Ltd., there being 45 such drivers subject to his direction and control. These drivers, it was contended were governed by the Mercantile Tribunal award of 1949 and their working hours was fixed at 8½ hours a day including half an hour recess, covering a spreadover of 8 hours from Monday to Friday and four hours without recess on Saturdays. The working hours were, however, fixed by the employer according to their necessity by previous intimation to individual drivers and this practice has been followed for the last 17 or 18 years. With the enactment of the West Bengal Shops and Establishments Act, 1963, the employers tried to create new complications by changing the aforesaid working hours to the serious prejudice of the drivers when the Union demanded that the overtime rate should be increased as sanctioned by the Act. In order to defeat the Union's agitation for the legitimate demand of the drivers and to deprive them of their extra overtime earning, the employers tried to increase the spread over of the working hours to 10½ hours with the result that they would have to work extra 2 hours every day without corresponding extra emoluments. An agreement regarding overtime wages was reached between the company and the union on 31st May 1965. Shortly thereafter the company wrote to the union intimating their intention to effect changes in the working hours on the ground of unavoidable necessity and gave notice thereof under section 9A of the Industrial Disputes Act. The Union contends that there was no such unavoidable necessity and the idea was to deprive the drivers of their hard earned income by taking advantage of the provisons of the law, to which the union protested and raised a dispute which was ultimately referred to this Tribunal on the aforesaid issue. The union further contended that the drivers did not require 2½ hours unnecessary rest and the employers also had no bona fide necessity of granting them 2½ hours recess during the working hours. This is a novel device to harass the drivers and it was not possible for them to go home or to take rest or relax as there is no such place or provision for the same in the company's office and it is sheer waste of time for the drivers themselves. The union accordingly asserts that the spreadover could not be regarded as reasonable in the circumstances of the case.

All the three companies filed separate written statements which are more or less identical. All the three companies denied that all the drivers employed in the aforesaid premises were employees of Messrs. MartinBurn Ltd., and contended that Messrs. Martin Burn Ltd. is the Managing Agents of Indian Iron & Steel Co. Ltd. and Burn & Co., Ltd., and they used to charge the other companies for services rendered by their officers and departments. Each company employed its drivers separately and paid them out of their own funds and each of the companies control their drivers through their Managing Agents Messrs. Martin Burn Ltd. The companies further denied that they have tried to change the working hours of the drivers to their serious prejudice and disputed the Union's demand, which according to them was not in accordance with the law. The company further asserted that as a result of the introduction of West Bengal Shops and Establishments Act, 1963, and in view of the restrictions imposed on overtime work, it became necessary to extend the drivers' daily spreadover of work to 10½ hours and the Management did not want to extend the duty hours of the drivers. The companies further denied that their action was high handed or motivated or that the introduction of the new spreadover was a device to harass the drivers.

Messrs. Indian Iron and Steel Company in their written statement further contended that the pool car drivers are supervised and controlled by the office Maintenance Department of Messrs. Martin Burn Ltd. Except for the pool cars, all the other cars and drivers are supervised and controlled by the respective company who employed them. This company has in its regular employment 13 drivers at the head office who were issued with letters of appointment. The total number of drivers employed by Messrs. Martin Burn Ltd., was 23 and not 45 as alleged by the union. The number employed by the instant company was 13 and that by Burn & Co. Ltd., was 2. So there were 38 drivers and not 45 as alleged. The company further contended that the existing spreadover of work is not a right or privilege and the companies are entitled in law to effect a change in the spreadover of work without increasing total hours of work per day. The companies further contend that such change is necessary because of the restrictions imposed by the Act on the total hours of overtime work in a year.

Appearances of the parties are as follows :

For Messrs. Martin Burn Ltd. : Shri P. P. Ginwala, Counsel.

For Messrs. Burn & Co., Ltd., and Messrs. Indian Iron and Steel Co. Ltd. : Shri Arijit Chowdhury, Counsel. Shri D. P. Ghosh, Solicitor, and Shri K. Ghosh, Advocate.

For the Martin Burn Indian Employees' Union : Shri D. L. Sengupta, Advocate.

Decision

The union examined five witnesses and the company examined three witnesses in support of their respective cases. P.W.1 Shri Biswanath Mitra is a typist in Messrs. Martin Burn Ltd., for the last 29 years and the Secretary of Martin Burn Indian Employees' Union. He came to prove the terms and conditions of service of the drivers and also the agreement, dated 31st May 1965, between the parties. On behalf of the union he raised serious objections to the spread over of 10½ hours a day on the ground that it would amount to curtailment of the existing rights and privileges of the drivers. P.W.2 Nilmoni Ghosh is a driver of Messrs. Martin Burn Ltd., for the last 19 years. In his evidence he stated that prior to 31st May 1965 they were all along required to work for the 8½ hours from Monday to Friday with half an hour break for tiffin and four hours on Saturdays. He further stated that with effect from 1st June 1965 they were made to work for 8½ hours even on Saturdays. He expressed his unwillingness to have spreadover of 10½ hours a day instead of existing 8½ hours. The reasons advanced being that they will have less time to devote for their domestic work and 2½ hours tiffin or rest or recess will not enable them to return to their house as they will be out of pocket for going and coming and the time taken for the journey will also consume a considerable part of the recess. He further stated that as there was no proper place to spend the time on rest in the company's premises, 2½ hours recess would be of no use to them. The driver, it was further asserted, would lose overtime payment if the company succeeds in introducing this measure. Some of the other drivers examined even stated that they did not have any time for their recess (vide P.W.4) but his evidence on this point is contradicted by P.W.2 and P.W.3. In fact P.W.2 has categorically stated that their 8½ hours duty includes half an hour recess. This was also strongly denied by Mr. Adams (O.P.W.1) on behalf of all the companies. All the drivers were also emphatic that they had to perform 44 hours per week, the break up of which was as follows :

8 hours from Monday to Friday plus half an hour recess.

4 hours on Saturdays without recess.

The period spent on duty beyond 4 hours on Saturdays counted for overtime payment but on this point no paper was produced by the union to show that any overtime payment was made by the companies to the drivers for working more than 4 hours on the Saturdays. Mr. Reginald Constant Adams who is the Office Manager of Messrs. Martin Burn Ltd., in his evidence stated that the drivers had to perform 48 hours every week i.e. 8 hours from Monday to Saturday for which there was no fixed time. The drivers mostly drove the car belonging to particular companies, by which they were employed and their numbers are 38, of whom 22 are employed by Messrs. Martin Burn Ltd., 4 by Burn & Co., Ltd., and 12 by Messrs. Indian Iron and Steel Co., Ltd., Of these 10 are pool drivers, who work directly under Mr. Adams (O.P.W.1). 18 drivers are attached to individual officers from whom they take orders direct. Six drivers are attached to different departments, such as, Agency Department of Burn & Co., Ltd., Agency Department of Messrs. Martin Burn Ltd., Sales Department of Messrs. Indian Iron & Steel Co., Ltd., 4 remaining drivers are allotted to the Technical Secretariat of Indian Iron & Steel Co., Ltd., they are under the control of an officer named Dutta Roy (O.P.W.2). As things stand at present there are more drivers in the pool section than there are cars to attend.

From the evidence adduced, there can be little room for doubt that the drivers worked for 8½ hours a day from Monday to Saturday with half an hour's recess for tiffin and the only difference is that on Saturday the driver contend they were paid overtime for performing work in excess of four hours. As already observed there is practically no evidence on this point and this was denied or disputed by the companies. In this connexion it may be mentioned that in the award made by the Mercantile Tribunal on July 25 1949 to which Messrs. Martin Burn Ltd., and Burn Co., Ltd., were parties, working hours of the motor car drivers were fixed as 8 hours a day excluding recess time. It is not disputed that the drivers performed 8 hours duty from Monday to Saturday every week after this award came into force but it has not been satisfactorily explained at what point of time the working hours came to be changed on Saturday. P.W.1 Birswanath Mitra who happenes to be the Secretary of Martin Burn Indian Employees' Union in his evidence stated that the drivers had to work 44 hours a week i.e., 8 hours from Monday to Friday plus half an hour for recess and four hours on Saturday for the last 29 years. In the view of the award of the Mercantile Award in July 1949, this statement can hardly be accepted. This witness further stated that since the settlement, dated 31st May 1965, the drivers are being made to work 8 hours even on Saturdays as a result of a slip in paragraph. 3, clause (a), of the memorandum of agreement. Paragraph 3, clause (a), of the memorandum of settlement Ext. 1 provides for overtime payment as an interim measure to the drivers in the following terms :

Any hours worked in excess of existing 48 hours per week and up to 120 hours in a year will be paid at the rate of $\frac{\text{basic}+\text{D.A.}\times 1\frac{1}{2}}{208}$

This interim arrangement was made without prejudice to the rights and contentions of the respective parties in relation to other provisions of the West Bengal Shops and Establishment Act, 1963. Now this clause would seem to indicate that the existing hours of work of the drivers as agreed to by the union was 48 hours per week and not 44. The union seems to have taken exception to the insertion of 48 hours as a mere slip whereas the company in their letter, dated 15th June 1965, raised the issue of 10½ hours spreadover for the drivers in view of the introduction of the West Bengal Shops and Establishments Act, 1963. On the evidence thus discussed it would be clear that the working hours of the drivers as per the award of Mercantile Tribunal was 48 hours a week and they were also did the same 48 hours after the memorandum of agreement (Ext. 1) came to be executed on 31st May 1966. There is hardly any evidence on the record to show that the drivers were paid overtime wages for working more than 4 hours on Saturdays during the intervening period. In the circumstances the only reasonble inference possible was

hat the drivers had to work 48 hours a week from Monday to Saturday and the payment of overtime for the excess over 4 hours on Saturdays has not been proved by any satisfactory evidence.

Now, the company wants to change the existing 8½ hours including half an hour recess to 10½ hours spread-over in view of the provisions of the West Bengal Shops and Establishments Act, 1963. The relevant provisions of the West Bengal Shops and Establishments Act, 1963, may hereby be quoted.

"Section 7(1) . . . .

(2) No person employed in an establishment shall be required or permitted to work in such establishment for more than eight hours and a half in any one day or for more than forty-eight hours in any one week or after the hour of closing of such establishment :

Provided that a person employed in an establishment may be required or permitted to work overtime in such establishment so, however, that :—

(*i*) the total number of hours of his work including overtime work shall not exceed ten hours in any one day, and

(*ii*) the total number of hours worked overtime by him shall not exceed one hundred and twenty hours in any one year.

(3) No person employed in an establishment shall be required or permitted to work in such establishment for more than six hours in any one day unless he has been allowed an interval for rest of at least one hour during that day.

(4) The periods of work and intervals for rest of every person employed in an estsblishment shall be arranged by the employer of such person so that together they do not extend over more than ten hours and a half in any one day".

Mr. Ginwala on behalf of the company sought to contend that in view of the provisions enacted in section 7 of the Act it is now obligatory on his client's part to allow an interval of rest for atleast one hour to any one who is requiredto work for more than six hours in any one day. Sub-section (2) of section 7 provides that no person shall be required or permitted to work for more than 8 hours a day or for more than 48 hours in any week or after the hour of closing of such establishment. Now if the companies required the motor car drivers to work for 8 hours a day they are to provide him at least one hour's interval for rest under sub-section 3 and the spreadover in any event must extend to 9 hours a day. Mr. Ginwala also referred to the restrictions imposed by this Act on the overtime work which shall not exceed 120 hours in any one year. Consequently he contends that the companies have been forced to introduce a spreadover of 10½ hours for the drivers. Relying upon the expresson used in sub-section (4) of section 7 he further contends that the right to arrange the period of work and interval for rest of any person employed in any establishment belonged to the employer of such a person and the only limitation placed was that it should in no case extend beyond 10½ hours in any one day. Reliance in this connexion was placed upon the decision of the Supreme Court in the case of Bombay Port Trust reported in 1966 (1) L.L.J., page 709. In that case normal working day, intervals of reces and number of hours of work for calculating overtime, etc. under the Minimum Wages Act and Factories Act came to be decided. Facts shortly were as follows : Bombay Port Trust introduced two shift system of work in certain docks with effect from certain date where previously the shore crew used to work in single shift and were liable to be called out at any hour of the day or night. W en the two shift system began each shift of twelve hours was broken up into eight hours duty, two hours variable recess and two hours overtime. The hours of rest were kept variable as they depended on the tides. The union thereupon made a demand for a fixed recess of two hours which was rejected by the trustees, on the ground, that this was a device to get four hours overtime. Following some attempt at amicable settlement the shore crew working at the Princes and Victoria docks were informed each day what the period of rest would be on the following day in so far as two docks were concerned but for the Alexandra docks the hours of rest were fixed hours. During monsoon months' however, the hours of rest in Alexandra docks was made variable and trustees gave a notice und r section 9A of the Industrial Disputes Act announcing intorduction of variable recess. This was opposed by the workers and some part of settlement was arrived at. The workers of the other two docks thereupon objcted to the recess prescribed for them, claimed for reducing the hours of recess and increasing the overtime. Ultimately the matter was referred to an Industrial Tribunal who found in favour of the Trust and the union appealed. Supreme Court after analysing the relevant provisions of the Minimum Wages Act and the Factories Act observed that by an interval of rest is meant a break in the work during which the workmen though present on duty, is not called upon to display either physical activity or sustained attention but it is not a period of mere inaction because there is no work for them. If it was the latter it was to be counted as actual work for them. If the former, it was to be counted as period of rest provided the period is specified and the workmen is neither called upon nor expected to work. Sub-sections (2), (3) and (4) of section 7 of the West Bengal Shops and Establishments Act, 1963, roughly correspond to sections 54, 55 and 56 respectively of the Factories Act and the Supreme Court has also referred to almost the same provisions which are found in some other Acts of State Legislature controlling establishments, shops, etc. Now under section 7(2) of the West Bengal Shops and Establishments Act, hours of work cannot be more than 8½ hours in any one day or more than 48 hours in any one week, which together with the interval of rest may be spread over to 10½ hours as per provisions of section 7(4) of the above Act. The only restriction being that the employees must not be made to work for more than 6 hours at a stretch before he has had an interval for rest for one hour. The West Bengal Shops and Establishments Act authorised the employer to arrange for the period of work and interval for rest of every persons employed

in an establishment. The employer cannot be compelled to give overtime if it intends to follow the provisions of the West Bengal Shops and Establishments Act. It follows therefore that the employer can introduce 10½ hours spreadover in a shift fixing 48 hours per week of six days at 8 hours a day. He cannot be called to give overtime for the remaining 2 hours unless the worker is being made to work during the 2½ hours recess provided he has specified the hours of interval and rest. The employer can spread over 8 hours work with the intervals for rest to 9, 9½, 10 and 10½ hours in any manner he likes and for the recess or rest he is not required to pay any overtime but the worker must know the hour or hours during which he will not be called on to work.

Overtime under section 13 of the Act can only be claimed and becomes payable when the workmen is made to work in excess of the fixed hours constituting normal working day. West Bengal Shops and Establishments Act imposed an obligation on the employer to see that no worker is made to work more than 8½ hours a day or more than 48 hours in any week and if he is made to work for more than 6 hours in any particular day he must have get at least one hour's rest during that day. The employer has been allowed to arrange the spreadover in such manner as would give effect to the provisions of the Act with this limitation that the spreadover in no case shall extend to more then 10½ hours in any particular day.

In the Associated Cement Company's case reported in A.I.R. 1964 S.C. page 914, Supreme Court laid down the principle to be followed in the matter of fixation of hours of work and observed that it was no ground for not increasing the working hours to 36 in the year 1961 on relevant consideration because the Tribunal considered it reasonable to fix the working hours in the year 1960 at 34 hours a week. While sounding a note of warning against too frequent alternations in the conditions of service of the workmen Supreme Court laid stress on the importance of the dynamic nature of industrial relations and expected the Tribunals to take note of the changes that had taken place in the Country's economic position and expectations. In the instant cited case the working hours was sought to be changed by the company who proposed an increase in the hours of work from 34½ to 37½ a week. This matter was referred to Industrial Tribunal for adjudication. The Tribunal allowed an increase and fixed the weekly hours of work at 36. The workmen appealed to the Supreme Court and Their Lordships in dismissing the appeal pointed out the importance of remembering the dynamic nature of industrial relations and refused to apply to industrial adjudications, the principles of *res indicata* that are meant and suited for ordinary Tribunals and allowed the conditions of service to be changed only a few years latter as it was convinced of the necessity and justification of those by the existing conditions and circumstances.

In the instant case the question is not one of increasing the working hours but that of spreadover which has been necessitated by the introduction of a new piece of legislation that imposed certain obligations on the employer in the matter of fixation of hours of work and intervals for rest. It was sought to be contended on behalf of the Union that the unavoidable consequence of the introduction of 10½ hours spread over would be a complete departure from the pattern prevailing in the working hours of the drivers of these companies who would thus be deprived of their spare time and would also loose much of their overtime allowance inasmuch as they will have to be present for 10½ hours every day for being 8 hours duty. These considerations, in my view cannot be entertained or given effect to. The employer cannot be compelled to give overtime during this 10½ hours unless he takes work from the drivers during the 2½ hours interval to be specified by the employer when the worker is neither called upon nor expected to display physical activities or sustained attention. Overtime become payable only when the worker works in excess of the number of hours constituting a normal working day and the question of overtime does not arise unless the worker has been made to work beyond 8 hours a day or 48 hours a week.

On behalf of the union it was sought to be contended that section 24 of the West Bengal Shops and Establishments Act is a bar to the employer introducing this new measure. Section 24 in terms says that nothing in this Act shall effect any right or privilege to which any person employed in any shop or establishment is entitled on the date of the commencement of this Act under any law for the time being in force or under any contract, custom or usage which is in force on that date, if such right or privilege is more favourable to him than any right or privilege conferred upon him by this Act or granted to him at the time of appointment.

In the first place, it is to be pointed out that it is not a question of right or privilege which is sought to be affected in the instant case, for the drivers are not required to work in excess of 8 hours a day or 48 hours a week as was their duty hours prevailing before the Act came into force. In the next place it is to be pointed out that the employer in any event must give the worker one hour's recess if he is to take work for 8 hours which would mean a spreadover of 9 hours in any event. That would mean that the existing hours of work and interval for rest cannot be maintained if the employer is to observe the restrictions or conditions imposed by this statute. Since the employer is not interfering with any existing right or privilege of the drivers and as the Act authorises him to arrange the period of work and interval for rest extending over to 10½ hours, section 24 in the opinion of the Tribunal does not come in the way of the employers in the matter of introduction of the proposed spreadover in the instant case.

That being the position, action proposed to be taken by the employers in the instant case cannot be said to be unjustified or illegal; on the contrary, the decision of the Supreme Court in the Bombay Port Trust case would lend assurance to the view canvassed by thier Counsel and on a careful consideration of all the facts and circumstances of the case the Tribunal answers the

reference in the affirmative, and the concerned workmen are not therefore entitled to any relief in the instant case.

This is the award of the Tribunal.

No. 280-I.R./IR/11L-323/65, dated 20th January 1966. (Case No. VIII-17/66.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present :

Shri A. K. DE, Judge,
Fifth Industrial Tribunal.

The issue for adjudication in the reference under section 10 of the Industrial Disputes Act by the Government of West Bengal in its Labour Department order No. 280-I.R./IR/11L-323/65, dated 20th January 1966, is whether the dismissal of Shri J. N. Das, Additional Accountant, is justified and what relief, if any, he is entitled. The dispute giving rise to the issue is between Burdwan Central Co-operative Bank Ltd., hereinafter called the Bank, and their workmen represented by the Co-operative Employees' Association, hereinafter called the Association. On receipt of this reference the Tribunal gave notices to both the parties. Both appeared and filed statements. The Tribunal fixed 18th August 1966 for hearing of the matter. On that date both the parties filed a joint petition settling their dispute on the terms stated therein. It was prayed that the Tribunal might make an award in terms of their settlement. The Tribunal takes into consideration the said joint petition and finds that its terms are fair, proper and legal. The joint petition filed before this Tribunal is signed on behalf of the Association by the workman concerned and its Secretary and Vice-President. It is signed on behalf of the Bank by its Manager. It appears that the terms are that the Union will not press for reinstatement and does not want any adjudication as to whether the dismissal in question is just or not, in consideration of the Bank agreeing to pay and the workman agreeing to accept a sum of Rs. 2,950 (Rupees two thousand nine-hundred and fifty only) in full and final settlement of all his claims against the Bank. The Tribunal will adjudicate the issue as settled by the parties.

In the result, the Tribunal decides the issue in terms of the joint petition of the parties filed on 18th August 1966 and directs that the said petition be made part of and annexed to this award.

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, internment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. This concession in age shall remain in force up to December 31, 1967.

The bona fide of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If, however, such a recruit is prepared to resign his appointment under Government, before applying, he will be eligible to the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not, however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the Officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For Outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Instructions regarding submission of application

(3) Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor), Alipore, Calcutta-27, personally or on sending a large self-addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed (not handwritten) form showing exactly the wording and spacing of the sample form published in the "Calcutta Gazette" of the 1st September 1955, provided the blanks are filled up in the candidates' own handwriting.

Particulars and certificates required

(4) Candidates should furnish evidence of their age, qualifications and previous experience together with certificates written not more than one year prior to the date of their applications, from responsible persons, testifying to their private character.

The Commission accepts only the age of a candidate as recorded in the Matriculation or the Secondary School Final/Leaving Certificate. Fee

(5) Candidates must enclose with their applications a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal Order, however, may be accepted from candidates. They should be crossed and made payable to "The Deputy Secretary, Public Service Commission, West Bengal". No application will be considered unless accompanied with the requisite application fee, except as provided below.

Candidates abroad may deposit their application fees with the High Commission of India or the Embassy, as the case may be, and obtain receipts for the same, which will have to be attached to their applications to be submitted to the Commission.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

In no case will the fee paid with the application be refunded, except as provided below.

The Commission may remit application fee in respect of genuinely indigent displaced persons from East Pakistan who have migrated to India on or after January 1, 1964. This concession in fee shall remain in force up to December 31, 1967.

A candidate claiming such exemption must furnish besides evidence required under para. (1)(c) above, a certificate (in original) from a District Magistrate or a Gazetted Officer or a Member of Parliament or State Legislature to show that he is not in a position to pay the prescribed fee.

Candidates serving under Government or a Local or Statutory Body should submit an advance copy in the prescribed form. LSE R TARIAN LIBRARY

LOK SABHA

The following Bill was introduced in Lok Sabha on the 25th July 1966 :—

BILL NO 39 OF 1966

A bill further to amend the Constitution of India.

BE it enacted by Parliament in the Seventeenth Year of the Republic of India as follows :—

1. This Act may be called the Constitution (Twentieth Amendment) Act, 1966. Short title.

2. In article 3 of the Constitution, the following *Explanations* shall be inserted at the end, namely :— Amendment of article 3.

'*Explanation I.*—In this article, in clauses (*a*) to (*e*), "State" includes a Union territory, but in the proviso, "State" does not include a Union territory

Explanation II.—The power conferred on Parliament by clause (*a*) includes the power to form a new State or Union territory by uniting a part of any State or Union territory to any other State or Union territory.'.

STATEMENT OF OBJECTS AND REASONS

Article 3 of the Constitution provides for the formation of new States and alteration of areas, boundaries, or names of existing States. Before the Constitution (Seventh Amendment) Act, 1956, was enacted, the expression "States" occurring in that article meant Part A States, Part B States and also Part C States. By the Seventh Amendment of the Constitution in 1956, the concept of "Union territories" was introduced in our Constitution but article 3 was not amended to include *in terms* "Union territories". It is considered proper to amend this article to make it clear that "State" in clauses (*a*) to (*e*) of that article (but not in the proviso) includes "Union territories". It is also considered proper to make it clear that power under clause (*a*) of article 3 includes power to form a new State or Union territory by uniting a part of a State or Union territory to another State or Union territory.

The Bill seeks to achieve the above objects.
